The Time

Has Come

As far back as anyone can remember, we have always been told, "Wait until next year, then things will be great." In eighth grade, we were no longer Middle Schoolers. In ninth grade, we finally got a name, Freshmen! As Sophomores we watched as our friends turned "Sweet 16" and waited with anticipation until the day we got our driver's license. Our Junior year we came to the realization of how far we had come, and we only had one year to go. Then before we could catch our breaths, we were in our caps and gowns, receiving our diplomas. Our Senior year had come, and we vowed to make it the best year ever. Now there is no one saying, "Wait until next year." Seniors, your **Time Has Come**, and it will be etched not only into the pages of this yearbook, but in the hearts and minds of many for years to come.

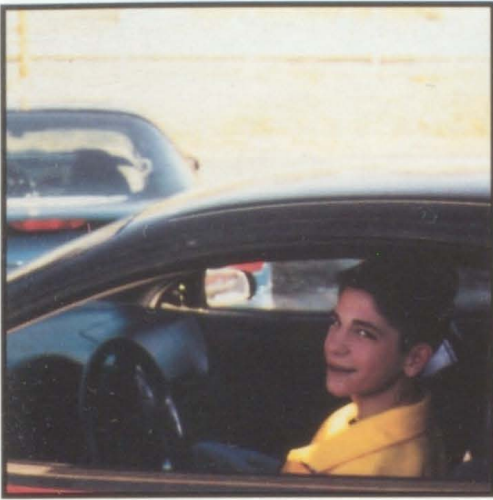

Below: What is one thing that Devon Burch, Michelle Henton, J.J. Spicer and Tina Bradford love about being Sophomores? Spirit Week!

Above: Jason Deffenbaugh, Samantha Anders, and Brandon Tate could not wait until their Senior year to take Advanced Foods. Who wouldn't like a class that required eating food for a grade?

Below: Juniors Cody White, Ken Albious, T.J. Hunt, Tyler Wilson, Chuck Bock, Charles St. Louis, and Ben Estes are counting down the minutes until their Senior year!

Above: Now that Cody VanDorn is a Sophomore, he finally gets to drive to school! Too bad he has to use the Sophomore lot.

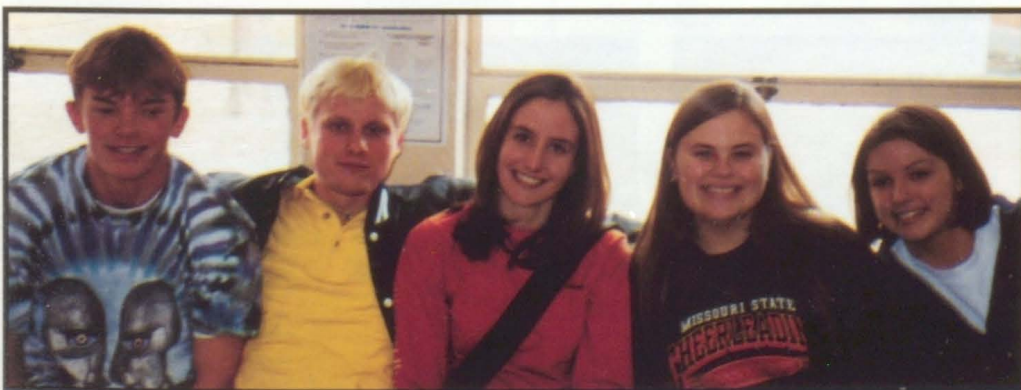

Above: These freshmen are excited to finally have a title! First row: R. Scroggins, C. Luke, T. McDonald, A. Patterson, H. Earnshaw, and L. McCammon. Second row: G. Piersol, M. Muncy, C. Writer, and R. Ross. Third row: T. Hanke, J. Britten, D. Martin, and M. Henry.

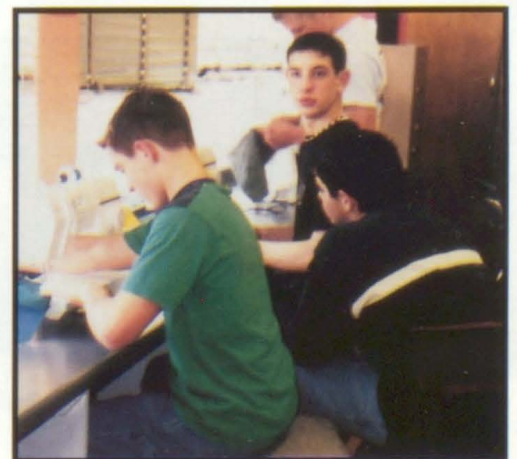

Above: Nina Spicer, Ari Moreno, Jessica Collins, and Melissa Guthrie are proud of the fact that they are Seniors, and they let everyone know it.

Above: J. Jeffers, L. McCormack, J. Self, J. Lane, J. Bright, T. Crowder, and L. Brown are glad to be in 8th grade at the Jr. High.

Above: Maybe the best thing about being a Senior are the friendships that have been formed through the years. On the Bench: Sean Cooper, James Keezer, Kelly Beale, Cristin Smith, and Jesseca Freese.

Below: C. Vandorn is sewing carefully in 8th grade Home Ec. as D. Sarratt and J. Jones look on.

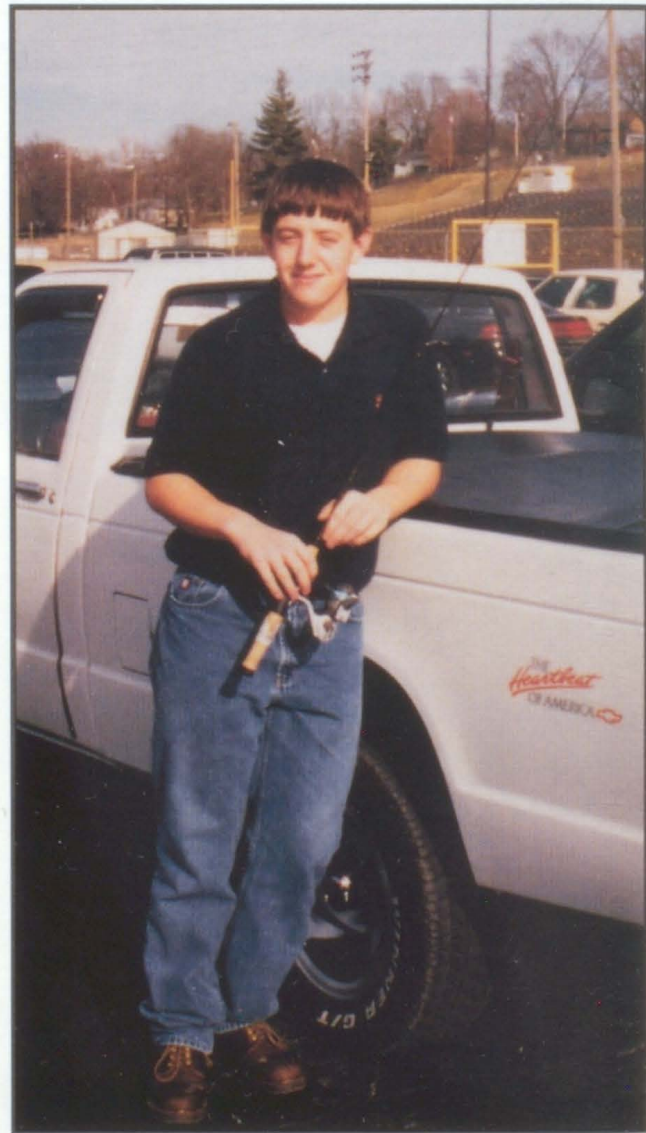

FREE TIME

What do you like to do in your **Free Time**? Where do you like to go on vacation? Each year the yearbook covers school activities from day to day class work, to clubs, to the Friday night games. Kids our age do more than just work, raise money, cheer, and play sports. Many students are so busy with school that they forget to have fun. Some time in that busy schedule they need time to relax and have some fun. We have talked to Neosho High School students to find out what they like to do in their free time.

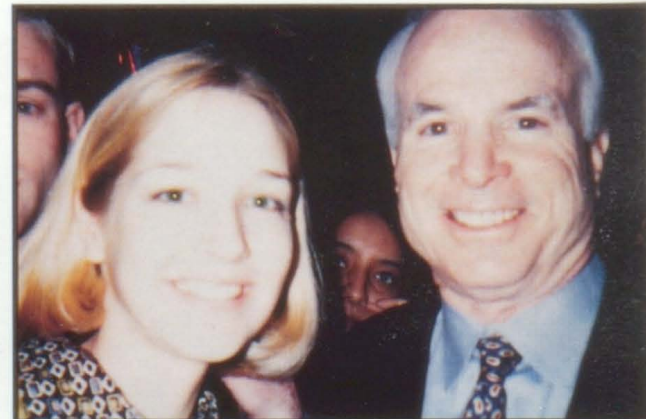

What does Senior Tim Kenny like to do on a Saturday afternoon? Watch a movie with his girlfriend, Junior Lindsey Barnes.

When Cody White, Junior, wants to take a break from the pressures of school, he takes off in his truck for a day of fishing in the sun.

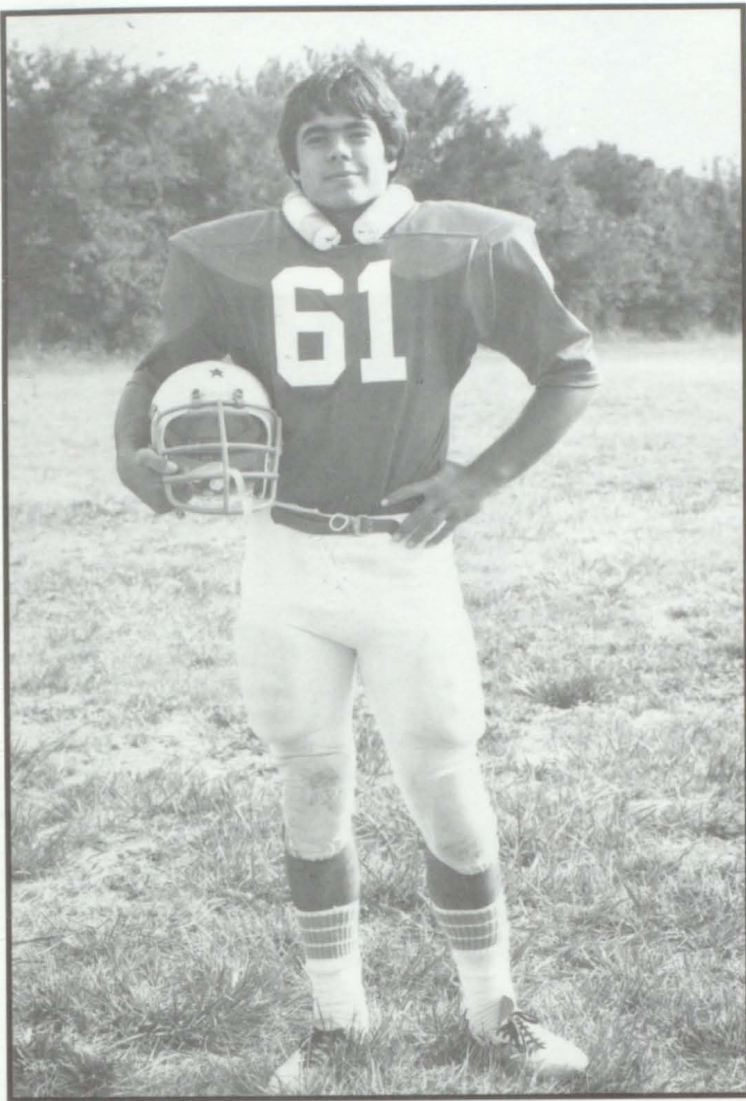

With her tiring schedule, Cassie Kinnear, Junior, cannot help from falling asleep on the junior benches.

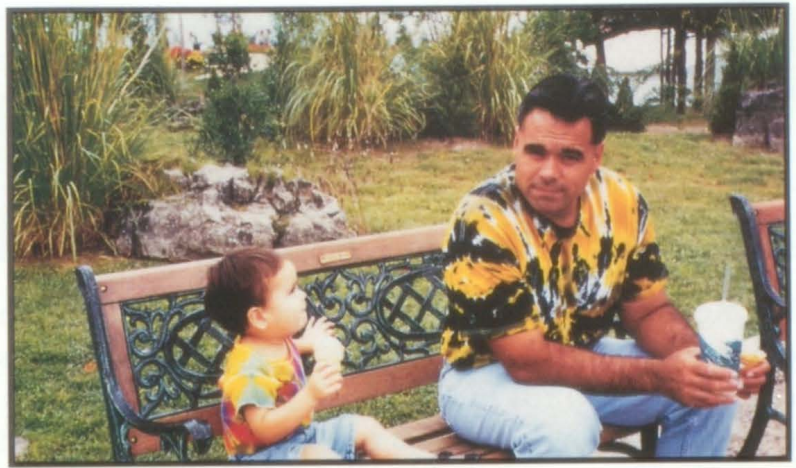

In her free time, Senior Beth Kenny enjoys meeting with presidential candidates, such as Senator John McCain.

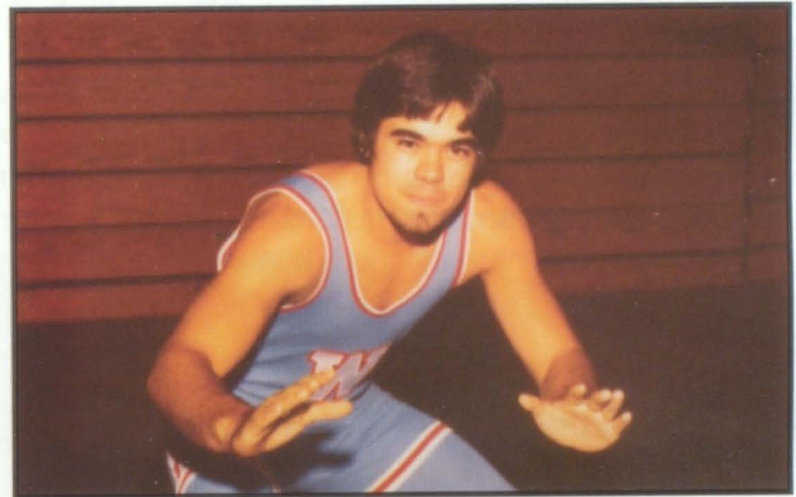

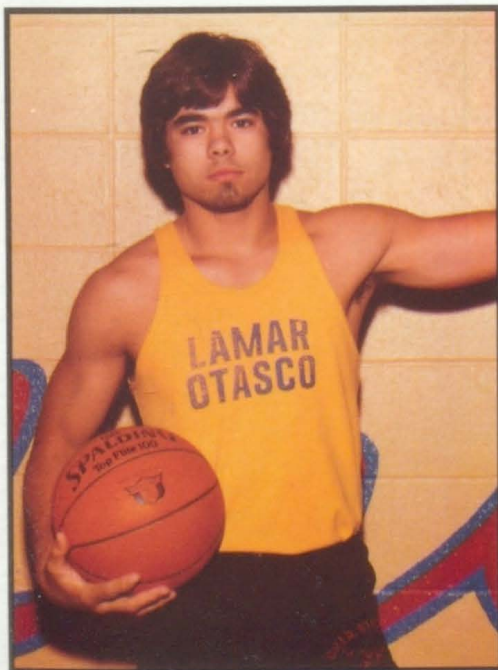

Dressed up and ready for action, Mr. Espinosa loved to play football on his high school football team.

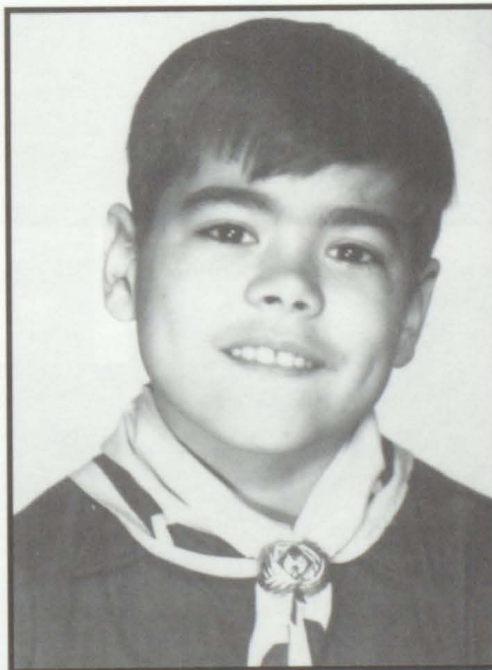

Mr. Espinosa is very colorful sitting with his son Kolton eating ice cream on a family trip to Branson

Mr. Espinosa tries to appear intimidating in his high school wrestling uniform.

Even though Mr. Espinosa didn't play basketball on the high school team, he loved to play in his free time.

Mr. Espinosa enjoyed being active in his local Boy Scout group.

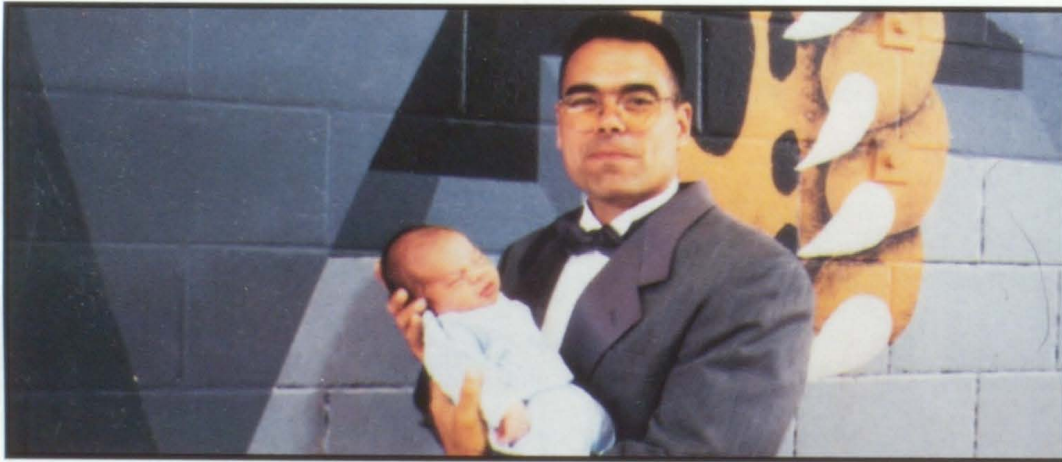

Mr. Espinosa looks very innocent, but we all know he grew out of that stage.

Mr. Keith Espinosa

Mr. Keith Espinosa has been influencing lives for eleven years. Seven of those years have been here at Neosho High School. Mr. Espinosa was born on January 17, 1961 in California. Shortly after he was born, his family moved to Missouri. He went to High School in Webb City and graduated in 1979. Then he joined the Air Force in 1980 until 1984. After that, he attended Missouri Southern State College to become a teacher. According to his wife, the reason he became a teacher is because he likes children and had many good role models from his teachers in his high school days. He has taught at McDonald County and Neosho. He and his wife, Paige, have four children: Dane, who is 13; Kristen, 10; Chase, 7; and Kolton, who is 2. Some of his hobbies include: coaching all kinds of sports, playing sports, reading, and fishing. Thank you Mr. Espinosa for your genuine interest for each student and making English class a fun place to be.

Right: Mr. Espinosa never missed an opportunity to show how much he likes coaching.

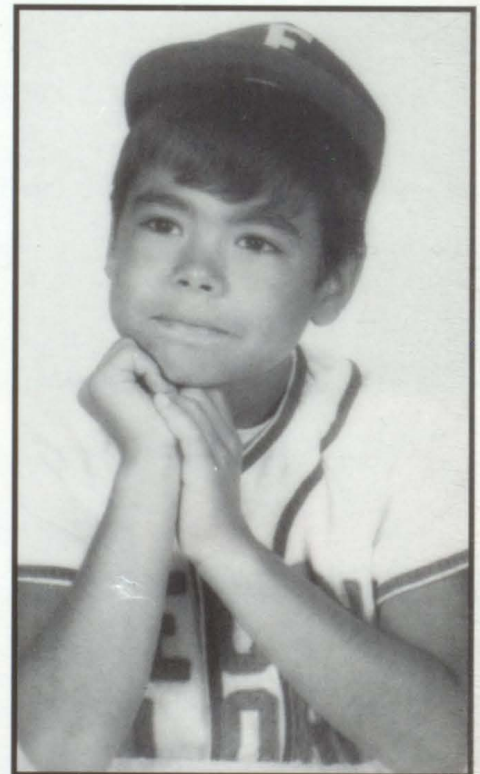

Mr. Espinosa is bursting with pride as he holds his youngest child Kolton, one of the most important people in his life

Mr. Espinosa shows off his interest for cars at a young age.

Mr. Espinosa reveals his sensitive side as he gives his stuffed toy a big hug.

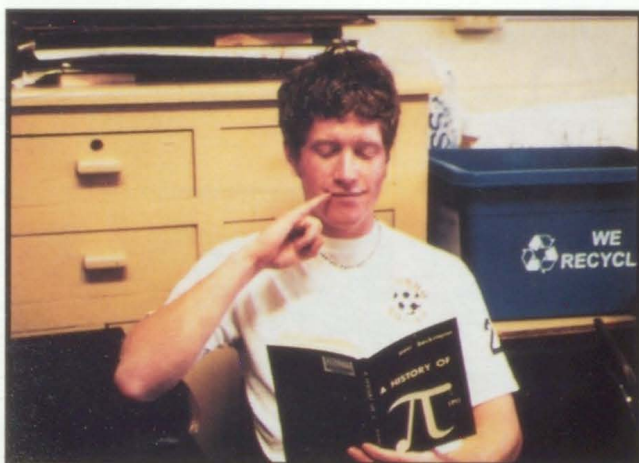

When Mr. Espinosa was eight years old, he was pitcher and catcher for his Farm Club little league baseball team.

Nathan Becknel, Senior, loves to read whenever he has a free moment, he especially enjoys reading The History of Pi.

We all like to doodle some times, but, unlike most of us, Senior Erin Trout can make anything on paper come to life.

India Allard, Sophomore, likes to hang out with her friends in her free time, but she can't seem to remember where they went.

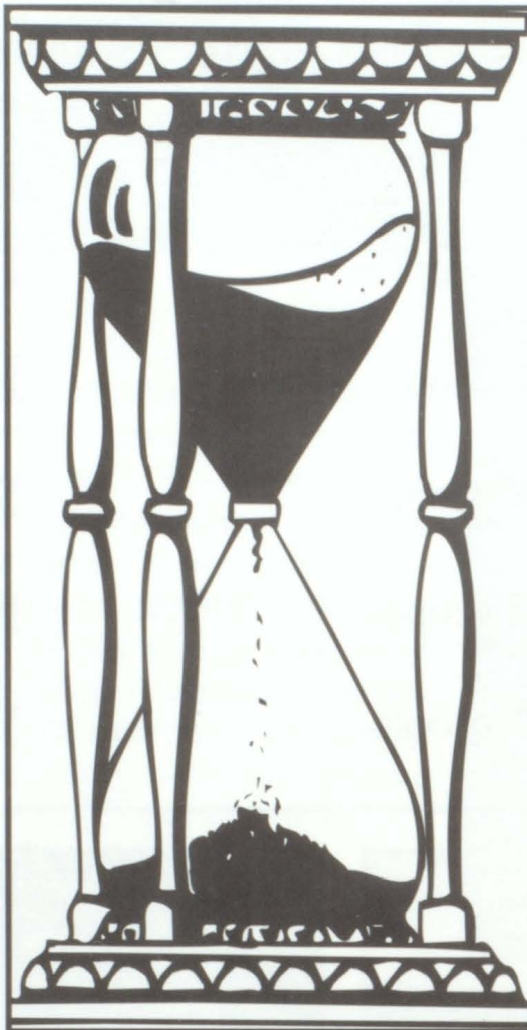

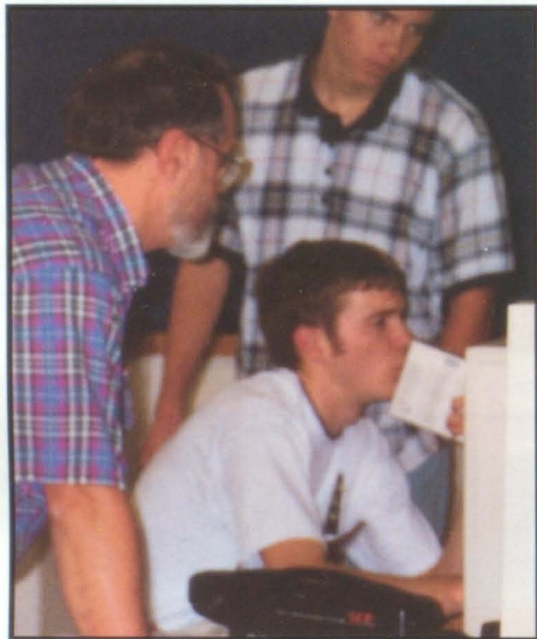

For relaxational purposes, Senior Silas Allard likes to perform yoga in his spare time.

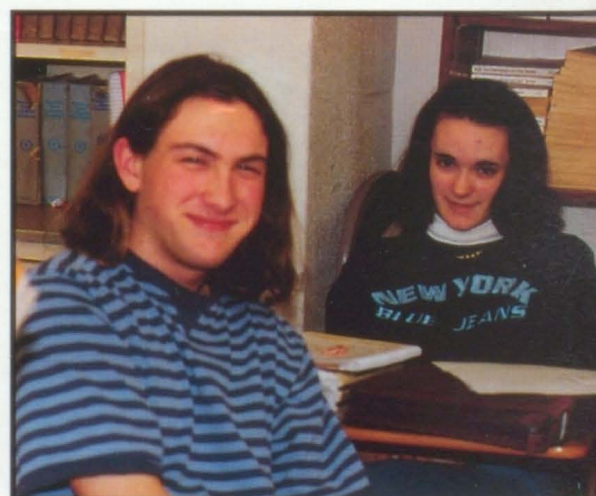

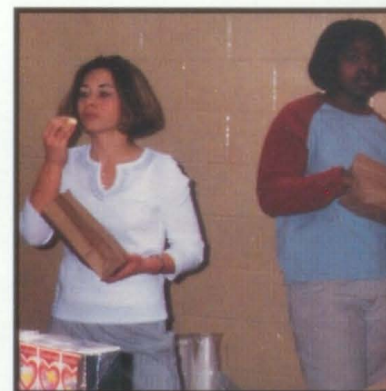

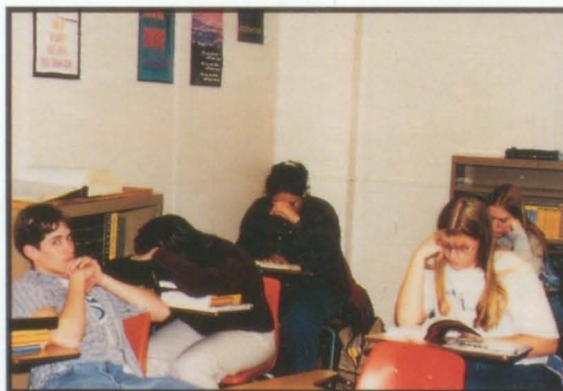

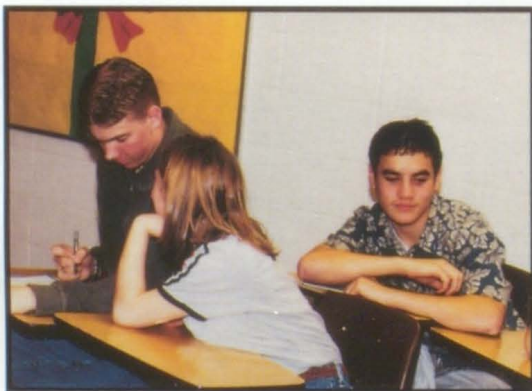

Amy Augspurger, Senior, shows us that she is no whimp! She enjoys lifting weights when ever she has a spare moment.

Times To Remember

MEMORY LANE

As time passes we do not realize how much our lives are changing. Only as we look back now and in the future we will only wish we could start over. Unfortunately, that is not the way it goes; we must all reach a time in our lives where we must move on. Whether it's going far away or just moving out of the house, we cannot forget where a part of our lives ended, and another part began. The friends you make in life all have something in common "trust." To have a friend is to trust and rely on a person to be there for you through both the good and the bad. No matter if it's the smiles, laughs, frowns, or the tears you remember most, the point is they have shared a part of your life, as you have also shared a part of theirs. As we all move on, remember who has been there for you in the past and who has shared your special moments in life. We all shared so many of these moments together and are forever linked in time; only our time together was so short, but becomes so long over time as it lives in our lives, hearts, and our spirits. Now take a moment as we look down **Memory Lane**, together as one.

Lori Farrell and Phil Tredwell are sharing quality time together while making cookies on the counter top, trying not to make such a big mess.

Sam Gorham dresses up as Rambo for his fourth birthday. It must have been an exciting costume party.

Z. Odem, D. Dewitt, C. Reynolds, J. Kronkow, S. Sides and D. Stonecipher are way too happy to be getting out of intermediate. "Hurrah!" they all cheer.

G. Russel, C. Smith, J. Libby, M. Rucker, C. Faulkner, L. Allen show the relation of earth and gravity, as some decide to stand on their hands.

Josh Ball and Jeremiah Auch show off their studly bodies at Intermediate.

Karen Daugherty and Cristin Smith prove to the world that they have been friends since birth.

Danica Burch and Tara Marion pose for a picture between dances at a recital.

J. Clemmet, A. Smith, P. Treadwell, J. Bryant, A. Martin, L. Farrell, J. Osborne, and B. Daugherty all celebrate Lori's fourth birthday.

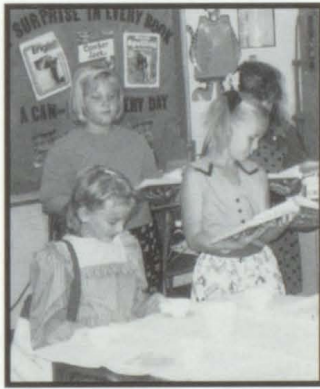

S. Cooper, K. Reynolds and C. Knight pretend they are monkeys while out on a school field trip.

T. Patterson and K. Daugherty eat cake at Skateland.

B. Kenny, L. Hargett and S. McFarland play dress up during fourth grade at a Christmas slumber party.

A. Hunter, L. Ahsmuhs, and J. Osborne have a tea party in third grade.

Lori Hymer and Allison Hunter try to clean up after Dance at Nationals in fourth grade.

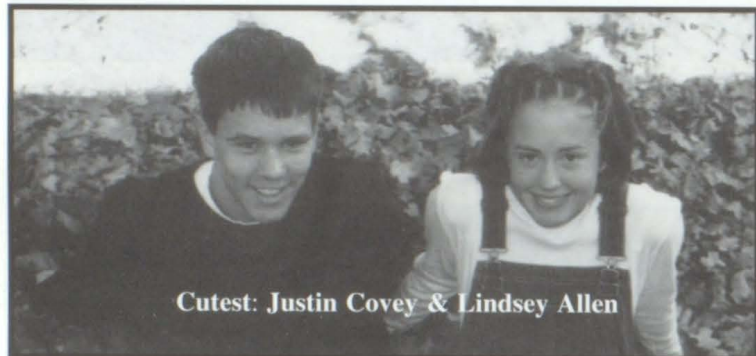

T. Marion, M. Rucker, H. Burr, K. Daugherty and B. Hoover all get together for a pose on the coach.

Junior Survey

In a recent survey we asked the juniors what song best describes them and why?

1. "Faith, by Limp Bizkit, because it best describes how we go through life. It somewhat tells how mine goes." -T.J. Hunt
2. "Voodoo Child, by Jimi Hendrix, because Jimi Hendrix is awesome and it keeps me motivated when I get mad." -Graham Hadley
3. "Wide Open Spaces, by Dixie Chicks, It is about being on your own and making your own decisions, not having somebody around to make them for you. We all have to make our own mistakes and learn from them, because we will not always have someone there to help clean up our messes ." -Ashley Van Gorp

A Time for Success

Our J.V. football program had another exceptional year, finishing off with a record of 5-1. Many of these young men have already seen some varsity snaps that have given them a head start for full-time action on Friday nights.

The Freshman football team also had a great season. The Freshman ended the year with a 6-1 record, falling only to the Webb City Cardinals in a season-ending heart-breaker.

The Wildcat 8th grade gridiron "A" team went undefeated in their 1999 campaign. They went 5-0-1, winning the first ever Tri-County Conference Championship, while the "B" team went 1-2-1.

The future for Neosho Wildcat football will be "A Time for Success." Good luck at the higher levels!

Passing Time

This year the Varsity and Junior Varsity soccer teams had an excellent season. In the beginning Neosho was expected to go very far, fortunately, we went even farther than expected. The Varsity once again set the record for the most shut-outs in a season, breaking their own record from last year. The team did very well considering they lost many Seniors due to injuries. "It was the best year in Neosho soccer history. The commitment and years of hard work by these young men paid off with several school records," said Coach Sides. The Honorable Mention All-District awards went to J. Bryant, B. Sides, and C. Knight. Second Team All-District went to A. Olbrey. E. Merino and S. Sides received First Team All-District. The Varsity soccer team won first place at the Joplin Tournament and second place at the Rolla Tournament. All of their hard work and determination sure paid off as their final record was 19-4-2. Congratulations to all of the players on such a successful season! Good luck next year breaking more records.

Returning Seniors who have played four years are Allison Hunter, Jacquie Kronkow, and Cristin Smith. Joining them are Seniors Jesseca Freese, three year player; and Jenny Dwyer, one year player. Coach Harlan said these girls became the heart of this year's team. With such team work these girls won a tremendous amount of matches. The following six girls went to districts: Tina Bradford, Jenny Dwyer, Jesseca Freese, Allison Hunter, Cristin Smith, and Angie Sumter. They ended the season with great confidence.

HANG TIME

The 1999-2000 Varsity Boy's Basketball team had a great year! They ended the season with a record of eleven wins and seven losses. This year's team was coached by Mr. Chenoweth, as head coach, along with Mr. Austin, as the assistant coach. The seniors for this year's team were Tony Branscum, Casey Cotton, Jason Deffenbaugh, Lance Mittag, and Phil Treadwell. The skill and the determination of the players helped them play as a team and win. As the season was beginning to end, **Hang Time** came into play as the pressure of winning elevated. It took a lot of teamwork, but they won their conference games and went on to play at districts. At districts, they won their first game against Joplin, but their next game against Kickapoo ended their season.

Hoop Time

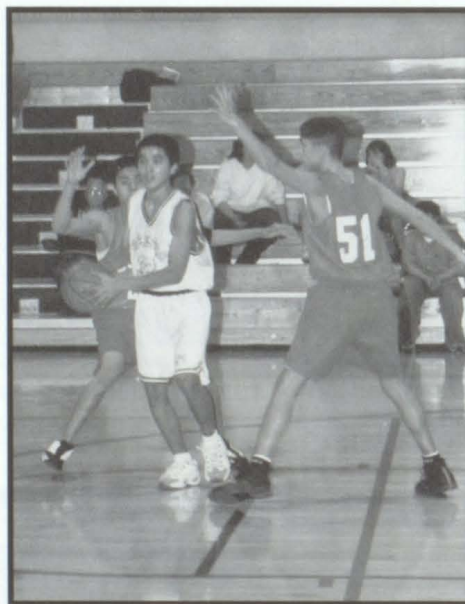

The 1999-2000 Junior Varsity Boys Basketball team enjoyed a fine season. **Hoop Time** started by winning the Seneca J.V. Tournament. This was the second year in a row that the Wildcats have brought home the championship. Coach Austin summed up the season by saying, "It has been my pleasure having a chance to coach these fine young men. They have worked hard all year and that effort has shown on the court." The freshman boys finished a great season with a record of 15-2. They took first in the Carthage Tournament by defeating Webb City for the championship. Our eighth grade boys battled through every game showing us they would not give up without a fight. They finished up the season with a 6-9 record. Over all, our Neosho boys basketball program is shining through to show its extraordinary potential for the years to come. Good luck to next year's teams.

Time Out

Time Outs were the only thing that opposing teams could use to slow the Lady Wildcats down this season. The girls completed another successful year under head coach Jamie Gillion. The girls varsity team soared to a 20-6, 8-0 conference, record during their 1999-2000 campaign, which captured their second conference championship in as many years. The Lady Cats fell just short of playing for the district championship by almost upsetting state-ranked Kickapoo. The season was highlighted with a huge win over East Newton. They also kept the fans on their feet with many dramatic games. For example, in the final seconds of a Webb City game, Jenny Dwyer was fouled on a successful three-point shot. She nailed the free-throw, which gave the Wildcats the win.

PIN TIME

The Varsity Wrestling team had a great 99-00 season. Their record of 7 wins and 3 losses shows just how much hard work and dedication this year's team put in. The boys won first place at the Monett and District Tournaments. They also placed second in the Neosho and Springfield Tournaments. This year's team was coached by Coach Elliot and Coach Espinosa, who were awarded Coach and Assistant Coach of the year for the District. The team practiced very hard every day after school in the Mini Gym. All of their hard work seemed to pay off when Jeremy Montz, Ryan Hammock, Scotty Howard, Kyle Kirk, Chris VanDorn, Cody VanDorn, and Joel Scholfield won District Champion titles. Joey Howard, Joe Moore, and Brandon Kline won second place at Districts while Cody Crocker placed third and Lance Kirk placed fourth. The team had many great victories and their hard work paid off.

One of the boy's P.E. and Weightlifting classes' favorite games to play is "Battle Ball." Coach Mike Godfrey's weightlifters (left photo) face Ms. Alms' class (right photo), who have control of the game - for the moment.

It's Time to Get in Shape: Neosho High School has expanded its physical work outs to include a lot of fun and exciting new ways to stay fit and healthy. P.E. classes this year got to practice their aerobic abilities as they exercised with a Tae Bo workout video. Weightlifting classes learned how to stay fit and gain muscle at the same time as they worked on different lifts and ran the bleachers each day. Students in these classes continue to prove the advantages to staying physically fit all year long.

Time To Fly

This year was a **Time To Fly** for the Varsity Cheerleading squad. Starting in March of the previous year, the cheerleaders tryout for their positions. Once the squad is chosen, they immediately started practicing for the following year. This year's squad placed first at Regionals, but they were unable to go to state. The cheerleaders kept their spirit while supporting the high school football and basketball teams. This year's Varsity Cheerleading sponsor was Mrs. Marta. The Seniors on the squad were Cassie Hale, Lori Hymer, Amanda Vowell, and Cristin Smith (Willie). Congratulations to Cristin for receiving a position on the Universal Cheerleaders Association and also to Amanda for getting the chance to go to London and be a part of the All-Star Cheerleaders. Perfect Timing

This years' J.V., Ninth and Eighth grade cheerleaders did a wonderful job supporting our Wildcat football and basketball teams. The J.V. coach was Mrs. Brown, the freshmen coach was Mrs. Gyer, and the eighth grade coach was Mrs. Overfelt. They supported their teams well and kept a very busy schedule throughout the year. The coaches did an outstanding job holding practices throughout the week and on weekends to keep the girls involved and kept up with their teams. These girls not only keep the student's spirit up, but the crowds at all of the games, as well. You girls did an awesome job!

When Spring arrives at NHS it means **Tee Time** for Coach Lineberry and his young golfers. The team has been very busy during 2000 season with some well received changes. Rock Around The Clock

The Chorleers had a great deal of fun this year. Even though it was a rebuilding year for them, they still enjoyed going around and performing for the public. They traveled to area schools and to several community organizations. There are twenty-one members: eleven girls and ten boys. Out of the entire group there are only three seniors. This group practices diligently every Monday evening and every Black day during second block. The Choraleers performed at the Webb City and Nevada competitions. The Choraleers make singing and dancing fun and enjoyable to watch.

Sing the Night Away

The Neosho High School choir classes have been very active during the 1999-2000 school year. These choirs include Cecilian Choir, Concert Choir, Wildcat Choir, and Mrs. Taylor's General Music class. These choirs have participated in 17 major choral events throughout the year. Their fall concert season started off with the choir **Singing the Night Away** and a chili/pie supper at the Municipal Auditorium, which was a huge success. Christmas is always an exciting time for the choir classes and this year was no exception. A highlight of the holiday season was the Cecilian Choir presenting their annual Candles and Carols program. This marked the 32nd year for the Cecilian Choir to present this program to the Neosho community. January through April is a very busy season for contests and competitions. Neosho entered 45 ensemble and solo events at the NEO Contest at Miami, Oklahoma, and the MSSC District Contest. Many of these events received a "1" ratings and advanced to state competition in Columbia. The Cecilian Choir and the Concert Choir proudly carried on the tradition of excellence by receiving a "1" rating at NEO. Five students qualified for the Southwest Missouri Jr/Sr Honor's Choir. They were Charity Bradshaw, Tara Fischer, Robert Hanschu, John Clayton, and Jonathan Savage. In addition to these events the choirs have also shared their music at the Neosho Senior Center and for many other organizations.

String Time

This year both the Jr. High and Sr. High orchestras were very active. Along with their many activities the Sr. High Orchestra participated in an all day string clinic in Joplin on November 29 and performed a concert that night. Later on in the year they also participated in the District and State Music Festivals. The Jr. High orchestra attended the NEO Music Festival on April 19. On May 8, both orchestras performed in their Spring concert. Also, this year, the orchestras had a Special treat. On February 29, the Springfield Youth orchestra came to the highschool and played a concert. This program helps to make our music program what it is.

The Pride of the Ozarks: Neosho Wildcat Band! That title did not just come out of thin air. The Wildcat Band came in two weeks before school started, 7:30am, and 6-9 Thursday night rehearsals, to perfect their routine. They also played at all home football games, All Band Night, Fall Sports pep assembly, The Fall Festival, The Christmas Parade, graduation, and they held an awards concert with the jazz band. The band is under direction of James Kelso and Stephen Widder. During the marching season they were under the field direction of senior drum major, Allison Hunter.

The Beat Goes On

Neosho's Black and Gold Band consists of Eighth and Ninth grade students. The band strives to become better musicians under the direction of Mr. Widder, and never forgetting to have a little fun in the process. All their hard work pays off when the Black and Gold band steps out to perform. They march in Neosho's Fall Festival and Christmas Parades, and play during halftime at the eighth and ninth grade football games. In the Spring, the band has a chance to show off all the new skills they have learned during the spring concert. The Black and Gold band is an asset to our school, and even though it may be early in the morning when they practice, the **Beat Goes On**.

Que' Hora Es?

The Foreign Language Department is a popular part of our school. As a required course for graduation, everyone has been part of the department at least two years. Spanish is the biggest class, with Mrs. Kenny, Mrs. Sandoval, and Mrs. VanLear teaching. Mrs. Kenny also teaches the German language class. A new language was added this year, French I and II, through the technology of interactive television. Only two students are enrolled this year, but the program is expected to grow. The Spanish and German classes spend a lot of time on vocabulary and speaking the language, but are also rewarded with a little fun. Pinatas, murals, and sugar skeletons are just a few of the projects that the foreign language classes participate in. The foreign language department has become a valuable learning center, because we have learned the importance of communication, despite language barriers.

TIME TO HIT THE BOOKS

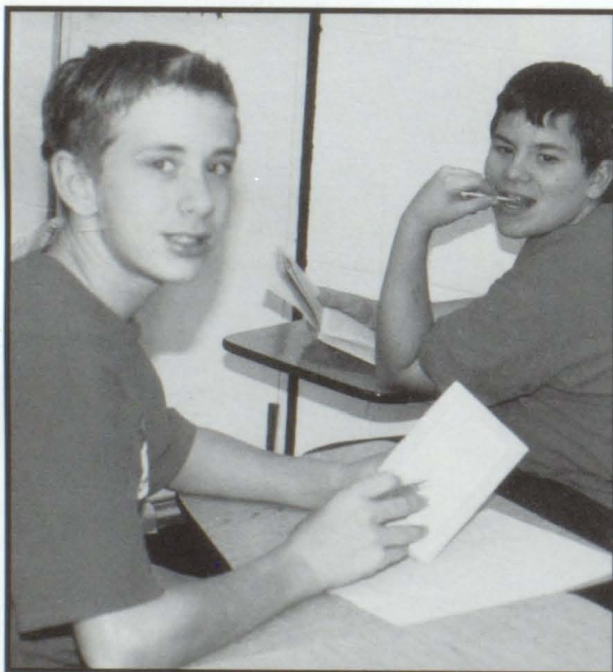

This year's LanguageArts Department did some very interesting things. Mrs. Miller's eighth grade English classes made poetry booklets and read *The Pigman*, a popular novel. Her ninth grade classes studied *Romeo and Juliet*. Miss Ellison's Applied Comm. III made career pamphlets, and her Applied Comm. II conducted survey projects on topics to better the school and community. Mr. Ramsey's World Literature class created brochures on Africa, and held trials for Achilles and Paris on events contained in *The Iliad*. His English IV classes made senior memory books. Mr. Espinosa's English II class read *Julius Caesar*. His English IV classes read *Macbeth*. Both of these classes also did a numerous amount of brainteasers. This year's Literary Club read many books. No matter which English class you were in, everyone had **Time to Hit the Books**.

Times Up

The Neosho Speech and Debate squad has had an eventful year. To kick off the year, they had a pool party. Before their tournaments started, they hosted what's called the Big Swim. The Big Swim is a practice debate tournament to give the novice an idea how things work and to get everyone else back into the swing of things. The squad participates in 23 tournaments during the year, including a novice and varsity tournament that they host in Neosho. On the Thursday before a tournament, they have debate bonding, which gives them a chance to prepare for the tournament. Senior Tim Kenny says, "Speech and debate has given me many life skills that I wouldn't have learned elsewhere."

Molding Over Time

The Science Department had another great year. Students have a wide range of classes they can take, like Physics, Chemistry, Biology, Sports Medicine, and Research. Neosho offers such great classes due in part to the teaching styles of Mr. Elliott, Mr. Sides, Mr. Jemes, Mrs. Richardson, Mr. Pyle, Mr. Burghart, Mr. Clement, and Mrs. Kemna. They are **Molding** new scientist **Over Time**.

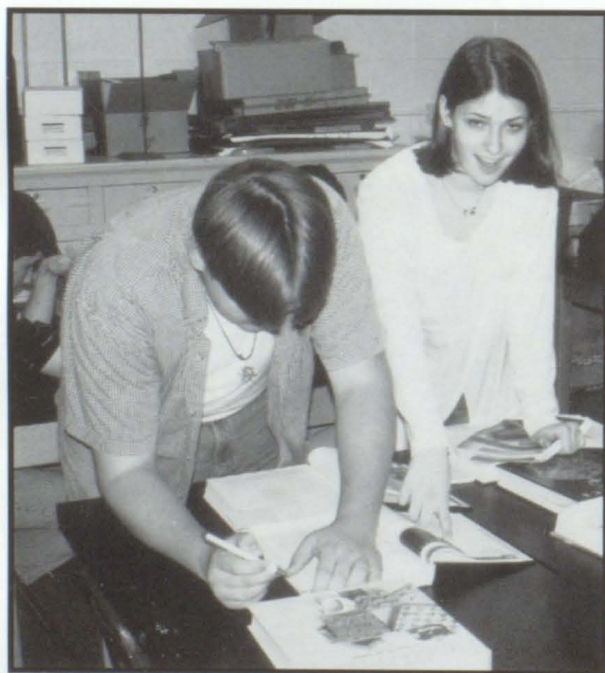

The Science Club had another terrific year. They participated in many activities. They held a highway clean-up, went hiking at Devils Den State Park in Arkansas, took a Christmas trip to the IMAX, and took a spring trip to Dora, MO. They went cave exploring, took a float trip, and went on an Ecology trip during their weekends, too.

Time Zones

The Social Studies department has done many very interesting things this year. As always, Neosho High School has many excellent teachers to help guide our students and to help them reach their full potential: Mrs. Aldrich, Mr. Henton, Mr. Howard, Mr. Lineberry, Mrs. Marta, Mr. Montz, Mr. Schibi, Mr. Stuart, and Mr. Thomas. Mrs. Aldrich and Mrs. Marta took students out to the Middle School and painted a map of the world. The social studies department covers a wide range of subjects from **Time Zones** around the world to how different cultures of different countries function. Mr. Montz was in charge of the social studies based group called the Behavioral Science Club.

Times Tables

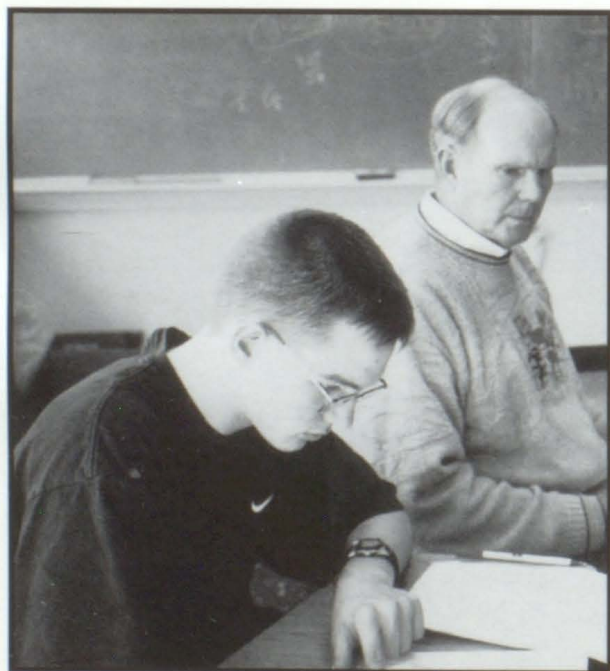

This year was another successful one for the Math Department. Although most of the students knew their **Times Tables**, there were many other skills that they worked on throughout the year. Some were just starting pre-algebra, while others were learning calculus theorems in the Advanced Calculus class. The Math Club had a big group this year. They competed at several competitions while at the same time earning some needed extra credit in their math classes.

Military Time

Often we only see our members of the Air Force Jr. ROTC at football games and assemblies. The color guard has always been ready and willing to present our country and state's flags when ever we need them. The sabar team and honor guard were also present at the Basketball Homecoming Assembly this year. They also perform a couple routine tasks for the school: raising our flag everyday and changing our marquee to let the community know all the great and exciting things we have been up to. This year the cadets took part in the annual Military Ball at the Munincipal Auditorium. The king and queen were Senior Michael Schellhorn and Sophomore Angie Sumter. There were many other fun activities that taught the cadets responsibility and prepared them for their future.

SPICE UP YOUR LIFE

The Home Economics Department has had some changes made for the new millenium. Mrs. Holloway has joined the faculty this year to **Spice up your Life** in the cooking classes. Another change made this year is the former F.H.A. club (Future Homemakers of America) is now known as Future Community and Career Leaders of America, F.C.C.L.A. Mrs. Schlueter and Mrs. Holloway are the sponsors of this group. The Seniors active in F.C.C.L.A. are Elizabeth Ahsmus, Lindsey Allen, Josh Babb, Josh Ball, Jason Deffenbaugh, Courtney Faulkner, Cassie Hale, Tara Hunte, James Keezer, Brandon Kline, Jaquie Kronkow, Jennifer Libby, Josh Lewis, Geri Russell, Cristin Smith, Alissa Todd, Ursula Tresvan, and Julie Wilkens. Tool Time

The Industrial Arts program saw many changes and improvements this year. The wood shop will soon see a new spray finishing booth. Mr. Sorenson's lab received money from grants this year that provided new teaching tools and upgrades in computer hardware and software. A+ funds provided new teaching tools for plumbing, wiring, and plastics. One of the biggest stories was the formation of the Technology Student Association. This club promotes national education for industrial arts at the high school level. In their first year, the club is sending four people to the national competition in Atlanta this summer for winning at the state competition. These members are Nathan Becknell, Spencer Kelso, Kile Mitchell, and Robert Robin.

This year is the first year that cadet teaching was offered for the whole year. This is a course for students who want to earn their fifty hours of tutoring for the A+ Tuition Program, or for students who are thinking about becoming teachers. There are 95 cadet teachers that are going out to other schools, or staying at the jr. high and high school and helping teachers. There are 75 cooperating teachers from these schools. Mrs. Branscum is the A+ advisor. She thinks this is a great way for teachers and children to receive the help they need. Her philosophy about this program is that we are all teachers, whether we do it as professionals or not. The main goal of the program is to work with students who are working below grade level or need one-on-one help in the classroom. There have been about 5,000 hours of volunteer time in Neosho's kindergarten through eighth grade classes. The teachers enjoy having high school students in their classrooms.

Farm Living Is The Life For Me

The Neosho F.F.A. has been very busy and successful this year. They have attended and held many events and fundraisers throughout the year. To start off right, they held an annual pool party to welcome the new members. To keep up with what is going on, they called many chapter meetings and attended all types of contests. The contests ranged from Floriculture and Nursery/Landscape to Dairy and Livestock. The fruit basket sales went over well this year, as usual, and Barn Warming was a hit also.

ENTERPRISING TIME

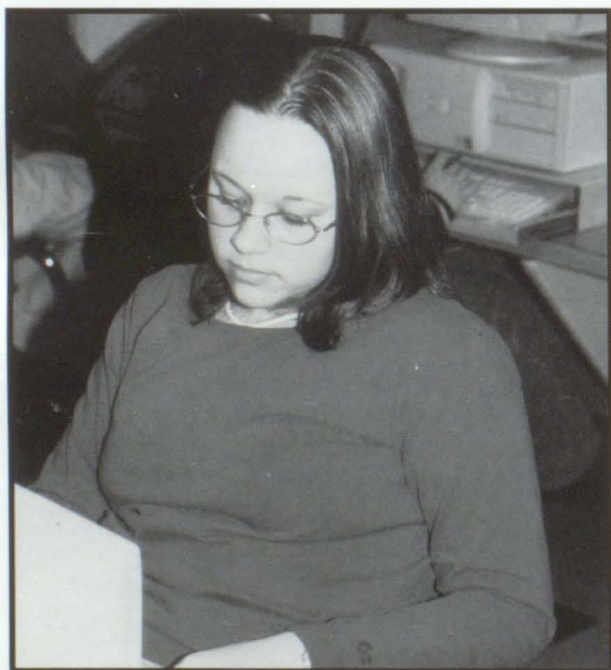

The Business Department was **Enterprising** with their **Time** started the year off smoothly and continued successfully. Both FBLA and DECA were busy with their own projects. This year FBLA members competed at Crowder College for district contest and nine members qualified to go to State. During the basketball season, FBLA raffled off chances to sit on the Spirit Couch with friends during girls and boys games. At Christmas the members wrapped gifts at the Neosho Senior Center. DECA also had a busy year. Members volunteered to support the Tri-county Cerebral Palsy Silent Auction, collected pop can tabs for the Ronald McDonald Tab Program, and held a ring toss at the Fall Festival for the Jansten Cope Fund.

Time To Smile

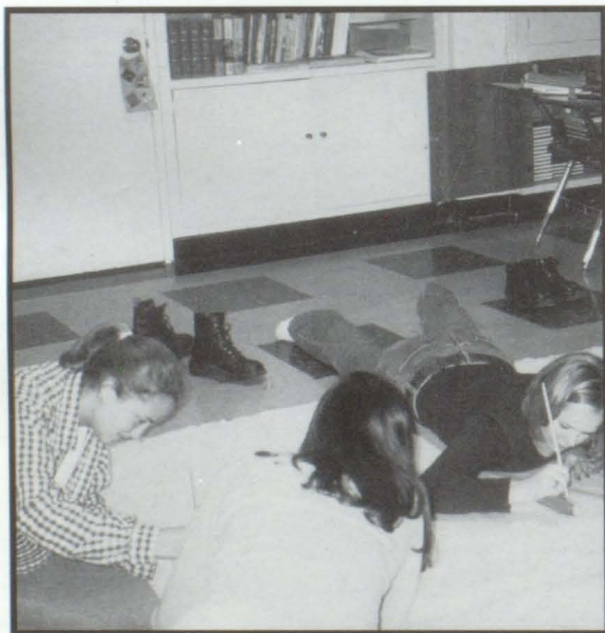

The 1999-2000 Neohimo Staff has come up with yet another unique yearbook for the Neosho High School student body to cherish. This yearbook recalls the many special memories of the past, and sends the "millenium's" first class of graduates out into the future. The staff has worked diligently throughout the year to produce an annual at its finest. We have accomplished just that. The friends we made and the times we spent together are now immortalized in this book and engraved in our hearts forever. There was a time for a little bit of everything in the 1999-2000 school year: a time to laugh, a time to cry, a time to love, and a time to look back.

Pressed For Time

The *Wildcat Times* newspaper class is a relatively new class. This is the third year for the newspaper and it keeps getting better and better. There were many changes this year in the paper and how it was put together. The staff is using a new computer system. Now they can create an entire newspaper page on the computer. They are also using a new digital camera to get better and faster pictures. The new camera came in really handy because the staff decided to use more pictures than usual. Every staff member was **Pressed For Time** to turn in their required story; they had to supply at least one story per issue. The stories were mostly written about school news or about students. There were a wide variety of news stories printed in the paper, such as the students of the month and the junior high students of the quarter. There was a profile of all the foreign exchange students. The newspaper class helped staff members improve their writing and photography skills. The *Times* has a staff of ten students; three seniors and seven juniors. The teacher-advisor is Mrs. Platner. There were no editors this year. Everybody worked together to produce a great paper.

TIME FOR MAKING THE GRADES

The National Honor Society held its reception for new members in November. There were seven new senior members and eleven new junior members. The Honor Society was very busy this year. They held two blood drives, one in November and one in March. The Junior Honor Society held two induction ceremonies, one in October and one in March. The Junior Honor Society has been very active by helping the community. They bought gifts for the elderly during the Christmas holiday, had a fundraiser for three students who lost their homes to a fire, and remodeled and cleaned the patio here at school. Congratulations to all the new members who worked hard to be in National Senior/Junior Honor Society.

Time To Pitch In

This year has been succesful for the Student Council. The council organized several worthwhile activities this year, including the canned food drive and passing out the computer match slips with the names of the people you are most compatible with. Other activities that Student Council was involved with this year was the Adopt-a-Highway program in which members cleaned up a stretch of road in Neosho. The group also handed out candy canes to all the students and faculty for the Christmas holiday. One of the trademarks of the council this year was the bright green shirts the members wore throughout the year. It was hard to miss a member of the Neosho High School Student Council this year. Student council never misses a **Time To Pitch In**. The money earned form the computer match slips and pop machines were donated to the Lafayette House and the Ronald McDonald House. They had a lot of fun while at the same time helped represent the students of the high school.

Volunteer Time

Key Club Members take advantage of their **Volunteer Time** by being involved in the Neosho community. At any given time throughout the year, Key Clubbers can be found baby-sitting for the Parents as Teachers meetings at Benton Elementary School, dressing up to "Trick-or-Treat for canned goods" to donate to Crosslines, or delivering daffodils for the American Cancer Society. Key Club provides a chance for students to make a positive difference in their world.

TIME TO PRAY

Youth Alive had another great year. They were busy with several service projects in the community. Some of the projects include: donating fifteen gallons of pop tabs to the Ronald McDonald House, serving at a banquet for Habitat for Humanity, visiting the elderly at the Lane Apartments, and sorting cards for the prison ministry. Youth Alive members met on Thursday mornings for Bible study and Tuesday afternoons for service projects. Amanda McClintock is President, Ashley Penn is Vice President, Kara Bradford is Secretary, and Linden Hargett is Treasurer. The sponsors for Youth Alive are Mr. Haupt and Mr. Morehead.

TIME TO Lend a Hand

The League knows it is Time to Lend a Hand when each school year begins. It is made up of four committees: Executive, Activities, Business Partner, and Hospitality. With the help of their sponsor, Mrs. Overfelt, each of these committees work together to form a student council for the junior high. The league pulled together to raise funds for some local fire victims. They raised over \$1,500 through a raffle competition between B-1 classes. The business partner of the League is Lay-Z-Boy. The members of the Business Partner committee took time out of their day at school to pop popcorn for the employees and keep up their bulletin board in the break room. The league also worked on a project to paint the patio area, and plant flowers. The Hospitality committee shows new students around school and helps them find their classes. They also run the concessions stand for junior high sporting events.

READY, SET, BUZZ IN

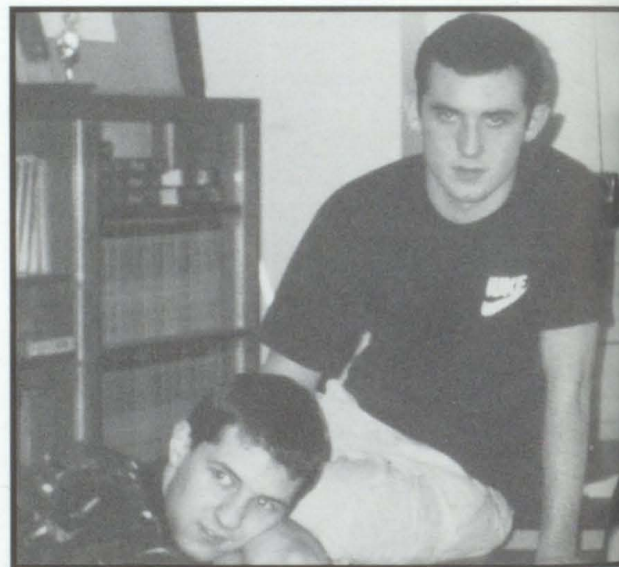

This year's Academic Bowl was **Ready, Set, and Buzzing In** on February 28th. The Intramurals consisted of about thirteen different groups. Out of these groups, first, second, and third place were awarded. First place went to "The Maitobian Bums Incarnadine Koror," consisting of Bobby Carr, David Mariott, Randy Betts, and Linden Hargett. Second place went to "The Tobasco Warriors": Lindsey Barnes, Tim Kenny, Kile Mitchell, and Jennifer Libby. Third place was awarded to "Seine Baccas," which included Brad Morrison, Zack Odem, Sean Wilson, Boone Ducommun, and Clayton Bradbury. After the Intramurals, a travel team was formed that goes to various competitions throughout the remainder of the year.

MAKING A DIFFERENCE TODAY

This year's FTA has had an exciting year. They began their year by having a luncheon for the retired teachers, faculty, and board members. They then took an overnight trip to Columbia for the State Convention. At the convention the group heard from a motivational speaker, the MSTA Teacher of the Year. After that came the election of officers for the next year. The FTA reported that the trip was a success and lots of fun! Christmas time had the FTA going from class to class handing out candy canes to teachers and staff members. Next the members attended a the Regional Convention in Springfield, Missouri. Rachel Guy is the first in several years to run for office from Neosho, she now holds the office FTA Southwest Regional President. The President of the group, Codi Daugherty, reports that this year has definately been one of the best years for our FTA! As we can see our FTA is **Making A Difference Today**.

Make the Day Count

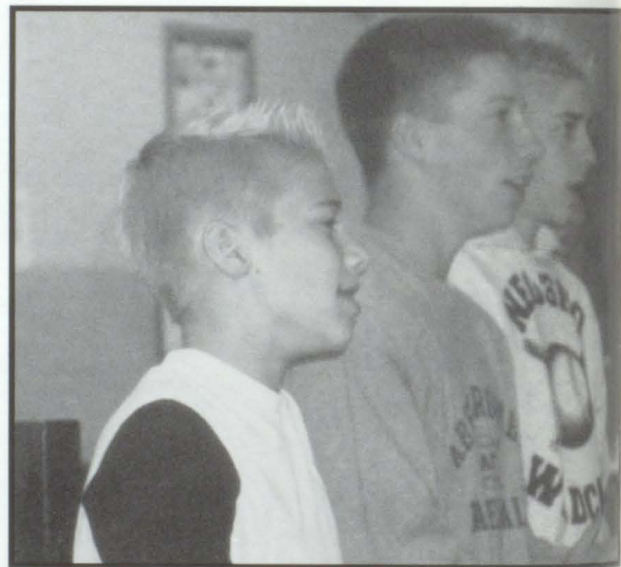

This year's Fellowship of Christian Athletes have been an awesome group. The Junior High F.C.A. has come to join the High School in this exciting program. "It is a chance for students to come and learn more about God in a school related program," says Tara Branham, who is one of the captains of F.C.A. The other three co-captains that are in charge of making plans and getting things together are Jenny Dwyer, Joe Moore, and Brandon Kline. Coach Elliot, Coach Ray Godfrey, and Coach Mike Godfrey are the teacher sponsors that are very supportive and help give advice. They have been very active this year enjoying many activities. Some of the activities include: movie nights, game nights, bowling, Super 70's Sundae Social, and a lock-in at Parkview High School. They truly do know how to **Make the Day Count**.

The Time Has Come

The 2000 *NEOHIMO* Yearbook royalty included three Seniors: Danica Burch, Jessica Collins, and Shelby Denny. Jessica Collins was crowned Yearbook Queen by senior advisor Mr. Haupt. Her attendants included three Juniors: Miranda Akin, Jennifer Harper, and Rachel Mitchell; and three Sophomores: Devon Burch, Lakresha Hill, and Maggie Hilton. This year's theme was **The Time Has Come**. The gym looked beautiful decorated in silver and teal. It had everything from hour glasses to balloons. After the crowning of the Queen, Mr. Espinosa was honored with the dedication of the 1999-2000 yearbook. The Choraleers performed several songs, including Stand By Me. The Jazz Band followed with several exciting numbers.

Annie

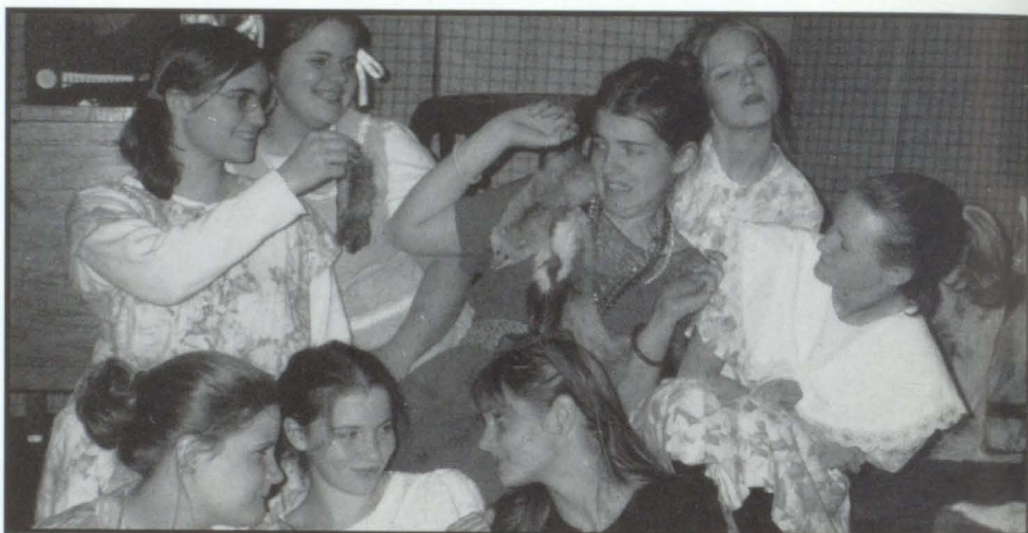

The fall play this year was *Annie*, written by Thomas Meehan. The play was held from December 17 to December 19. The musical started out as an early morning in 1933, at the NYC Municipal Orphanage. The scene takes life as eleven year-old Annie steps on to the brightly lit stage, with a song called "Maybe." Everyone started to fall in love with Annie, just about the time old Miss Hannigan steps in and disrupts everyone. But little orphan Annie wasn't going to let Miss Hannigan get the best of her. The play had two Acts. Many people helped with Annie: the Art Club, the Drama Classes, and all the volunteers who spent many hours working on the set. Thanks to all of the cast and crew for a wonderful play!

This year's spring play was *Prime Time Crime* by William Gleason. The play was performed April seventh and eighth. *Prime Time Crime* was a wild comedy, which resembles the most colorful TV prime time crime fighters of the 70's. It all took place in Shropshire Manor. Everyone was trying to knock the other one down in their own way as they each try to solve a humorously complicated "Agatha Christie" style of mystery. The main characters were Marie Shropshire played by Cori Taylor, Abigail played by Rachel Guy, David James played by Sean Wilson, Chives played by Simon Mahan and Constable Danner played by Jennifer Harris. They had to fight crime, while still looking good. We won't be forgetting this mystery anytime soon.

Two Tickets To Paradise

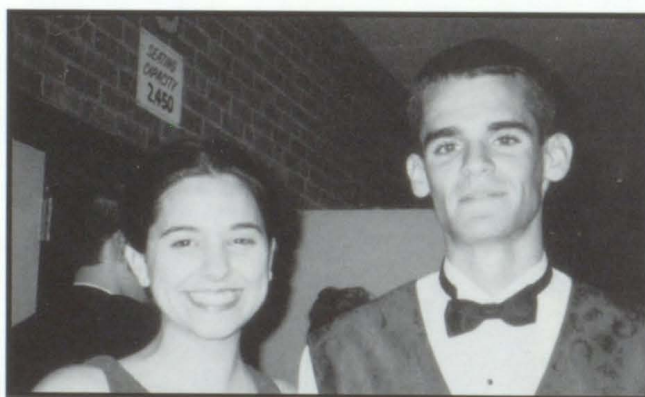

The Junior class put a lot of hard work into the 2000 Prom. This year's class chose the theme, "Two Tickets To Paradise." The colors of the Prom this year were blue and green with silver accent and the theme song was "Take My Breath Away" by Berlin. The Prom Committee elected to give away to those attending glasses with a candle in it, picture frames, key chains for the girls, and money clips for the guys. This year's king and queen were Jeremy Montz and Tara Branham. The Prom was held in the high school gym with decorations consisting of trees and a large gazebo in the center.

THE TIME HAS COME TO SAY GOODBYE

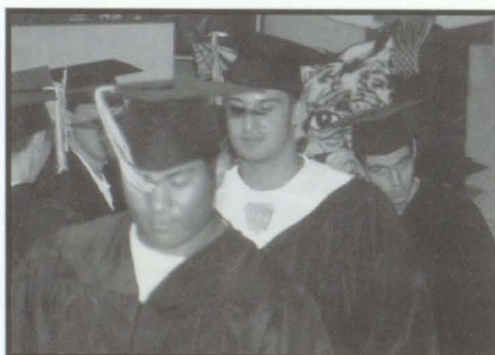

Graduation is a time for moving on and looking back on the memories you have made throughout the years. On Graduation you will look back upon your school years and the friends you have made along the way. You will also have memories of the obstacles you faced and the achievements you made. As one chapter in your life closes, another one is just about to begin. Some will go to college and others will go straight to work. Some you will see again and others will stay in your hearts forever. You will always remember that special time in your life when new friends were made and the crazy adventures you had. Your high school years are the greatest you will ever experience, but at times they did seem to be some of the hardest. **The Time Has Come to Say Goodbye** to the past and hello to the future.

Another Step in Time

Each year, after Senior Assembly is over, every Senior races out the doors and up to "Senior Hill." This has been a tradition that has gone on for many years and it will continue to bring many lasting memories for every Senior to come. This hill gives the graduates one last chance to be with friends and most of all, to leave their mark. Every painting that is created explains part of who they are. A great amount of time is put into each painting, and with a lot of hard work the final project is revealed. Although, the hill will be painted over by a new class of seniors when their time comes, all of the memories will be remembered for a lifetime.

Below: Barrett Wood, Brandon Tate, Lafe Friend, Joey Howard, Brian Whitcraft, Josh Ball, Chris Vandorn, and Sam Gorham pause from their artwork to pose for a picture.

Time To Remember

Many hours of hard work and planning went into this year's Project Graduation. Fund Raisers included: cookie dough sales, a faculty versus student softball game, powder puff volleyball and football games, and a charity golf tournament. Approximately \$16,000 was raised. Many graduates attended Project Graduation and participated in games such as basketball, walleyball, swimming, scuba diving, bingo, and twister. It was the last night that the class of 2000 would be together, but it was definitely a **Time To Remember**.

Y2K

There was a big concern this year about a potential computer problem called Y2K. The worry that many computer-savvy people had was that many of the computers around the world would not recognize the new year as 2000, but rather as 1900. This was because computers read years from a two digit number. For example, "74" was recognized by computers as 1974. But why would such a small glitch create such a big problem? Fears ranged from small inconveniences to major power outages and widespread pandamonium. Most people made very few provisions to prepare, while some stocked up on months worth of supplies "just in case." When the new year came there were no major incidents, just minor glitches that were easily fixed. These next pages will show you what some of our fellow classmates thought of the big event.

What do you think will happen on 12:00 a.m. on January 1, 2000?

"I will kiss the person beside me. Hopefully it's a girl." -- Nathan Becknell

"It will be a new year." --Chris Kerr

"I'm going to give my mom a kiss on the cheek for taking care of me another year." --Scottie Albious

"Everyone will kiss and continue celebrating as usual." --Cristin Smith

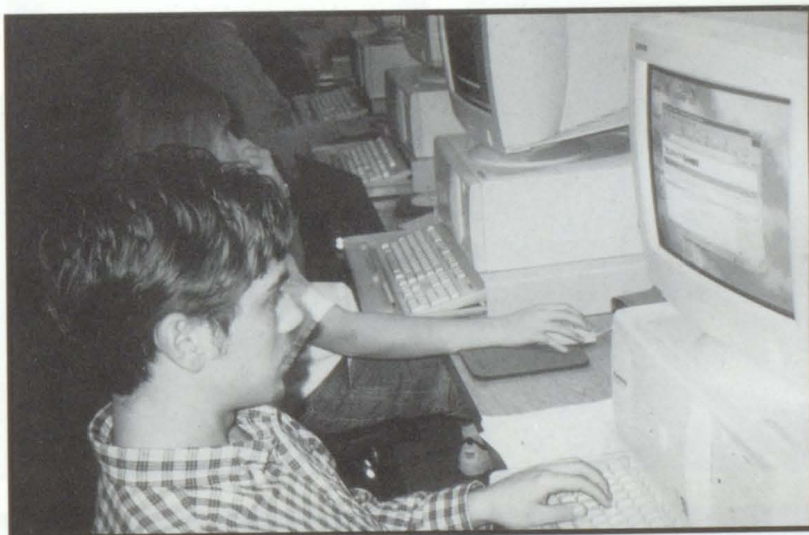

Do you think the millenium bug is going to cause problems in the year 2000?

"I'm not sure, but I'm not worried about it." --Mindy Owens

" Yes, I think it will cause a few minor problems, but nothing major. -- Ashley Loncarich

My Baby Girl,
You have courage where others hesitate; an open and eager mind,
when others have grown merely content; forgiveness when others
judge; passion when others have given up; but most importantly
space in your heart when others have turned away. I watch in
awe as you make your way, on life's journey. I'm the luckiest mom

The Time Has Come . . .

"The time has come to say goodbye" is how the song goes that you may remember from your preschool days. It just doesn't seem like the year has already come to a close. We all began the year 1999-2000 thinking that we had so many months and days ahead of us and that there didn't seem any reason to get in any hurry to finish projects, make plans for the future and begin new phases in our lives. Now, another year has gone and all we can do is look back and wonder where the time has gone. Right? Not necessarily, for we can also look to what is out there in the universe around us and reach for whatever path has been set before us. The Time Has Come - to look back into these pages and remember all the laughs, cheers, and triumphs we had. The Time Has Come to also look ahead and take all these memories with us and show the world what we have become. So - The Time Has Come for YOU!!!
