## School Board "Reaches for Excellence"

The Board of Education is the policy making body of the school district. Each member is elected by the voters for a three-year term. East Newton is very fortunate to have these individuals who are willing to serve in this important capacity.

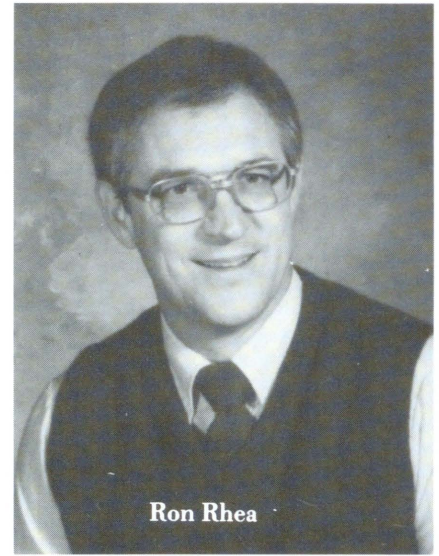

Don Johnston

Dr. Dalton Ham

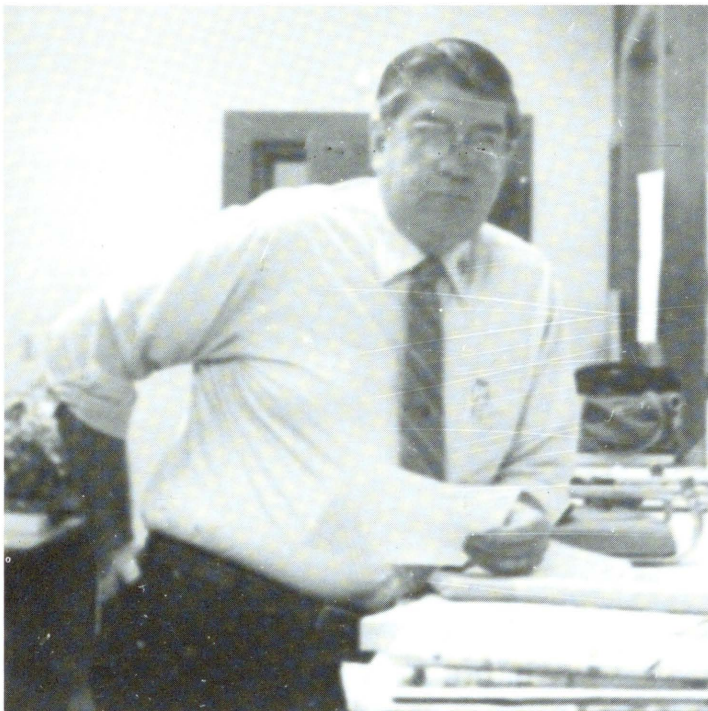

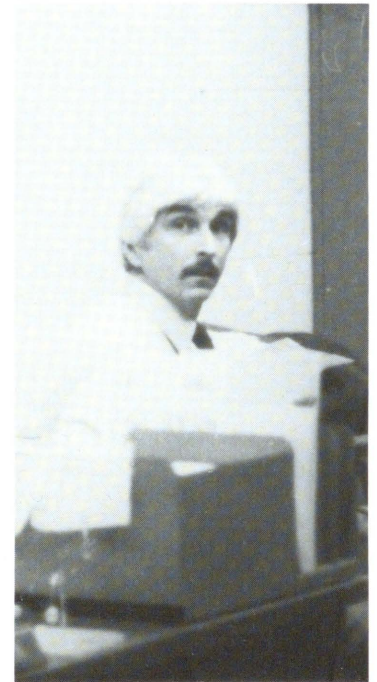

Ron Rhea

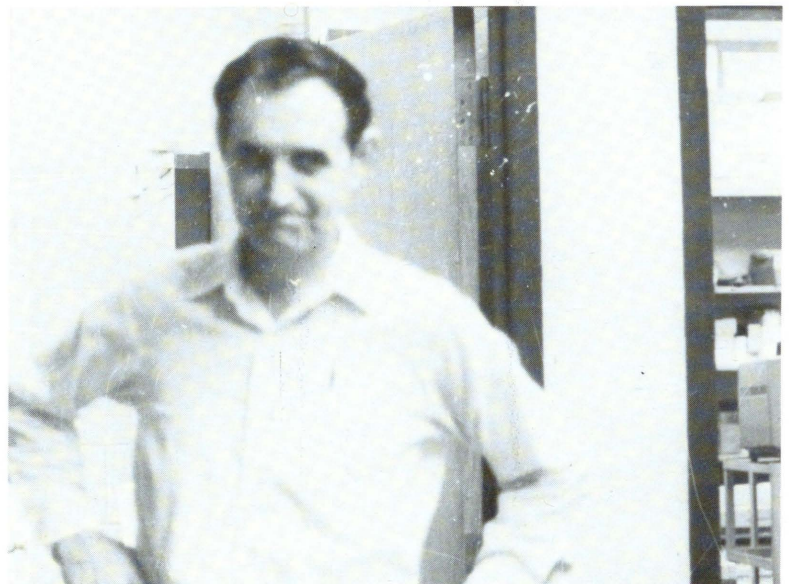

The East Newton's Superintendent, Dr. Dalton Ham, acts as chief executive of the Administration of the Schools.

Don Johnston and Ron Rhea, have the important role of maintaining student discipline, serving as host for school assemblies, and scheduling school activities.

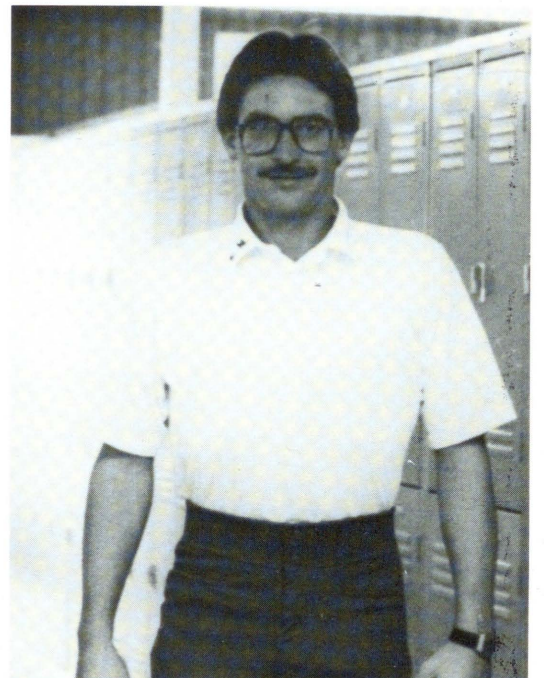

Mr. Russell Wilkie, Head of Transportation, and Mr. Andris, Administrative Director, help in achieving all services for our students.

## ADMINISTRATION

# P E R S O N N E L

## SECRETARIES Provide Friendly Atmosphere

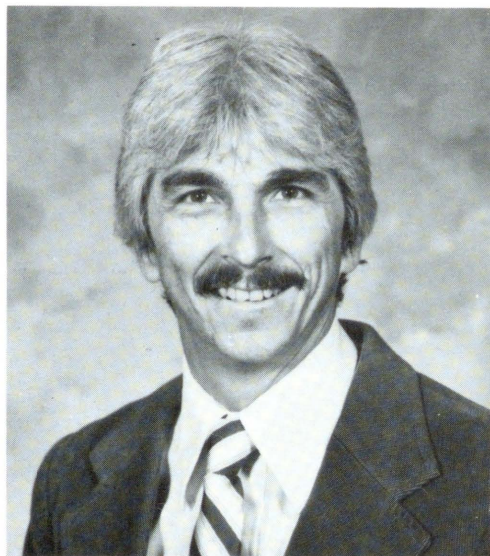

The secretaries provide a great service to our school in their various capacities. Aside from taking care of absentee and tardy slips, collecting fees and other such daily tasks, they have many other duties. Mrs. Camerer is Dr. Ham's secretary and also the secretary to our school board. Mrs. Sanders is Mr. Johnston's secretary. She handles his mail and is responsible for transcripts, student records, and attendance records. Mrs. Faules keeps track of the financial condition of our school in her job as bookkeeper. Mrs. McKinney acts as a secretary to Mr. Rhea and Mr. Andris along with collecting money in the lunch line. Our secretaries are always patient and friendly even when things become hectic. Their hard work, efficiency, and effort are continually appreciated by both student body and administration alike.

## ART

### Man's Oldest Treasure

"Art is as old as recorded history — new as the morning sun. To know art is to know beauty, both natural and humanistic. It is more than drawing or painting, it is living and observing the total life. Art may well be the spark of life we humans are constantly striving to achieve."

— Larry Craven

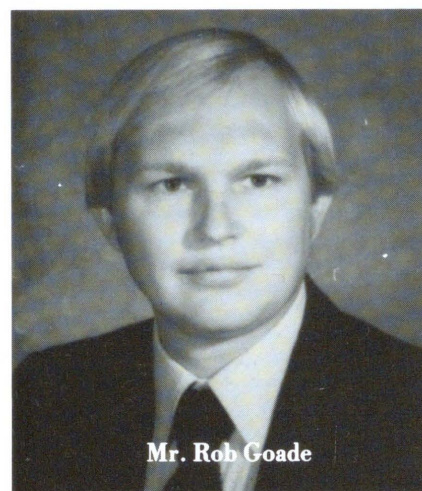

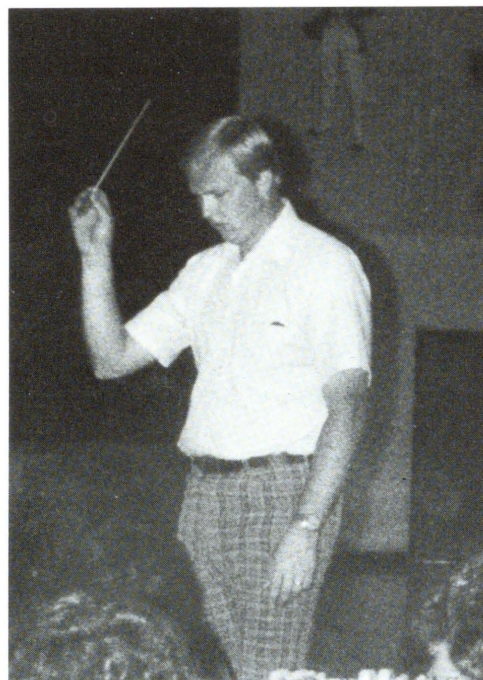

Music is a gift, a talent, and a skill. It takes time and lots of effort to teach the students here at this school the great art of music. Mr. Rob Goade, director of vocal and instrumental courses, teaches the students the fundamental musical concepts as well as a deep admiration for music.

# Speak -N- Spell

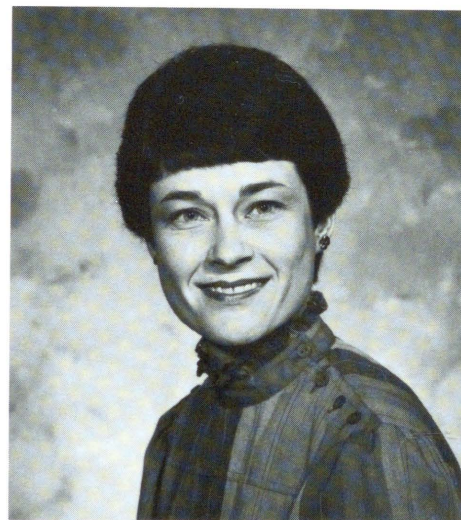

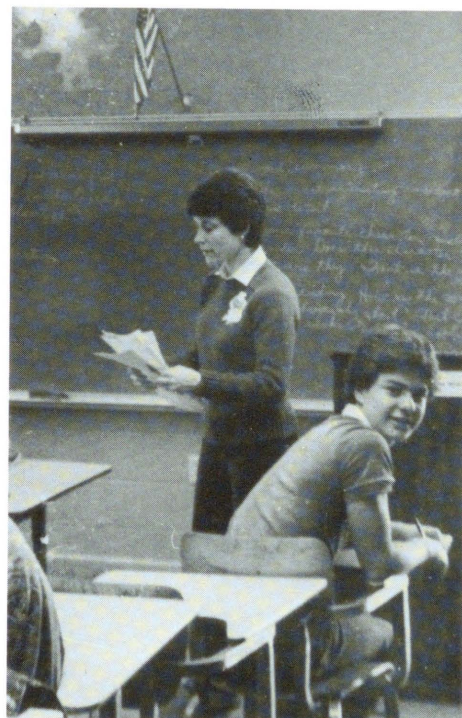

In the English Department, we have the wonderful, Dorothy Reynolds; the fantastic, Ann Shaver; the patient, Betty Gorham; and the talented Ann Standefer. This year there were many new additions to the department and the teachers did a fine job. Thank you, ladies, for all your effort!

# Math Sums It Up

This year's math department underwent a few changes. One of them is the addition of Mary Ann Carmichael to the teaching staff. She teaches math analysis, Alg. II/trig., and geometry. She joins Joe Brown who teaches geometry, drafting and consumer math, and Norman Gibbons who teaches gen. math and Algebra I.

# SCIENCE DEVELOPS THE FUTURE

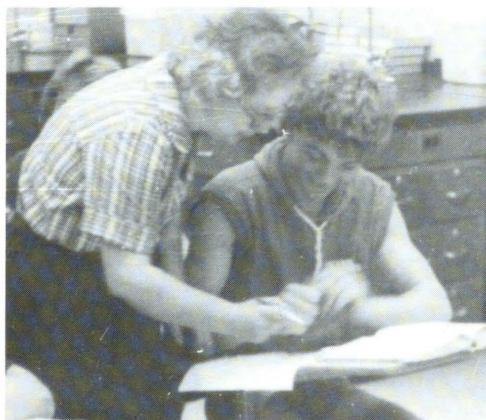

Nina Johnston

Although no new courses of study were added to the science department at East Newton, it is felt by students and teachers alike that more was accomplished in classes offered this year because of the experience gained in previous years. General and physical sciences were offered again as first year courses as were biology and chemistry for those wishing to further their scientific knowledge. And those hoping to pursue a science-oriented career were able to enroll in advanced classes in Physics, chemistry, and biology.

# LET'S GET PHYSICAL

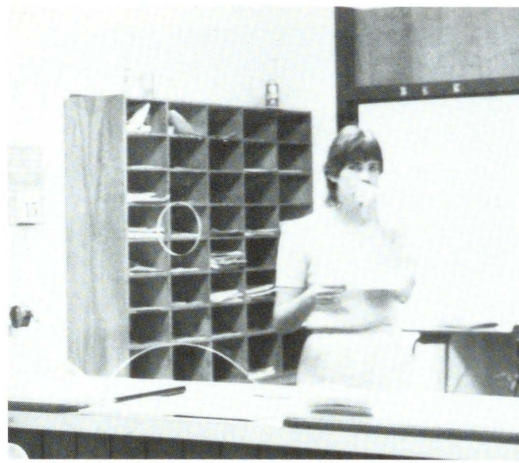

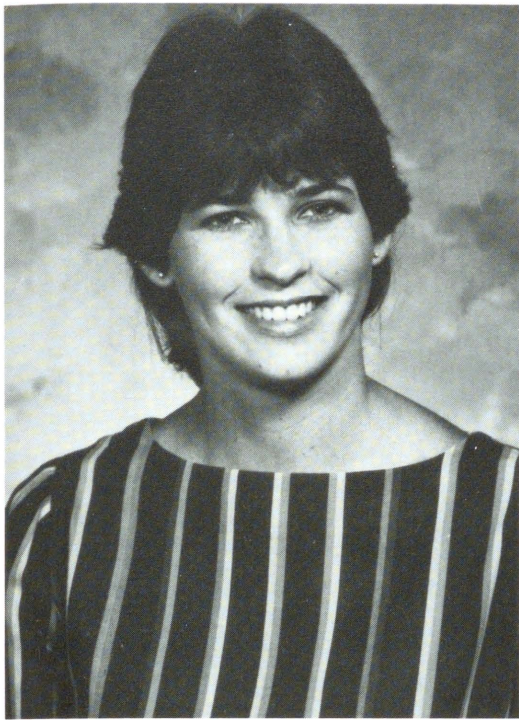

Phil Morgan

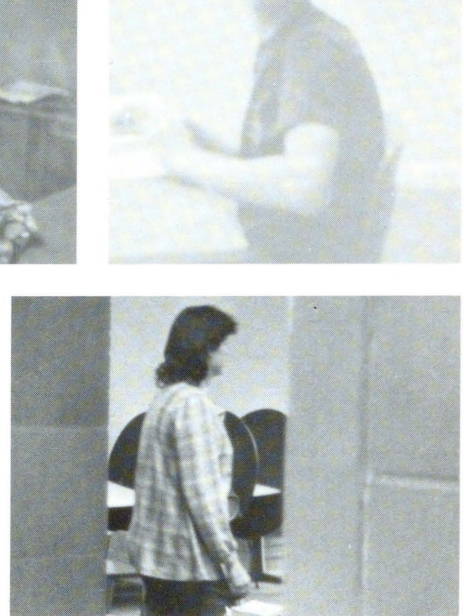

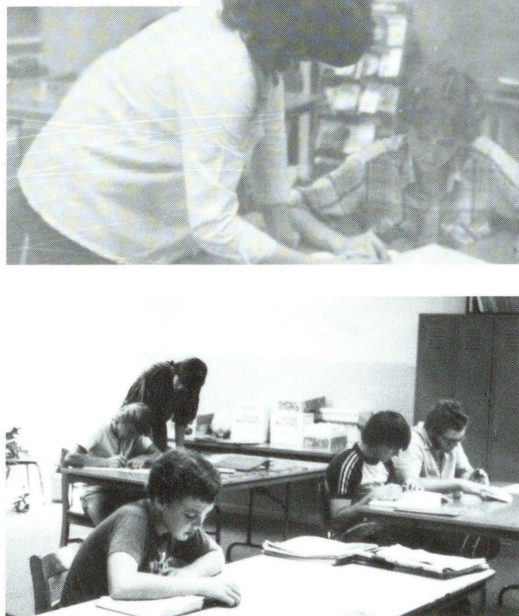

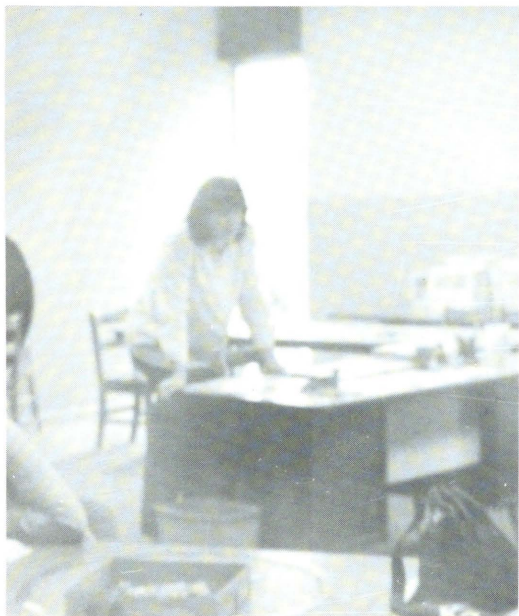

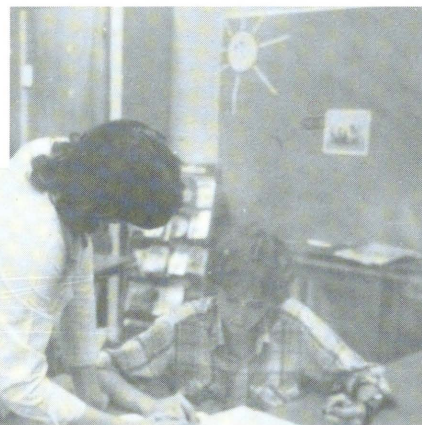

Tim Dade

A new addition to East Newton's faculty this year is Mrs. Rhonda Frazier, who has done an excellent job of teaching students with learning disabilities. Due to her patience and concern, these students have an equal opportunity in the world of education.

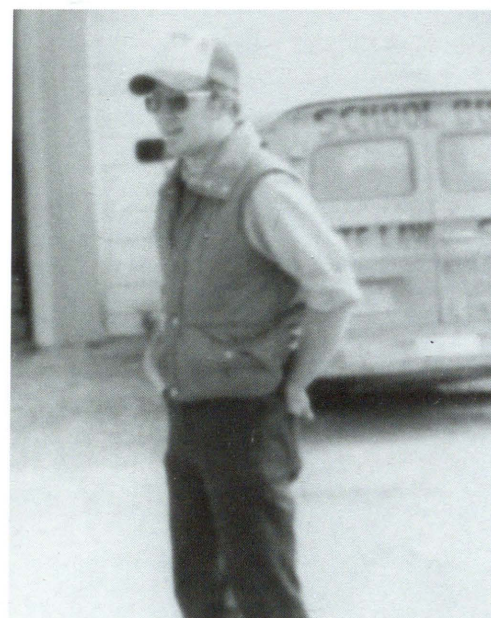

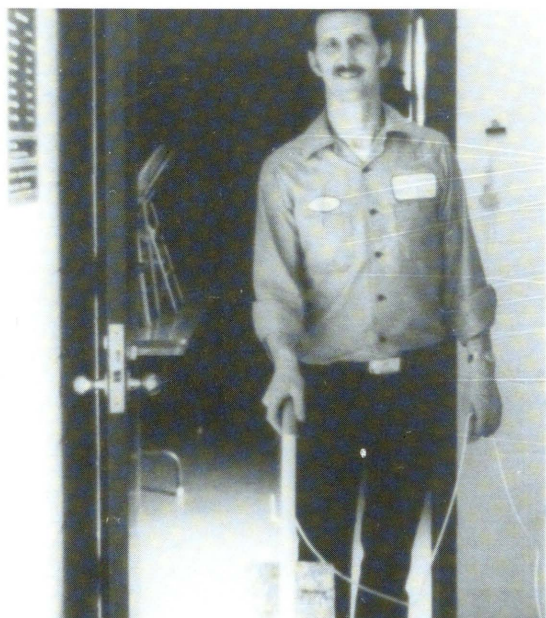

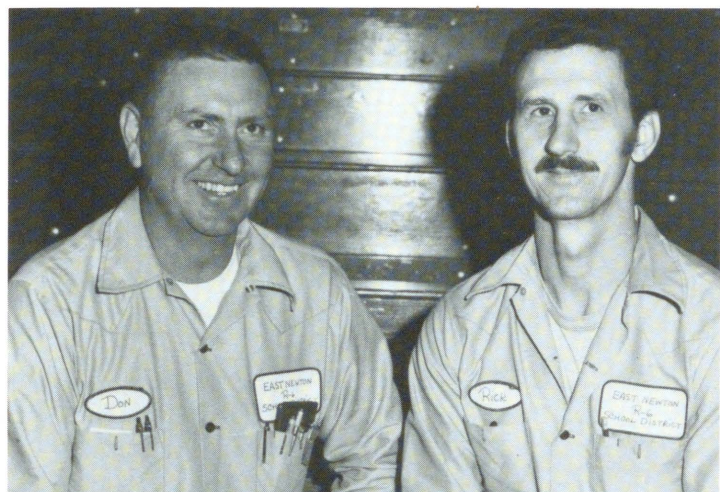

The cooks are a staff of very important people. Each day they plan, prepare, and serve hot nutritious meals for over 400 students and teachers. This is a big job and responsibility. These ladies do a very good job. They are from left to right: May Troxel, Winnie Hayworth, Mary Patterson and Viva Mayfield. Not pic. is Betty Dodson.

# Services Widely Appreciated

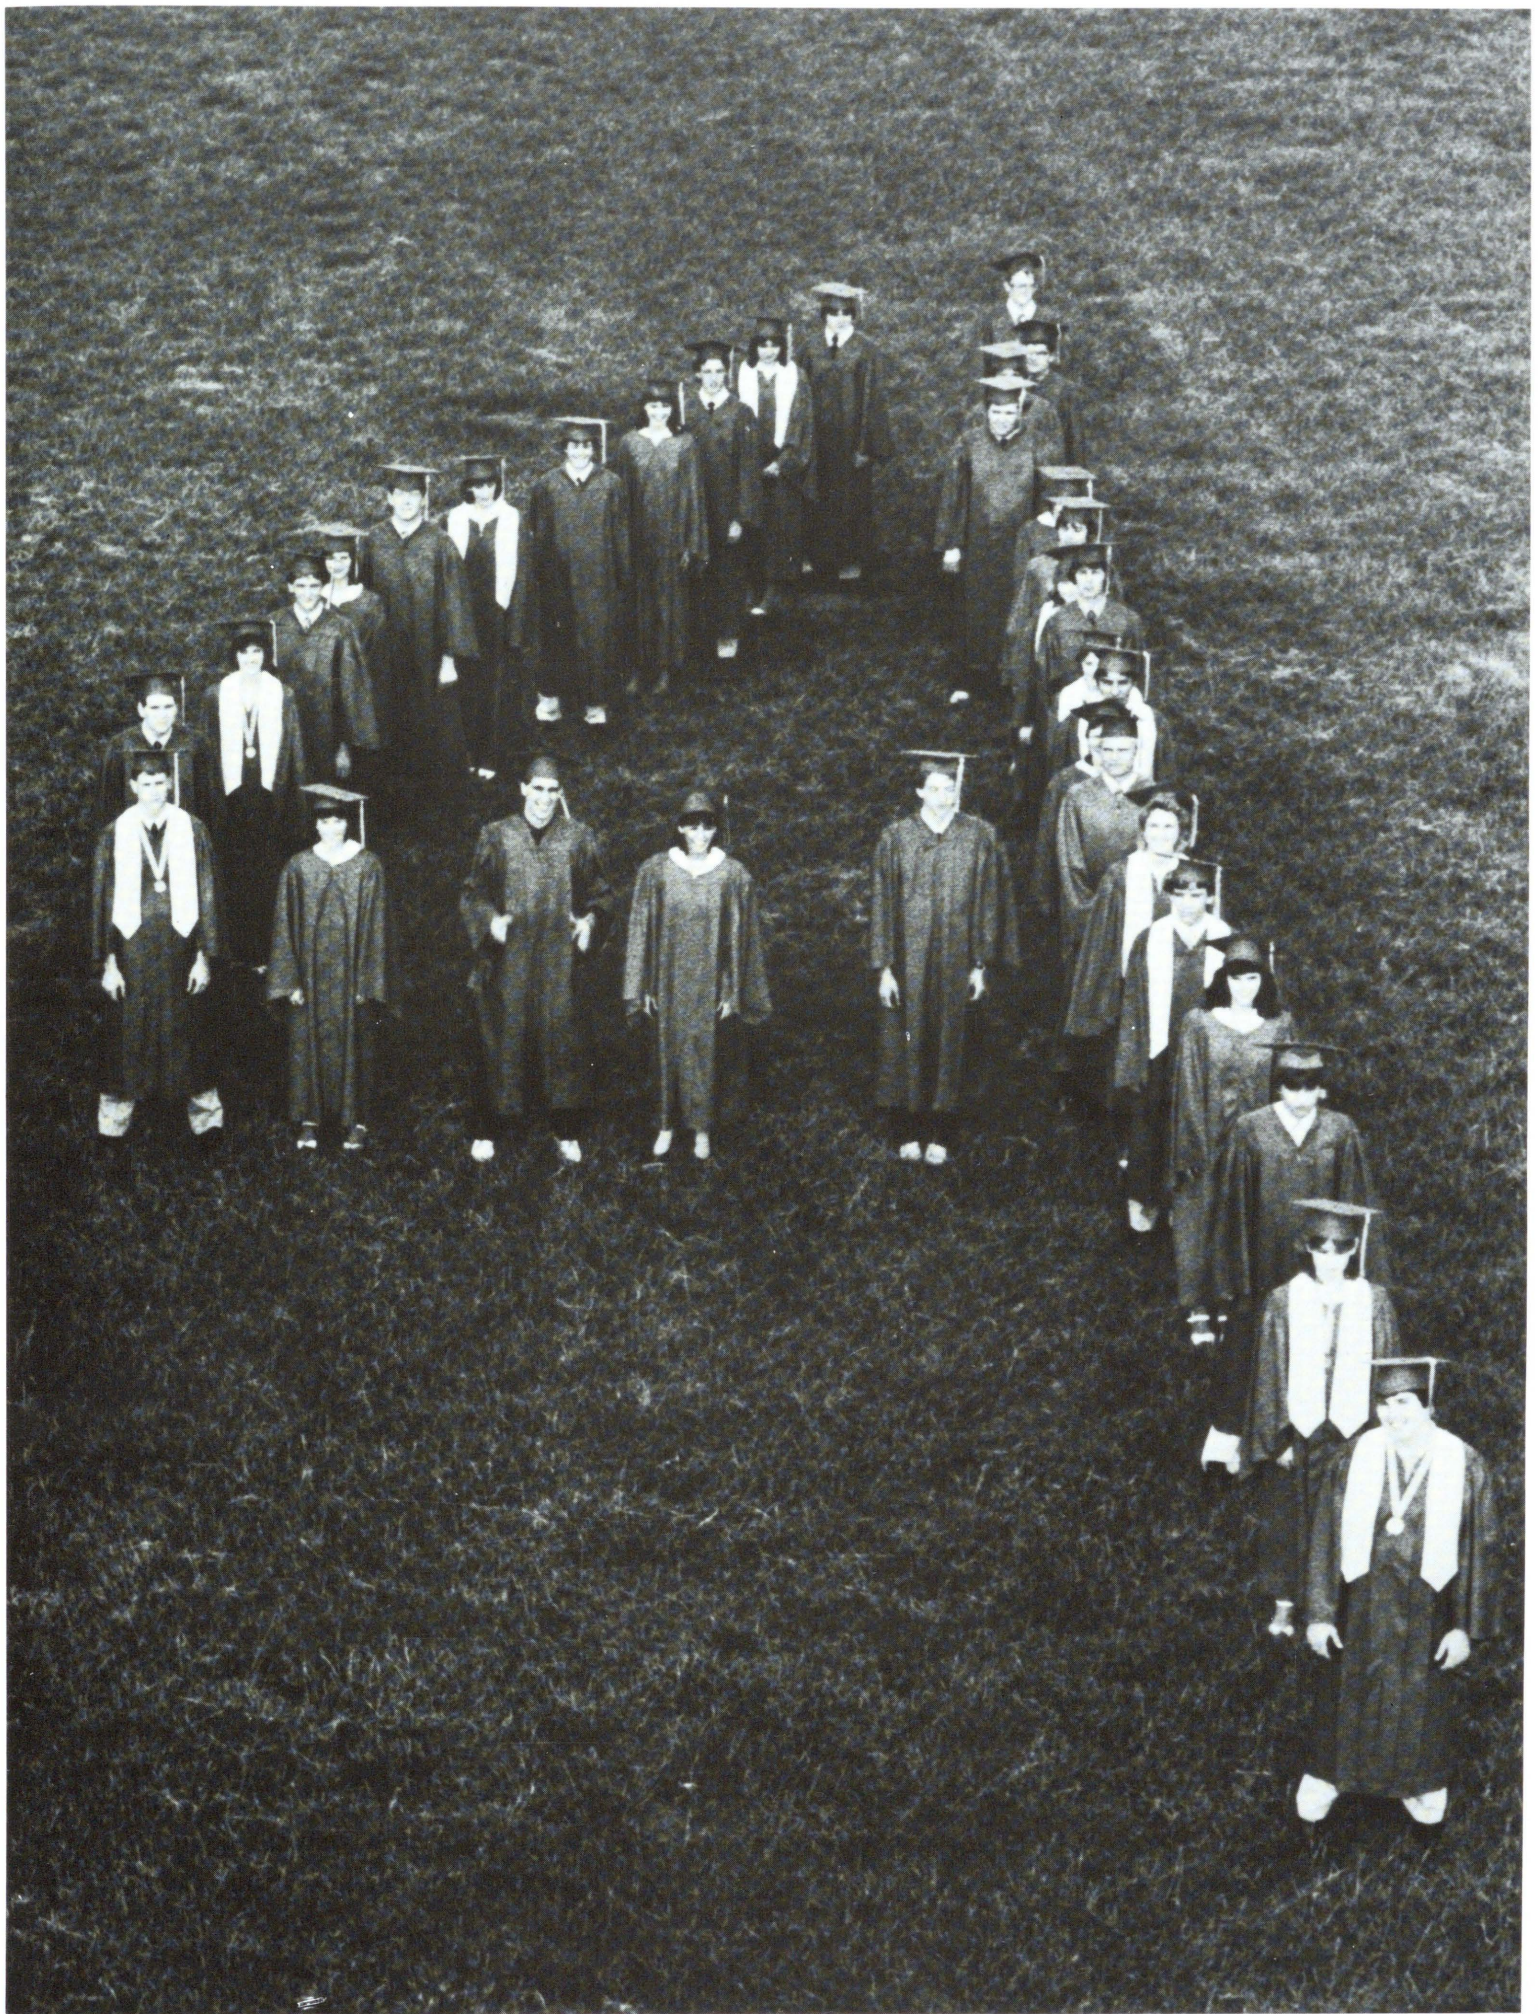

Some of the most important and probably most overlooked people are those who play a vital part in the function of the school. Such are the characteristics of the custodians. Contrary to what some may think, the custodians have one of the hardest jobs in the school. They are dedicated to trying to provide the cleanest, healthiest atmosphere in which to learn. They deserve credit not only for their outstanding work, but also for their interest in the students themselves. These outstanding people are: Rick Shewmake, Ivella Presley, and Don Culp. Also, our mechanics Kerry Stanberry and Roy Turner.

This year the N.H.S. was very active. They set a goal to make enough money to repay a debt and offer a scholarship. This was accomplished by selling tote bags, programs, and raffle tickets. After the debt was paid, there was enough to buy patches and candles and to offer a \$200 scholarship. This scholarship was awarded to Phyllis Evangelista. The N.H.S. could not have done it all without the many active members and their super sponsor, Mrs. Gorham. Congratulations for accomplishing your goal!!!

Nineteen-eighty four was a good year for the East Newton Band. They marched at our home football games and played at several basketball games. They also marched in the Granby and Stella Christmas parades. Their money-making projects consisted of raffling a cake off and having a spaghetti supper. The band attended contests at Miami and MSSC (Missouri Southern State College.) Everyone participating in these contests did a fine job.

This year's all school play was *The Little Dog Laughed* directed by Miss Standefer. It was a delightfully funny comedy of a sophomore psychology major's summer at home. She decides to "straighten out" the family's problems by using her psychology skills. However, things do not go as she planned. The outcome is hilariously unexpected.

Miss Standefer also continued the newly-formed tradition of the One-Act Evening. This year she cast her fourth hour drama students in the plays. The plays were "To Burn a Witch," "Happy Journey," "This Property is Condemned," and "The Nebula of Orion." The plays were presented May 11.

Success came early for us with three straight home victories over Webb City, Mac County, and Cassville. The next two outings proved to be more difficult, as Nevada and Carl Junction beat the Patriots. As the season continued Aurora became our next victim, but again success was short lived with a loss to Seneca. With three games remaining, the squad beat Lamar and Mt. Vernon and lost to Monett. The Patriots finished the season with a conference record of 4-3 and an overall record of 6-4. Team highlights included our rugged ground game lead by David Follett and Mike Scott. Special mention should be made of the offensive line who opened holes throughout the year. David Follett also exhibited his defensive skills with a record setting 22 tackles in the Monett game. All in all the East Newton football squad provided fans with an exciting season. We would like to thank the seniors for their efforts and wish the underclassmen much success in the years to come.

## ***Homecoming 1983***

Homecoming, the event of the year was held on October 21, 1983. Each year the football players choose a girl from each grade to represent their class. This year the candidates are Senior, Nanette Karr; Junior, Theresa Grall; Sophomore, Kelly Heilig; and Freshman, Sabra Hines.

The first time in three years a Junior candidate was crowned queen.

Theresa Grall was bestowed the honor by her escort, Charley Taylor.

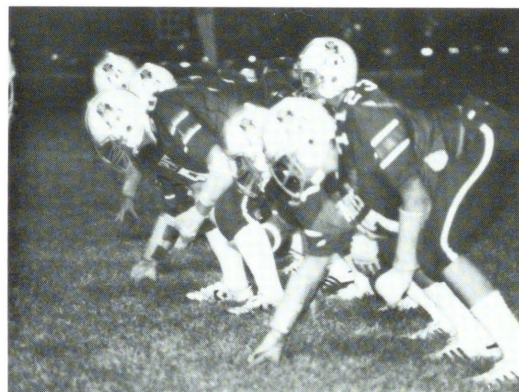

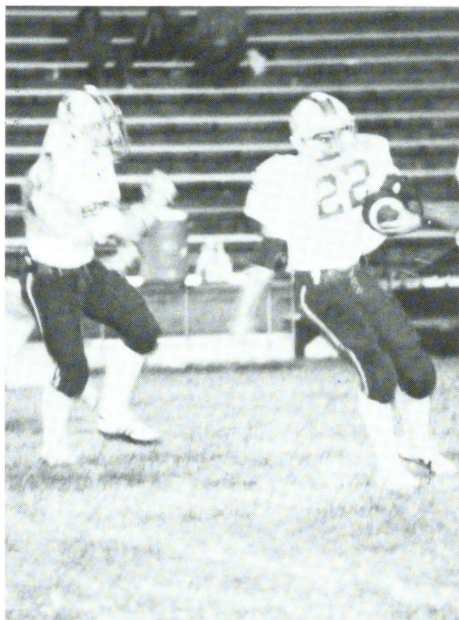

The whole evening was a success, for the game against Lamar was recorded an easy win with the score of 20-6.

## Grapplers' Hard Work Pays Big Rewards

The EN Wrestling Team had a very outstanding year. This was largely due to the five senior members who showed much dedication to the sport and provided leadership for the other members. Highlights for the year were Ken Carney's pin of Kevin Durbin in the Seneca Tournament and Mike Scott taking second at State.

Congratulations to all the wrestlers for a fine season. Good luck next year!!!
