Dedicated to the Class of 1970

the life of a student
it awakens
it explores
it plays
it ignores
it bubbles
it tightens
it troubles
it frightens
it mingles
it desires
it catches
it tires
it weakens
it cries
it prays
then dies.

junior high

Knowing that progress can only be accomplished through consent and cooperation of the students, the Junior High chose their Student Council representatives from each home room. The representatives, whose duty it was to convey to the council the ideas of the students, were chosen for one year terms. As their main goal, the Student Council worked towards boosting school spirit in the Junior High.

A chief editor, an artist, and a sports editor were chosen by the members for each class. Each member was responsible for writing articles or poems so that the burden of editing fell on all, not just a few.

Football Homecoming

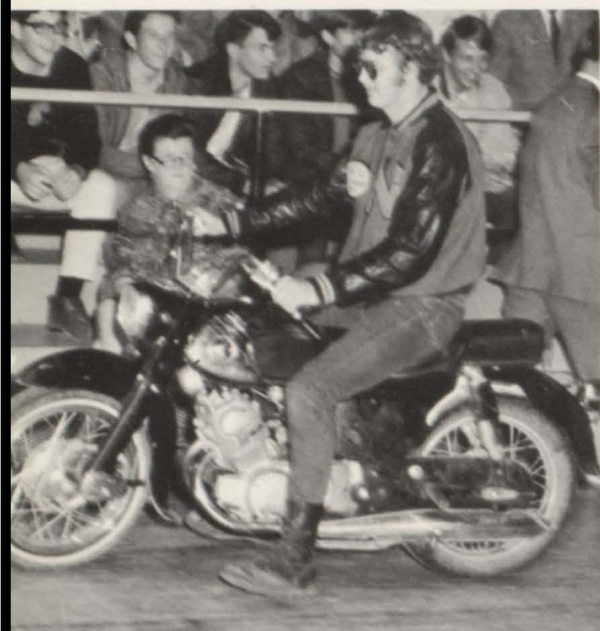

The NHS cheerleaders chose "The Record Breaking Wildcats" as the theme for the 1969 Football Homecoming. Classes planned their skits around ideas of different records. A parade and pep assembly were held and the prize for the best skit was given to the Senior class. Their theme was "The Shape of Things to Come." Homecoming activities were brought to an end with the crowning of Senior, Teresa Baird, 1969 Football Homecoming Queen.

Basketball Homecoming Activities

Beth Francis, Senior, was crowned queen of the 1970 basketball homecoming on February 6. The theme was "The Cats Are On the Move(ies)."
