Mrs. Jackie Kenny was raised in Omaha, Nebraska, but moved to Neosho in 1976 and began teaching that year.

She learned her husband's first name, Steve, after their third date (she thought his name was Kenny!) and they married in 1975, later becoming parents to their daughter, Beth, and son, Tim.

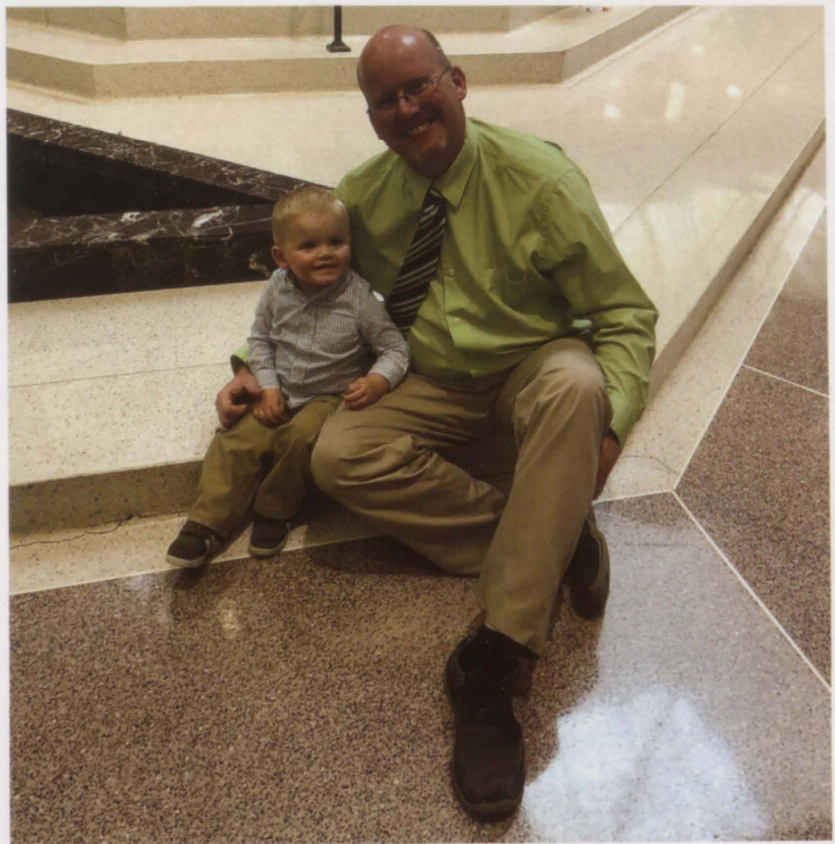

In 2017, Mrs. Kenny won the Lifetime Achievement Award from the Foreign Language Association of Missouri after teaching German and Spanish to students for thirty-eight years.

After being pulled from retirement twice, Mrs. Kenny will finally retire and be regarded as one of the most influential educators Neosho has had the honor of offering to its growing minds.

CHAD THOMAS

&

Mr. Chad Daniel Thomas graduated high school in Coffeyville, Kansas in 1995 as valedictorian. After graduation, he attended Pittsburg State University where he received his teaching degree. Directly following, he began teaching and coaching at Neosho High School where he has been for the last 19 years. At Neosho he met his wife Kacie, and they were married July of 2009. Five years later his son Landon was born on in November of 2014, and his second son Lincoln was born in July of 2016.

MSSU SOPHOMORE DAY

Neosho was invited to Missouri Southern's Sophomore Day, a day for sophomores to experience all the college has to offer. To start the day, the sophomores had a huge dance party, followed by an explanation of the give-aways. To win the give-aways, students had to post a picture of themselves during the day and use the hashtag #mososophomoreday. The students then received a specialized tour of the MSSU Campus; the stops were based on student interest. Each stop included a game or demonstration. For lunch, the students had sandwiches, chips, and a cookie. Once the students had lunch, they finished their tour of the campus. Finally, they went back to the gym and had a closing ceremony in which the prizes were given away. All-in-all, it was a fun and informational day!

(Left) Students play one of the games on their tour

(Below) The sophomores listen to a speech about radiation.

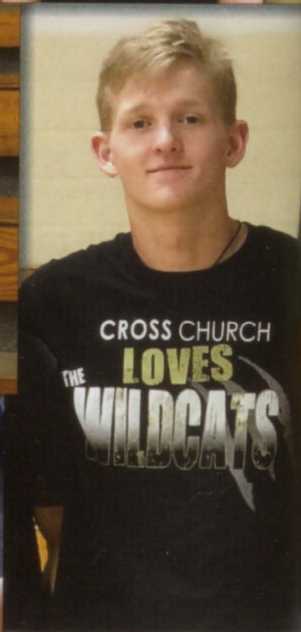

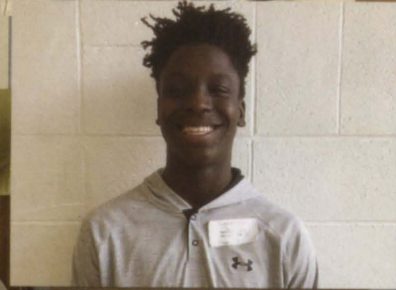

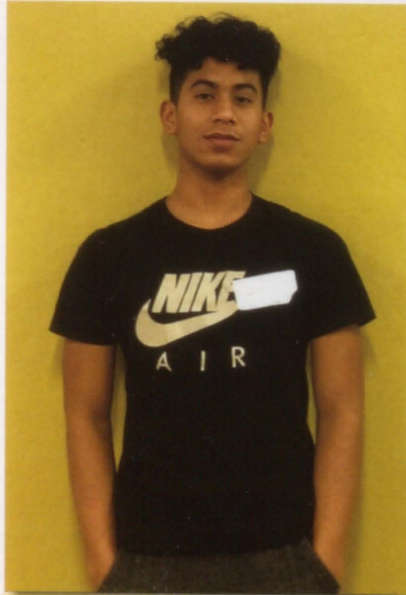

(Left) Gabby McCauley and Hayley Harris take a picture in the MSSU Gym

Students were given nine different options for their Sophomore Day Tour. Each tour was arranged based on student interest. The tour options are provided below.

- Option 1: Teacher Education and Kinesiology
- Option 2: Health and Science
- Option 3: Athletics
- Option 4: Arts
- Option 5: Social Sciences and Communication
- Option 6: Upward Bound, Dual Credit, and Student Housing
- Option 7: Military and Criminal Justice
- Option 8: Science and Emergency Medical Services
- Option 9: Campus Organizations, Environmental Science, and Business

Fun Times!

Nothing is better than being able to forget school work and being able to have fun with friends

Mini-Sections are a way to look back on what you did in school. You can see how much you've changed since then and how you used to dress. But the most important thing is the fun and the memories you made with friends. That is the key: find happiness everything will fall into place. Just be proud that you've made it this far. Stick through that and you can achieve anything with a little bit of positivity.

GOING FOR GOLD

Tori Frazier - Softball

Tori will be attending MSSU to continue her softball career. She started out at the age of 4 playing t-ball and that's where her love for the sport began. Tori says her biggest motivation are her parents and she believes her strength on the field is her ability to find ways to the base.

"It's something about a group of determined and driven girls coming together to work for a common goal is amazing and what makes playing softball so fulfilling."

Adrian Hitchcock - Wrestling

Adrian will be attending Lindenwood University, joining former Neosho wrestler Zach Plummer, to continue his wrestling career. He started the sport at 9 years old and says his biggest motivation is his parents and coaches. He also believes his biggest strength are his famous splits.

"I enjoy being able to work hard and watch it all pay off. I'm nervous, but also eager to move on to the next level and on to bigger and better things."

Joey Williams - Wrestling

Joey will be attending Maryville University to continue his wrestling career. He started wrestling at the of 5 years old and says his biggest motivation is his big brother, Sam Williams, who is also a former Neosho wrestler. Joey says his biggest strength is his faith in God. He believes the rest takes care of itself, so it's not Joey's strength, it's His.

"I feel excited and happy that I got this opportunity to continue to do the sport I love. It's a big blessing to me."

Isaac Johnston - Football

Isaac Johnston will be attending Evangel University to continue his football career. He started playing football at 8 years old. He believes his biggest strength in football is his power and strength. Isaac is looking for new experiences in this opportunity.

"My biggest motivation is this: 'So whether you eat or drink, or whatever you do, do it all for the glory of God.'"
1 Corinthians 10:31

Ashley Weems - Soccer

Ashley Weems will be attending Stephens College to continue her soccer career. She started soccer at the age of 12 and says her biggest motivation is to be successful as a team member because she doesn't want to let the team down. Ashley also thinks her biggest strength is being able to kick long passes accurately and knowing where she is supposed to be at all times.

"I look forward to meeting new people and being apart of another great team that's going to put just as much effort as I am, and learning more things about soccer from different people."

Jarvis Funk - Football

Jarvis Funk will be attending Southwest Baptist University to continue his football career. He started playing football at the age of 9. His biggest motivation has been to make the most of the opportunity, and enjoy it as long as he can. His biggest strength is his work ethic. He tries to set the tone every day and make his teammates better in the process.

"God has blessed me with the opportunity to play the game that I love. Obviously, I can't wait to compete at a higher level, but I also anticipate a fresh start. I'm excited about being involved in a new community and seeing what plans God has for me outside of football."

Remember This?

Jefferson Street Campus

There is going to be a time in your life where you want to look back on things and remember all the great times you had with friends or teachers. So why not look back and have a few laughs and remember the good old days?

Friendship.. Is not something you learn in school. But if you haven't learned the meaning of friendship, you really haven't learned anything.

- Muhammad Ali

Memories

Remember the young days
and think about how far
you've come

Jefferson Street Campus is more than just a school: it's a family.

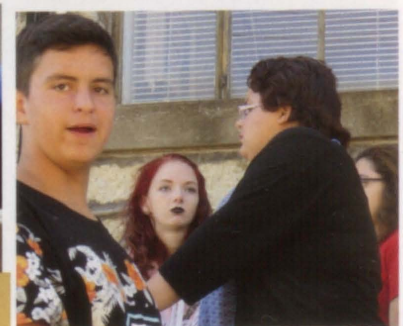

Remember the great teachers
you had

Remember the laughter
you shared

Remember the team work

PRIDE ACTIVITIES

During PRIDE on Tuesdays and Thursdays, students with a Silver or Gold cards can access the snack bar in the Atrium. Slushies are the most popular item.

Other options for Gold and Silver cardholders include classroom enrichment, as well as free time in the cafeteria or gym.

PRIDE TIME

Drafting:

Bronze and Silver card students are drafted to a teacher's classroom for three weeks. Gold card students are not drafted and, therefore, do not have to be in a classroom. Silver card students have to be in a classroom on Monday and Wednesday; they are allowed to travel on Tuesdays and Thursdays.

Work:

When in a PRIDE class, students are expected to work on missing or current assignments. If a student does not have work, he or she is expected to read or study.

When:

PRIDE takes place Monday through Thursday between 6th and 7th hours.

Card Status Requirements:

Gold: A's and B's. Only one absence is permitted for the grading period.

Silver: A's and B's and C's. Two absences are permitted for the grading period.

Bronze: Any grade below a C or more than two absences per grading period.

Gold Card Perks:

Gold card students have the ability to travel during PRIDE, but also are finals exempt (if they have consistently been a Gold card throughout the semester) and have opportunities to have supervised off-campus lunches. They, along with Silver cards, also are entered into a drawing after every grading period.

Track and Field Special Olympics competes in a number of events including throwing, relays, and jumping. Special Olympics is important because it gives students with disabilities a chance to feel important and to shine! Emilee Kivett, a senior volunteer, says she loves working with the kids and see them come out of their shell and shine. She volunteers because she loves to see the faces of the athletes when they receive their medal. It brings her a joy that absolutely nothing can compare too. She would recommend volunteering with Special Olympics because you get to build bonds with people who have the most beautiful personalities and see them grow into wonderful people.

SENIORS

(ABOVE) Emma Hardage is one of the cheer seniors. She has done cheer for three years in high school. Over the years, she has enjoyed creating life-long friendships with all of the girls.

(BELOW) Mariah Welch is a senior cheerleader, and she has done cheer for the majority of her life. She does cheer because it is a get away for her. One tip she has for underclassmen is "Never take anything for granted."

(ABOVE) Brittney Rothwell is a senior cheerleader who has done cheer for 7 years, including all 4 years of high school. She doesn't plan on doing cheer in college but she is very open to opportunities to cheer in the future.

(BELOW) Julia Houk is one of the cheer seniors; she has done cheer for two years. She says that being a cheerleader is the closest you can get to flying without having a machine. Doing cheer later in life is not in her plans. She will definitely be missed.

ORCHESTRA

This year, the Orchestra department took a new approach. The band teachers, Mr. Duffield, Mr. Robertson, Mr. Brown, and Mrs. D.J., stepped up to take over the Orchestra class.

Because these teachers were willing to take over, the program was saved and is thriving. Mr. Duffield, Mr. Robertson, and Mr. Brown have taken care of the Orchestra class very well and the students love them.

TRIVIA

Scholar's Bowl is a trivia competition in which students answer questions for the benefit of the team. Individual scores for correct answers are also taken for an all-tournament individual score placement. Questions typically are in one of the following categories: Math, English, Science, Social Studies, Practical Arts, Physical Education, Pop Culture, and Miscellany.

How to Play:

There are four rounds per game.

Round One: This is a toss-up round, which means that anyone may buzz in and answer the question. If the answer is incorrect, the other team has a chance to answer.

Round Two: The second round is a bonus round, which means that anyone may buzz in for the initial question. If that person answers correctly, then the team has the opportunity to answer the bonus questions together. If the answers are incorrect, the other team has a chance to answer the questions.

Round Three: This is a toss-up round, which means that anyone may buzz in and answer the question. If the answer is incorrect, it rebounds to the other team.

Round Four: Round four is a flashround. This means that the questions are easy but are asked quickly; teams must beat each other to the buzzer.

DD Drum Majors

Miranda Lutes (11th)

One thing I have learned while being a drum major is that being a leader is more than leading one group; it's about working as a team to fulfill one goal.

James McNeill (12th)

Being a drum major this year was something very different. After marching for three years, I felt that I finally knew a majority of what marching band was, but being up on the podium and getting to see everything unfold in front of you is a completely different experience. As a member of the band, you can only see you and those around you, so you never truly get to experience the full effect of what you're doing. As a drum major though, everything is right there. I can also see the whole picture of what they are doing. As a drum major, you also get to know everyone in the band much better than if I had just marched in the trumpet section. That made this year very tough though, because by the end of the season, that band was my family. So when I had to say goodbye to all the fun times we had together, as a band

and as a family, it was not an easy thing to do. I would do it all again in a heartbeat if I was given the opportunity.

Kelsie Matthews

I am so proud of the amazing young woman you have become. Always listen to your kind and caring heart, it will lead you in the right direction. You have already accomplished so much, I can't wait to see what else is ahead for you. You are a wonderful daughter and sister.

Love,
Mom and Payton

It seems like yesterday you were one year old sitting in your baby carrier watching an entire MLB game without making a peep. At two years old, you loved hitting the Little Tikes baseball and running the cardboard bases in the yard. Balancing your grades, sports, family life, building friendships, and church have made you the person you are today. We love you Kaleb Thomas "KT"! We pray you allow God to guide your path and your future.

Love- Your Family

Christina Jacquelyn Vaughan

A little princess-- grown into a pretty young lady
May you never regret a day in your Life:
Good days give you Happiness
Bad days give you experience
Worst days give you lessons
Best days give you memories and
God daily gives strength

Love Always,
PAPA and NANNY and MOM

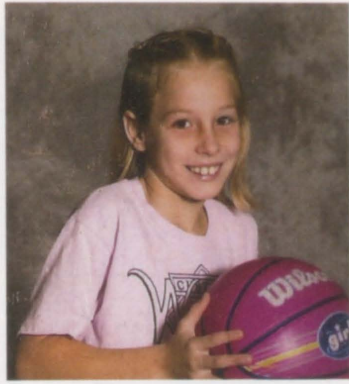

Congratulations, Landon!
The time has passed so quickly. It's been a joy watching you grow through the years. We are very proud of you and your accomplishments. You are a talented young man. Set your sights high and whatever path you may choose you will always have our love and support. You have a great future ahead of you!

Hebrews 11: 6
Jeremiah 29:11

We love you,
Dad, Mom, Lyndsey & your family

Emilee LaNae Kivett,
We can't express how proud of you we are. Over the last few years we have seen you grow both physically and mentally, maturing into a fine young adult. You have earned the right to strut across the stage in your cap and gown to receive your diploma. It is your moment! Cherish it! This is an exciting time, and scary too. The future can be uncertain. Embrace the uncertainty with your fight and perseverance. Go make your mark on this world. Spread your wings-- seek opportunity whenever it calls. Opportunities and obstacles await you, so go, don't worry about home, we know we have your heart. "The world is yours." We can't wait to see how you will shape it. We love you,
Your Family

Dear Julia Houk,
Congratulations! You started with kindergarten graduation, and now you've moved on to high school and your first college graduation! We know these are just the first of many we will be attending to celebrate your outstanding achievements. We are so proud of you! We can't wait to see what God has in store for your future! As your journey continues, remember:
"You must understand the whole of life, not just one little part of it. That is why you must look at the skies, that is why you must sing, and dance, and write poems, and suffer, and understand, for all that is life."
And never forget: WE HOPE YOU DANCE!
All our love,
Mom, Dad, Matt, and the rest of the family who loves you dearly

Brittney Rothwell

Where has the time gone? It seems like yesterday you were starting Kindergarten and now our little girl is all grown up. We are so proud of the young woman you have become. You are smart, beautiful, loving, kind, and caring. We feel so blessed to have you as our daughter. Dream big, work hard, and believe in yourself.

We love you to the moon and back.

Love,

Papa and Memaw Munson

Olivia,

Since the day that you were born you have dazzled us with your many talents. As we set back and reminisce about the woman you have become, all we can do is smile. You have faced every adversity that has come your way with your head held high and have come out stronger on the other side. Once in a while someone amazing comes along, in our family it was you! I cannot believe you are already a senior, time for you to leave the nest. Although I know you have been anxiously awaiting this moment for many years, I am sad to see you leave but I am also at peace because I know in my heart that you are going to accomplish so many great things. We thank God everyday for blessing us with you. We are so proud of you and the choices you have made. Stay focused and keep your eyes on the prize. Never forget how much your family loves you. As your Poppy would say "Make somebody smile today!"

All Our Love,

Mom, Jeff, Mamo, Poppy, and The Rest of the Gang

Cortlyn,

Congratulations!! You made it! I am so proud of
you!

Love you most,

Mom

Lane Camerer,

We can't believe how fast these last 18 years have flown by. It seems like just yesterday you were graduating from Sunshine Corner Preschool and High School graduation was such a long time away, but we blinked and now it's here. We are so proud of you and all you have accomplished over the years. Continue to be you and always look to God for guidance.

We love you!

Mom, Dad, Bret, and Cade

Alex,

Congratulations, baby girl!
We are so proud of you. You
are beautiful inside and out.
Your smile is contagious and
your heart for people is
admirable. We all want to be
as kind as you when we grow
up. Keep following Jesus and
we will just sit back and watch
the great things He has in
store for you. We love you!

Dad, Mom, Maddie and Pete

Angelica,

Congratulations, you made it! We are so proud of
you with all you have accomplished. It was like
yesterday you were learning to crawl, and now
you're off to college. We have had some wonderful
14 years of school. Made so many joyful memories
that will last a lifetime. Now that you're off to
college: study hard, stay focused on God and you
will do great things in life. Your Journey will be
hard but never forget, we are only a phone call
away. Like I always say, "Reach for the stars."

We love you to the moon and back.

Allison,

You will always be our little girl, even though you've grown into an amazing young lady right before our eyes. We are so proud of you and we love you so much!

Love,
Mom and Dad

Brent Olson,

Congratulations on all your accomplishments!! We are VERY proud of you. We have enjoyed watching you grow into an extraordinary young man. Always keep your sense of humor and and who you are. Don't ever change. We have enjoyed watching you on-stage in your plays and theatre. You will always be "Batman" to Matthew for saving him from the couch, and Lilly says good job on your schoolwork. We love you and good luck in all you do and your future endeavors.

Mom, Dad, Taylor, Stacia, Lilly, and Matt

Miss Faye,

Where has the time gone? It seems like yesterday you was running around a little girl singing and dancing and putting on a show for everyone you met. We knew one day you would become the awesome performer you have grown up to become! We are so very proud of you and all of your accomplishments. Do not lose sight of your dreams and goals in life! We will always be right here beside you. Love you forever and always!!

Mom and Dad

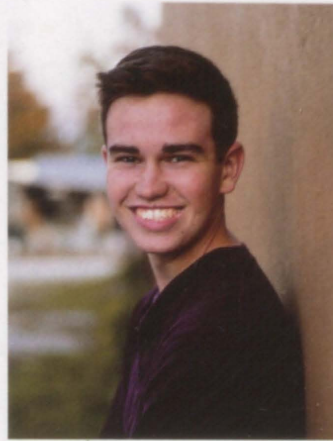

Congratulations Hayden! Our "Hayder Tater"

Where has the time gone? What a wonderful young man you have grown into! We just have one request.....Stay on your path and be who you are because We Believe in You ("Live Life to the Fullest"). You give so much to Everything you do Everyday!

We just want you to know how proud of you we are honey and how much we love you!

Love, Dad, Mom, Austin, Lane, Kyle, Sydni, and Charlee....watching down over his little brother and is SO PROUD OF YOU!!!

Tyler,
We are so proud to be your parents! You inspire and encourage us every day. You are truly one of the most genuine, compassionate men we know. Love, Dad and Mom
Commit to the Lord whatever you do, and He will establish your plans. Proverbs 16:3

Shianne,

Where do I begin? My little princess with such a big heart has grown into a beautiful queen. It doesn't seem possible you're graduating. You have made me so proud. You're so strong. You are my passion and my life. Lean from everything you can. I want you to have the confidence to know your self worth, strength in chasing your dreams, and to always know you are truly, deeply loved. You've grown up to be my best friend. You have brightened our world and made us laugh. We are so proud of you and we love you. Nana is watching from heaven so proudly. Love you to the moon and back.
