A SPLASH OF LIFE

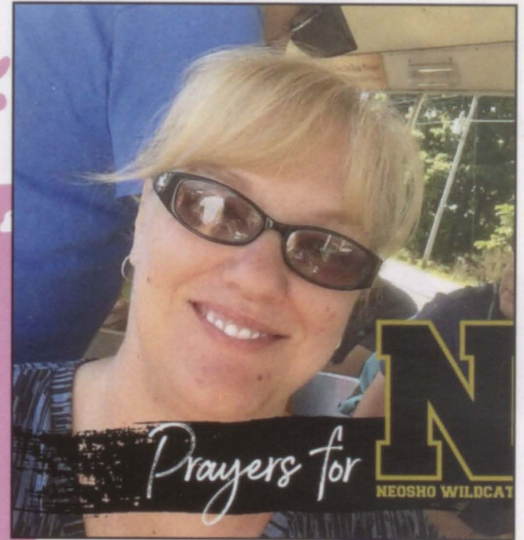

Neosho High School
1,261 Students

Dr. Jim Cummins, Superintendent
Mr. Darren Cook, Principal
Mrs. Karin Miller, Assistant Principal
Dr. Stephanie Morehead, Assistant Principal

511 Neosho Boulevard
Neosho, Missouri 64850

DEDICATION: MS. HOSKINS

"She is a cool and fun teacher." - Kyndall Sutton

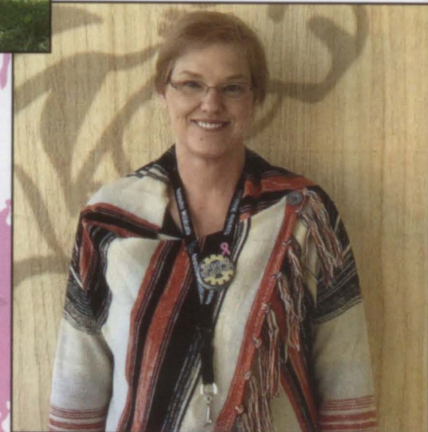

"She's really sweet and she encourages students to get their work done."
- Trinity Stump

"She always tries to help me when it is needed and makes it a very fun and exciting class." -Ivy Sanderson

"She is very helpful when I need it and I really love her."
-Alyssa Wheeler

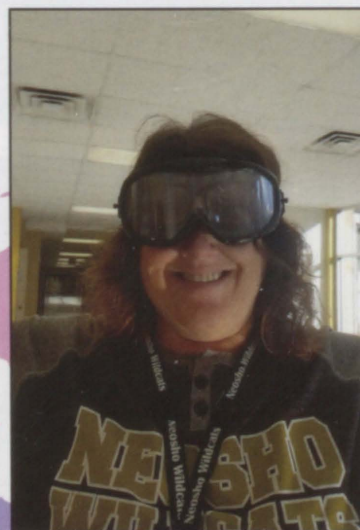

Deana Hoskins has been a teacher at Neosho High School for five years and her favorite thing about being a teacher here is her interactions with students. When I asked her why she loved being a teacher, she said, "I like watching students grow and mature both in their education and socially. It makes my heart happy to see my freshman walk across the stage as seniors and know I had a part of their success."

DEDICATION: MRS. LANDRUM

"She is an amazing teacher and she brightens all of her students' days."

-Trinty Morgan

"I really enjoy how funny and unique she is."

-Madison Calhoun

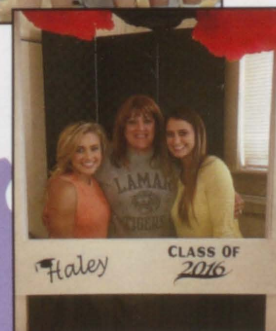

Ann Landrum-
"Welcome to Walmart!"

"She's a coach that strives to make us the best version of ourselves."

- Amber Mutz

Mrs. Ann Landrum is the head volleyball coach and Health teacher at Neosho High School. She has four children and really enjoys strawberry pie. Her favorite things to do is spend time with her family and friends. Once she retires she plans on settling down with her family and enjoying the rest of her life. She is a very good role model for students to look up to and makes learning fun for all of her students; even students outside her class love to stop by and say "Hi."

PAINT THE HILL

(Left) The seniors race for the best spot.

Every year, the graduating seniors partake in the traditional event called "Paint The Hill." These seniors paint over last year's painted hill and add their own design to the hill. They are leaving their marks on Neosho before leaving high school.

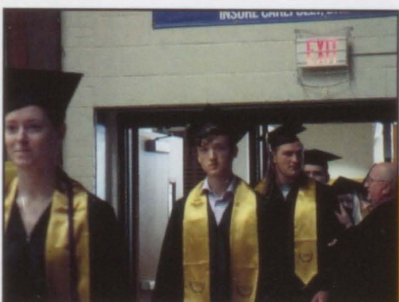

PIGMENTED PALS

SENIOR ASSEMBLY

(Above) Seniors receive awards from faculty and staff. The Yearbook Dedication Award is given to Mrs. Landrum and Mrs. Hoskins.

(Below) Seniors enter and take their seats at the assembly while the band and choir perform. Juniors also take their place as the new 2020 Seniors

PROJECT GRADUATION

At Project Graduation, recently-graduated seniors take a field trip after graduation and spend one last night, often until 5am, as a group and make a few more memories before they leave high school.

This year's Project Grad was held at the Monett YMCA

NEXT LEVEL ATHLETES

Madison Flynn is continuing her academic and athletic career at Missouri Southern State University. She is going to study Early Childhood Education. Also, she is going to be joining the Track and Field team.

"One thing I am going to miss about NHS track is the coaches and friends I have made. The coaches continually show support to me and every event I do."

Brett Cook chose to go to Northwest because of their winning culture and because the MIAA is a really competitive division of baseball. College baseball has always been a dream to him and he wants to fulfill it. Brett is going to miss all the friendships and relationships he has made over the years.

Taylor and Kennedy Lamp both signed for Coffeyville Community College

Tre Letts is choosing to go to the University of Central Missouri. He loves how the college feels like home and loves how the guys there are like his brothers. Tre is going further in his football career since he loves it and it helps him pay for college. Tre is undecided on what to study in college. One thing Tre will miss about high school athletics is the loud crowds when the team makes a big play.

Jared Stephens chose State Fair Community College because he liked the coaching staff and he believes that they will develop his skills greatly. Jared has always loved baseball and it has always been his dream to play in college. He will be studying Pre-Engineering in college. One thing he will miss about high school baseball is his teammates, as he has been playing alongside them for four years.

Brooklyn Hughes signed to play for Missouri Southern State University.

Braxton Barnes plans on continuing his wrestling and academic career at Mizzou. He is going to study Business Administration and Broadcast Journalism. Wrestling has been a lifestyle for Braxton and he can't imagine wrestling not being a part of his life. Braxton will miss how Coach Phillips built a wrestling legacy and how he made the team a family.

Congratulations Wildcats!

SENIOR ADS

Gage Andrew Roberts.

We are proud of the talented and compassionate young man that you have become. It seems like you grew up in the blink of an eye. God has blessed us with you. Dream BIG, reach high, appreciate every blessing big or small, and never forget that God gave you them all. We can't wait to see all the things you do. Thank you for being YOU.

Love,
Mom, Dad, and Lyndsey

Briley.

It seems like yesterday we were dropping you off at Kindergarten. Now you are all grown up and making your own path in the world. We are so proud of you! We will ALWAYS be your biggest fans and can't wait to see where life takes you. Don't be afraid to chase your dreams baby girl.

Love you always, Dad, Mom, Lindsey, and Dakota

Christen Nichole Storms

We are so proud of you. Spread your wings and be a light to the world. Love always, your family

"I can do all things through Christ who strengthens me.
Philippians 4:13

Catie-

You have been one of the greatest blessings of my life. You are beautiful and amazing and I am so lucky to get to be your mom. I pray you use the light of Christ that is in you to find your path of life's journey. Stay true to your heart. Always believe in yourself. Enjoy every single day. Love unconditionally. You already make me proud.

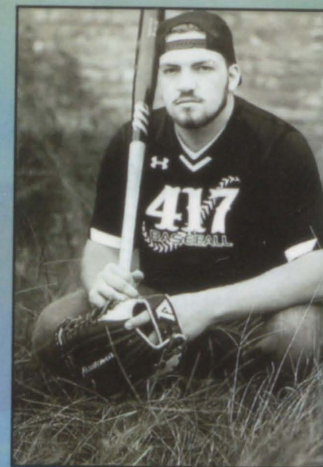

Love you forever!

Mom

Brett Nathaniel Cook

You are the answer to our prayers—a true gift from God. The years have flown by and we cannot believe that it is time for our sweet, baby boy to graduate. You have brought us so much joy and God has great plans for your life if you seek Him in all that you do. You have worked hard for your next adventure. As you enter the next phase of your education, remember to continue to work hard and stay focused. Always know that we love you so much and we will always be here for you.

Love, Mom, Dad, and Brock

Congratulations, Gabe!

We are so proud of you, your accomplishments, and the strong, confident, young woman you have become. You are such a blessing to us, your family, and everyone who truly knows you. Even though you have grown into a beautiful young adult, you will forever be our little thumb-sucking princess. We love you!

Mom and Dad

Dear Kyle,

Congratulations Kyle! We are ALL so proud of you! You have always had a big heart and a huge passion to succeed at and finish everything you start. You are a kind, smart, and exceptional young man! Traveling on a path of success since you were just a little boy. You continue to amaze all of us with your personal strength and a strong desire to stay on your path no matter what. You are a leader, Kyle, and we are behind you ALL THE WAY!

We love you,

Dad, Mom, Cameron, Austin, Lane, Hayden, and Chanler watching you from Heaven, so proud of his baby brother! Sydni and Cosmo, too!

Carson William Craig, our baby.

This has gone by so fast. Can't wait to see what the future holds for you. We are proud of you and love you all there is!

Mom and Dad

HEALTHCARE CAREER FAIR

Juniors who are interested in a career in the medical field were given the opportunity to participate in a Healthcare Career Fair. The event was hosted by Missouri Southern State University and allowed students to learn more about the field from medical professionals.

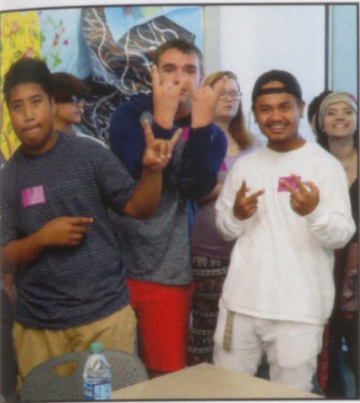

SOPHOMORE DAY

The sophomore class took a trip to Missouri Southern State University to participate in Sophomore Day. Sophomores toured the campus and heard from professors or student representatives in each area of interest. Stops and talks included sports, Fine Arts, the medical field, Criminal Justice, Financial Aid, and Admissions, just to name a few.

Sophomores were able to do activities during Sophomore Day. At the Teacher Education stop, the students had fun playing dominoes. They also played other fun games with the Kinesiology department.

CADE
CRADDUCK

Cade Cradduck has played basketball for 12 years. He plays basketball for the competitive nature and he is good at it. His favorite memory is just the feeling when he gets out on the floor and plays. Basketball has taught him to love every moment and to enjoy life.

COLE SEWARD

KADEN
KING

Kaden King has played four years of high school basketball. If he could give some advice to an underclassmen it would be to love the struggle and don't try to "survive" a season. His favorite moment leading his team in scoring at the East Newton Homecoming game.

Cole Seward has played four years of high school basketball. He plays for his love of the game. His favorite memory was hitting the game winner against Willard for a senior night win.

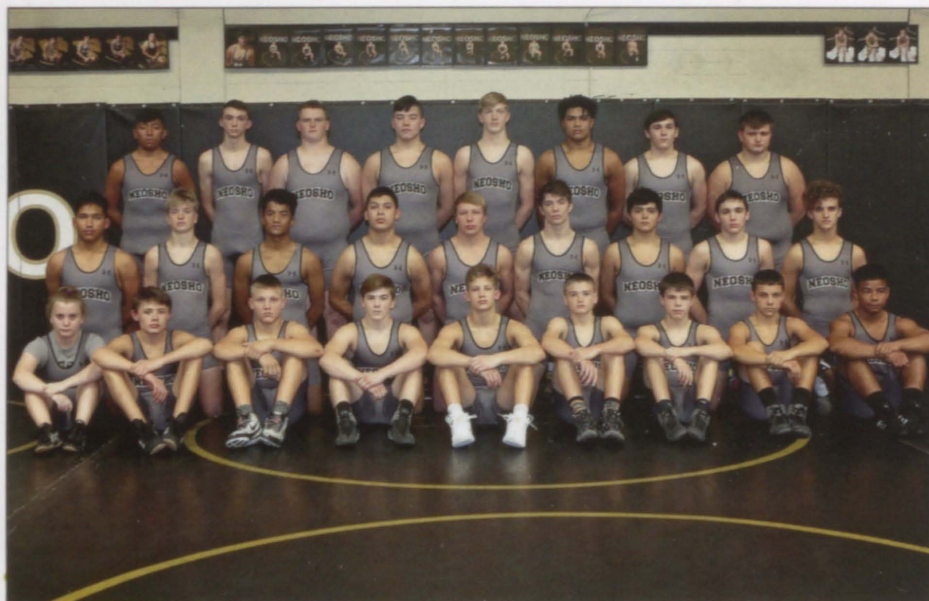

(Left)
Sam Cook, Mason Gammons, and Quincey Willis take a small break as Cassville shoots a free throw.

The Neosho Boys Basketball team is coached by Zane Culp and assisted by Coach Tee Helsel. The team had a very successful season this year by reaching the District Championship game for the first time in 17 years. The team was lead by all five seniors: Cade Cradduck, Cole Seward, Kaden King, Derrick Ferguson, and A.C. Marion. All had amazing seasons and finished their high school career with a great season.

Senior Braxton Barnes has been wrestling for 10 years. He began his wrestling career when his dad put him in the sport. One person Braxton has always looked up to is Jordan Burroughs. He is the best wrestler in the world and his offensive attacks are lethal. His best memory throughout his years in wrestling is winning the team a state title in 2017. Braxton has this to say to his wrestling team and those upcoming wrestlers: "It's short. Don't take these opportunities for granted because one day you're going to look back on them and wish they were still here."

Senior Alec Rothman has been wrestling for nine years. He began his career in 4th grade and has always looked up to his past teammates and upperclassmen. His best memory throughout his years in wrestling was when he had to get a mandatory haircut at MO duels, courtesy of Adrian Hitchcock who only knows how to give a bowl cut. Alec says to those upcoming wrestlers and those who continue in the sport, "Take pride in being a Neosho wrestler. Only the toughest in the school can take on this sport and stick with it. Remember to learn from your losses. It took me so long to figure that out and when I did it made me better in wrestling and in life. I'll miss you guys and I am thankful for all of the memories you've given me to look back on forever."

The Neosho Wildcats Wrestling team is coached by Mr. Jeremy Phillips and works hard to achieve excellence.

COMPETITION CHEER

The 2018 - 2019 cheer season was one to remember: the majority of the team consisted of freshmen and there was a new coaching staff. The Competition team went to Regionals in Kansas City on November 4th, and they placed 3rd out of 5 teams. Placing third advanced them to State in St. Louis on December 3rd. At State, they had to readjust the routine due to injuries and placed 5th out of 10 teams. This was a tremendous win for them because they were seated 6th going into State, and they went up a place. The NHS Competition Team did AMAZING this year and we can't wait to see what is to come!

FALL BLOOD DRIVE

Life is sweet...
give blood.

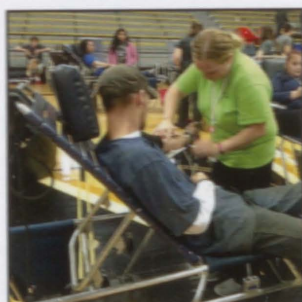

(Right) Mr. Thomas and the head of The Community Blood Center of the Ozarks

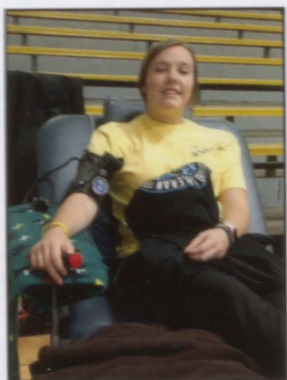

This year, the annual blood drive had a big turnout. Several students came to the gymnasium on October 15th. The Community Blood Center of the Ozarks came to take the blood donated by volunteers. The Honors Society, ran by Mrs. Sherwood and Mr. Thomas, helped the blood drive run smoothly and organized the students who came to donate their blood.

NEOSHO ROBOTICS

The Neosho Robotics Club participated in a competition this year where they had to create and program a robot that can

ride across a 2x4 platform hoisted in the air. The robot should also be able to take trash out of spinning gyros.

COMPETITION

CROWDER COLLEGE

ENGINEERING DAY

The 2018-19 year Robotics Club went to the Crowder College Engineering Day. The Robotics Club signed up for 7 events. Although they did not take any places, it was an experience they can keep with them.

PRESIDENTIAL FIGURES

PRESIDENT

MADISON CALHOUN 10TH

"I had a lot of fun being president and I hope I can do it again next year. It was really exciting trying to motivate people into wanting to learn about science. But robotics isn't just making robots and paper airplanes, fighting with pieces of scrap wood and paint; it's a family and it's a lot of fun, even though it is definitely serious sometimes. The stress leading up to competitions gets compensated by the fun we have in the hotel the night before and at our favorite Chinese place that we go to every year."

VICE PRESIDENT

MIKEY BARNES 12TH

"Being Vice President of our Neosho Robotics Club has been a challenging albeit, easy job. I was the go-to person for everyone. As Vice President, I was one among the people with the most experience. Vice President is a fun role in the Robotics Club, but you do have quite a lot of responsibilities. I was the second in command to the President, of course, so I had a lot of leadership opportunities. People could come to me if they had questions, but I also took the time to be a part of everything in our club. We run our club with several divisions to tackle many problems at once, and I was a part of them all."

"Being drum major has taught me how to be a better leader, and I have loved every second of it. While this role requires a significant amount of hard work and responsibility, I love music. By conducting the band this year, I have become all the more dedicated to my passion. There is nothing quite like standing in front of a group of musicians and watching their talent grow day by day. I am so proud of this year's marching band, and the fact that I am a part of a group of such kind-hearted, hardworking individuals and directors who do anything they can to help us grow."

"Being Drum Major for our band has been one of the greatest things I have done. This is my second year, and both years I have formed bonds with so many people. I'll admit that being in the marching band isn't for everybody: it's long days, early mornings, sunburns, and colds. It's blood, sweat, and tears, but I wouldn't take back my past four years. It's my Senior year and so far it's the best. Everyday I wake up and get ready for the day, I remember, as cheesy as it is, to have Pride. To keep shoulders back, chin up, and my eyes always with pride."

"Being a Drum Major in the Marching Band was a unique and wonderful experience. I am very grateful for the people I have met and the relationships I have created because they will last a lifetime. My senior year was filled with happy memories, good friends, and rockin' music."

CONCERT

This year, the Concert Band and the Symphonic Band played together as one group for the Christmas Concert.

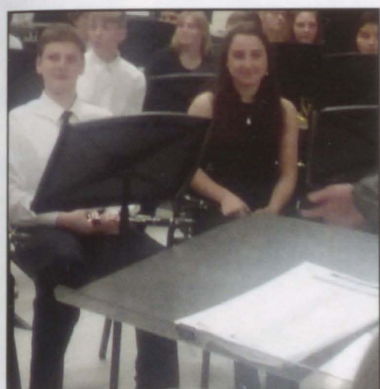

The band also put on an event called Pasta and Jazz. (Above) Band members serve the attendees pasta.

The songs they played this year were "Ukrainian Bell Carol," "Still, Still, Still," and "Russian Dance from *The Nutcracker*."

Future Farmers of America (FFA) Greenhands took a trip to Missouri State University. They participated in the District Greenhand Conference and had a hands-on FFA experience.

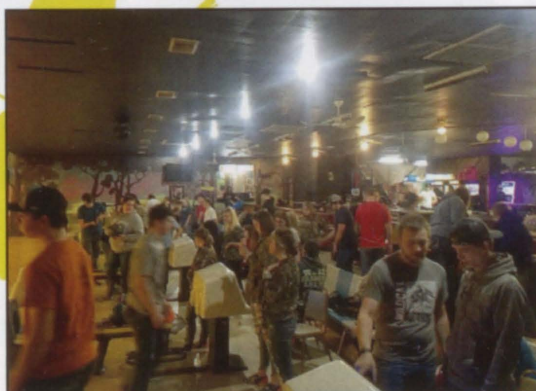

Future Farmers of America (FFA) is an opportunity for students interested in agriculture to learn more about the topic. They also have opportunities to experience their passion first-hand.

During FFA Week, guest speakers came in to talk to the agriculture classes. They talked to the students about different agricultural careers.

FFA had a "Muddy Truck and Tractor Day" for FFA Week, where students brought their muddied tractors and trucks to school.

(Above) FFA hosted a bowling night at Edgewood Bowl, where students were able to enjoy their evening.

FFA hosted their Annual Businessman's Breakfast to end FFA week.

(Above) FFA Students wore their FFA shirts as part of FFA Week. They showed their appreciation for teachers by delivering cherry tarts to them.

To be a Student of the Month, students have to be nominated by a teacher; they are then eligible to be Student of the Year, in which all the teachers in the school vote for one student out of the Students of the Month. Being Student of the Month is an achievement all of these students can be proud of.
