REFLECTIONS OF. . .

A reflection, a look through the past, a look into the future. What do reflections mean to you? To most of us it is a mirror image of ourselves. As we look through the pages of this book, whether it be a year or twenty years from now, we can always see a reflection of ourselves as we are now. We can also see the beginning of our future outside the walls of East Newton High School. We can see how our crazy, fun, sad, wild, dull, and happy times conditioned us for the future, handling ourselves in all different situations.

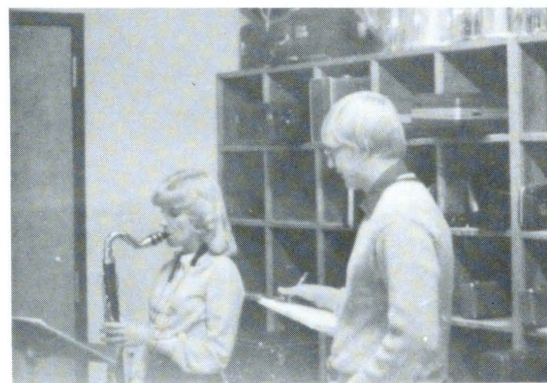

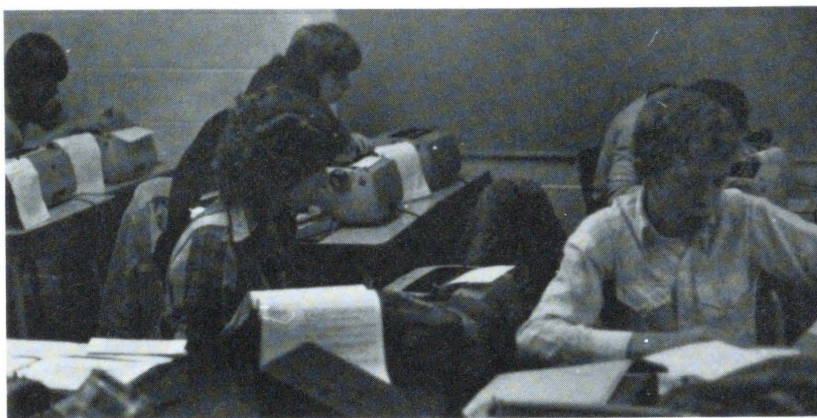

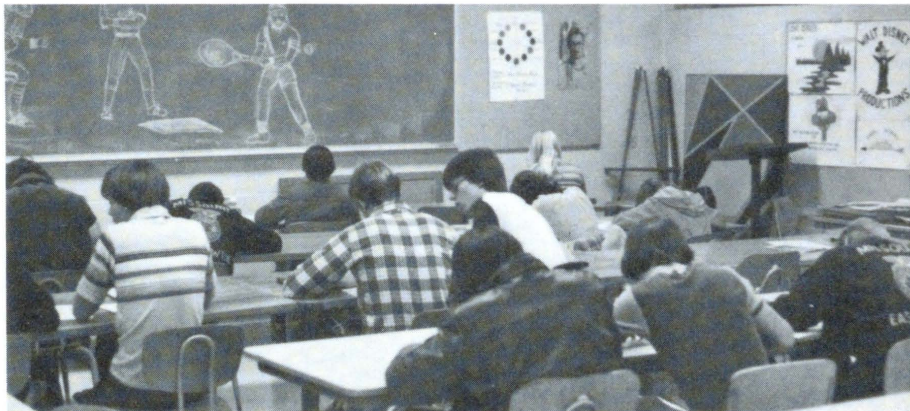

As time goes by, we can always look back at the reflections of days gone by. Reflections of our four years at ENHS, that are captured forever on the pages of this yearbook.

Hopefully there will be something in this book that will have special meaning for everyone. Because it isn't made for only one or two people, but for all of us. We, the people of EN, are the reflections of the 1981 Patriot.

Kathryn Parke was crowned 1980-81 Yearbook Queen by her escort Craig Goodman in a ceremony held April 29. She received red roses and an engraved charm.

Members of the yearbook staff selected two girls from each class to run for Yearbook Queen.

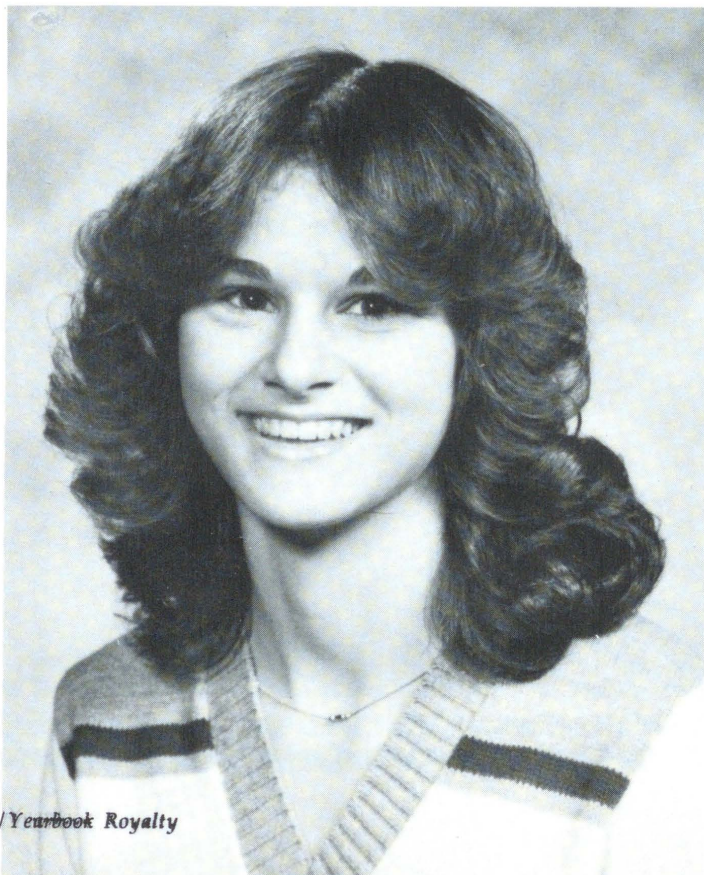

The yearbook staff voted to ask Mr. Bruce Jenner to select the queen. Unfortunately, Mr. Jenner lost the photographs, so a committee of seven faculty members chose the queen. Nan Karr was chosen as first runner-up and Donna Stufflebeam as second runner-up.

Other candidates were Melinda Kirk, Kim McCain, Julie Eustler, Sheila Smith, and Angie Heilig.

At the 1980 Football Homecoming, another one bit the dust as the Patriots proved victorious over the Cassville Wildcats with a final score of 25-13. The traditional bonfire was canceled because it was considered a fire hazard to the excessively dry surroundings. The Student Council sponsored a movie again. This year, "Psycho", an Alfred Hitchcock thriller, was the featured event.

Pontiac Trans-Ams, loaned by local owners, delivered the queen candidates to their place of honor. Dina Sappington, senior, was crowned queen by Cindy Dickens, 1979 queen. Dina's court, Denise Patterson, junior, Gina Frencken, sophomore, and Vicky Howe, freshman, remained at her side and enjoyed the victory game.

Another One Bites The Dust

Queen Reigns Over Evening

On Friday 13, East Newton celebrated Basketball Homecoming. Before the crowning of the queen the cheerleaders entertained the audience with a pom-pom routine to "Celebration", the feature of the evening was the queen coronation, taking place between the JV and Varsity games.

Trying for the title of queen were senior, Lori Linton escorted by Rusty Frisinger and Joe Patterson; junior, Elaine Rawlins escorted by Coby McGinty

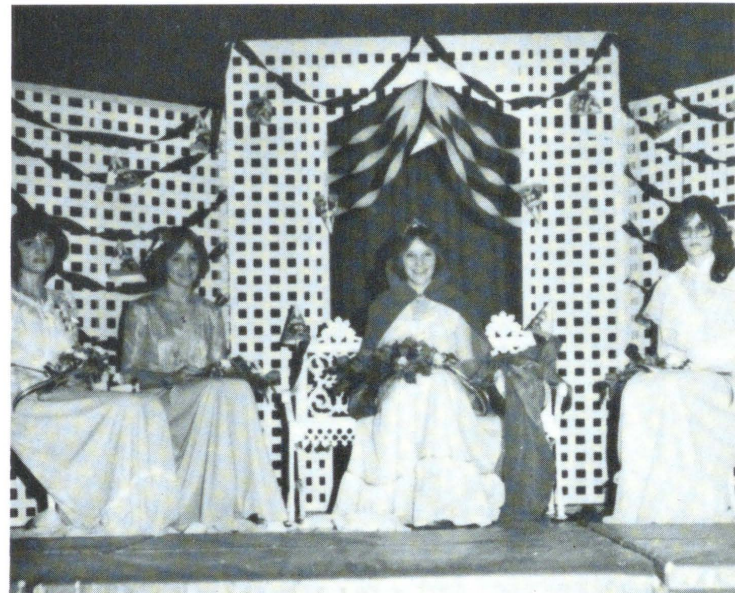

and Steve Cooper; sophomore, Michelle Harris escorted by Kevin Burner and Bobby Brock; and freshman, Nan Karr escorted by Mark Vanslyke and Terry Sanders. Last years queen, Dora Dalbom, escorted by Davis Johnston and Todd Frencken, crowned Elaine Rawlins as the 1981 Basketball Homecoming Queen.

Although the Patriots played a good game the bad luck of Friday the 13th was with them as they dropped the game to the Aurora Houndawgs.

FFA Barnwarming was held on October 20 in the Ag Building. Sue Condict, senior was crowned 1980-81 Chapter Sweetheart by Joe Patterson. Cindy Embrey presented the roses and sweetheart jacket to Sue. Other candidates for FFA Sweetheart were Sandra Nunnaley, junior; Kara Burrell, sophomore; and Karen Reynolds, freshman.

Ben Knight did the honors of calling the square dance. Throughout the foot-stomping, knee-slapping dance, apple cider and cookies were available for all. For the energetic there were relay games during the breaks between dances. Many people attempted to go through the wild and woolly hay tunnel. Many of these people even managed to find their way out! The evening was enjoyed by all.

Band and FHA Select Royalty

The votes are being tallied; the band members wait nervously. What's going on? Miss Merry Christmas is being chosen. Finally the last vote is in, and who is the lucky girl? It's Helen Weems.

During her reign Helen represents our school in the Granby and Neosho Christmas parades.

The silent girls' long

dressess rustle as they await the answer they each want to hear. "And the 1980 Christmas Ball King is—Devlin Paylor," announces Terri Maness. The crowd applauds as Devlin receives his crown and traditional kiss. Then he, the other candidates and their escorts dance the first dance to get the night started.

SENIORS

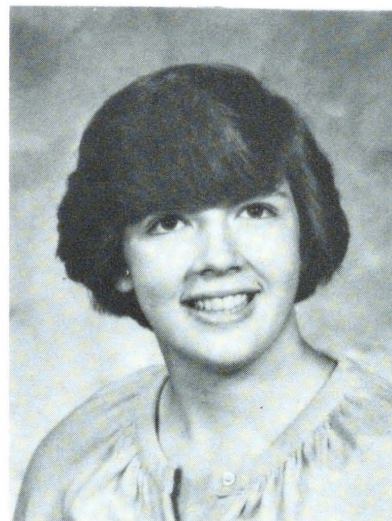

1981. . . A year in our lives that brought us many responsibilities and decisions. We realize that after graduation our lives will change greatly and our future plans must be made, colleges chosen, and jobs found. Along with the honor, excitement, respect and authority of being a senior, go many uncertainties which the graduating class of 1981 met with much enthusiasm and readiness!

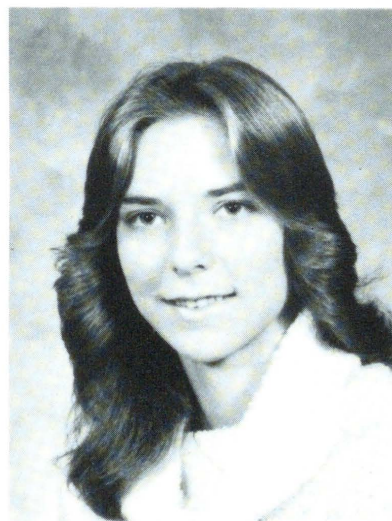

Now is the time for us to look ahead at the many opportunities awaiting us. We, as graduating seniors, will always reflect back to our years at East Newton as some of the best years of our lives, for they have been a time of physical, as well as mental growth. The friendships and special experiences will long be remembered in our future lives.

"Southern Nights"

"Southern Nights," the theme chosen by the Junior class, were shared by all that attended the 1980-81 Prom on May 9th.

The gymnasium was decorated to create a southern mood.

The band, The Four Winds, supplied music for this memorable evening.

A large buffet was the main attraction at the Prom, prepared by the cooks.

And last but not least, Mr. James Goade, the Junior class sponsor spent many hours of hard work and dedication to make such a pleasurable evening enjoyed by all.

FACULTY

Valuable Leadership

East Newton's governing body is the School Board. Members of the board serve three year terms and are selected by area voters. The six members of the Board have monthly meetings on issues that concern the school district. Mr. Billie White serves as president and Mr. Carroll Max Price aids him as vice-president of the Board of Education.

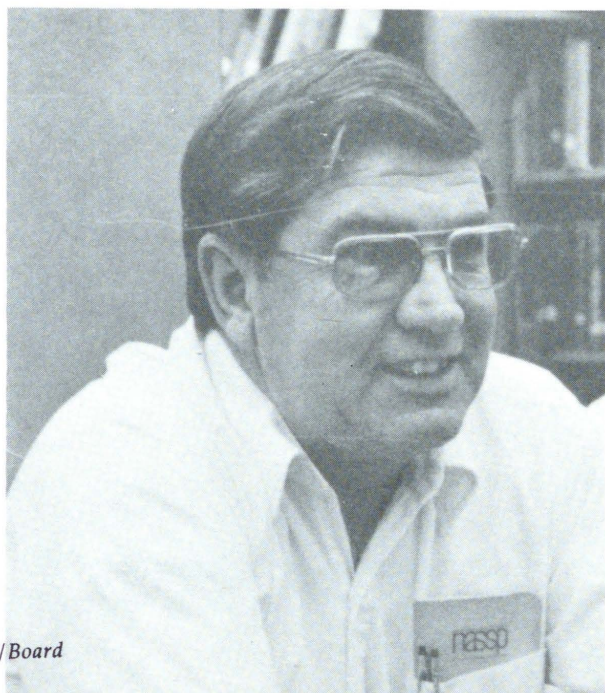

Serving as the leader and informant to the Board of Education is Mr. Dalton Ham's job.

He also enforces rules of the board and serves as representative in the State Board of Education. Mr. Don Johnston keeps the student body running smoothly and held together with discipline. Assisting Mr. Johnston in his duties is vice-principal, Mr. Wayne Brower. Mr. Russell Wilkie serves as Director of Transportation. His duties consist of establishing bus routes, checking bus maintenance, and driving buses, occasionally, when needed.

The long hours put in and the hard work done by the school secretaries is greatly appreciated by both employees and students of the East Newton School District.

Lavaun Bushnell, Mr. Johnston's secretary, keeps track of absentees, tardies, and student records. Connie Kelley, secretary

to Mr. Ham, takes care of state and Federal reports, and personnel filing.

Louise Faules is the treasurer for the district. She keeps district books, writes checks, and pays bills.

Thanks to these secretaries for making the 1980-1981 school year run smoothly.

Working Behind The Scenes

Quick! Can you answer these questions? (a) Who helps you find library materials when you need them—with a smile? (b) Who comes to get you out of class when the counselor wants to see you? (c) Who collects the absentee slips without a sound?

The answers are: (a) the library assistants, (b) the counselor assistants, and (c) the office assistants.

These people have other duties also. The library assistants keep the book shelves in order and check out books. The counselor assistants act as receptionists and keep the bulletin board in the hall current. The office assistants run errands and run the office machines.

These jobs don't sound like much, but they are very responsible ones. We should be grateful to these people because the day wouldn't go smoothly without them.

Roy Turner, bus mechanic, checks a bus transmission. e. Goofing off again, Dennis? f. Kerry, should you be working on a bus?

The cooks, custodians, and mechanics make up a staff of special people that we have at East Newton. These people do the jobs that don't seem to get much recognition.

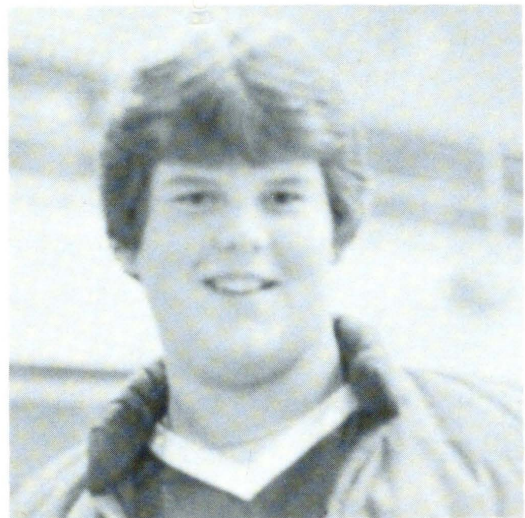

The mechanics and custodians are of the most essential elements of the school's management. They are responsible for keeping the equipment at EN in top shape. The custodians clean and help out where they are needed most.

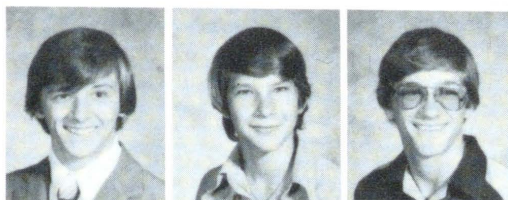

The cooks work with Miss Gaunt, a certified nutritionist and our Home-Economics teacher, to prepare the students' nutritious meals that everyone will enjoy.

This special staff deserves both thanks and recognition by all of us who take their services for granted.

JUNIOR RESPONSIBILITY

In the time they have spent at EN, the juniors have gained confidence and the ability to accept responsibilities. Their major responsibility is planning the Jr.-Sr. prom. This year the juniors

SOPHOMORES HALFWAY THERE

The sophomores are halfway to their graduation day and ready to move on. This year the class of 83 gained more respect, freedom, and became more accustomed to their surroundings. Several new courses were

opened up for the sophomores this year, which brings a welcome change from their freshman year. All these changes have been beneficial in moving the class of 83 closer to their graduation day.

Ann Shaver and Nina Johnston, class sponsors, kept the sophomores in line throughout the year.

CHEAPER BY THE DOZEN

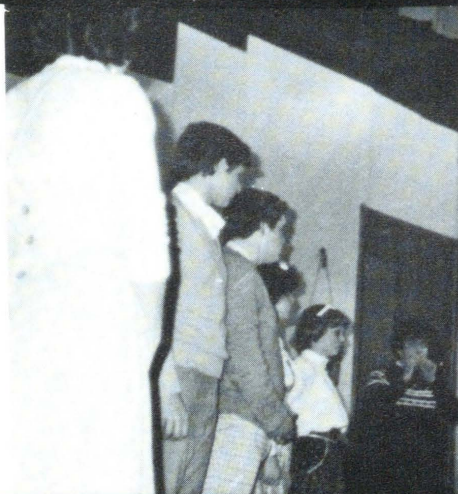

Cheaper by the Dozen is a family story set in the 1920's. Unlike contemporary marriages, the "typical" family of the early 20th century had many children and the Gilbreths were no exception.

The drama centers around Anne, the oldest daughter, who along with two younger sisters, has reached dating age and fails to see the value of "stockings" and Dad's authoritarian

family management.

Cheaper by the Dozen is both entertaining and moving, with a powerful message about the need for understanding and communication between family members.

The entire EN cast and crew worked hard long, hours on lines, set, props, and publicity to create a very fine school play.

We can be proud of our school in more ways than one, and one of the ways we show our pride is in the presentation of our band.

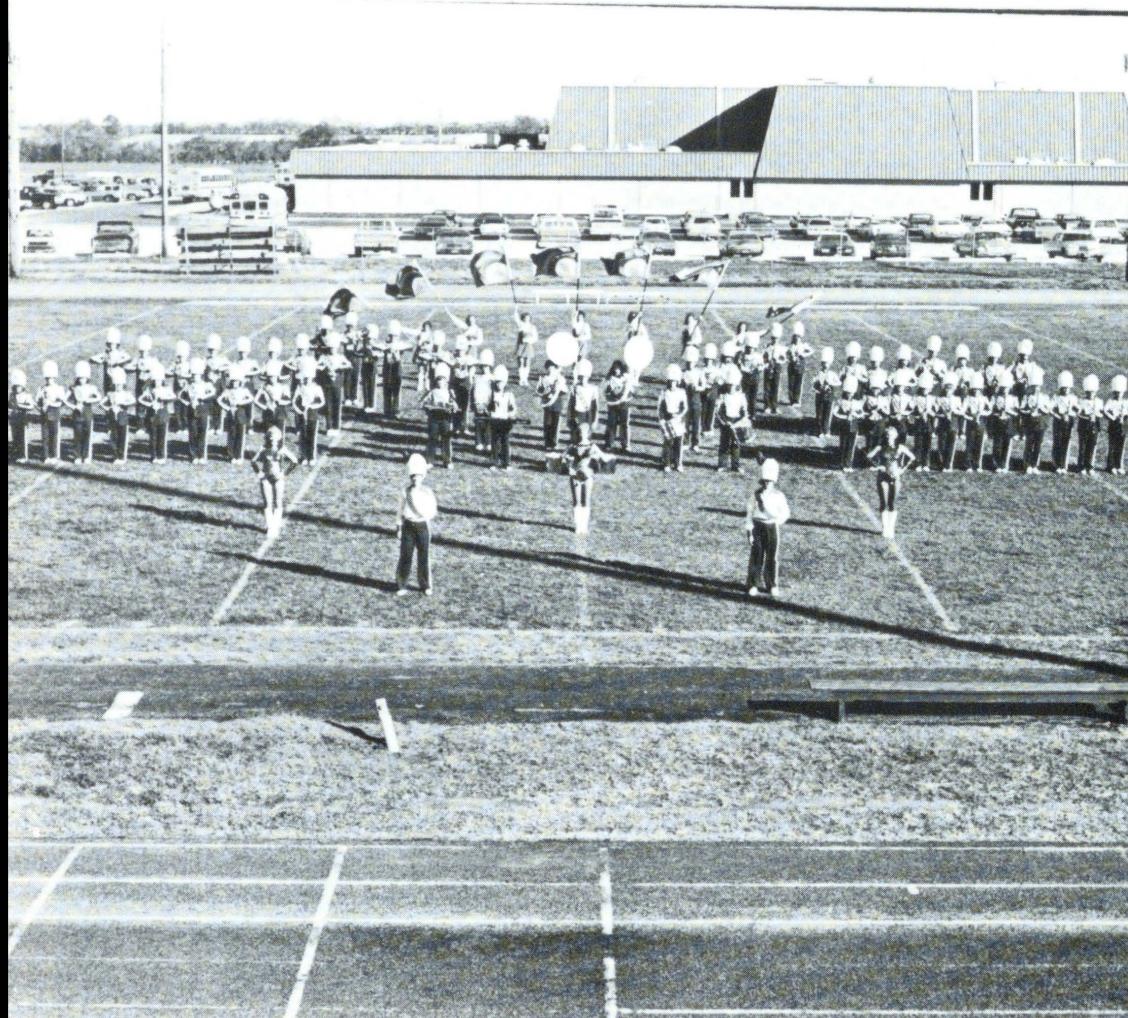

This year's band is directed by Mr. Rob Goade, and assisted by majorettes, H. Weems and B. Tanner. The band is also accompanied by the flag team.

The concert band attended the

Miami Music Festival and District Music Contest in Joplin. The band also presented Christmas and Spring Concerts.

Mr. Goade said, "The band is building each year and attending more area events and festivals. We are excited about the band's accomplishments this year and are optimistic for the coming year."

EN MUSIC MAKERS

The Patriot Singers, a select group of singers, performed for various school and community functions under the direction of Mr. Rob Goade. They presented a variety of popular and stage music with the choreography at the Fall Concert, the Christmas Concert, and the Spring Concert. This year they attended the Neosho Swing Choir Clinic and received very favorable comments on their performance.

The stage band, a select group of musicians under the

direction of Mr. Rob Goade, also performed for various school and community functions. They presented a variety of Jazz and Popular Music for the Christmas Concert, the Spring Concert, and the Festival of Bands. They attended contests at NEO Miami, Oklahoma and Pittsburg State University.

We are very proud to have this fine group of people represent our school; they did a good job.

The mixed chorus classes, which met first and second hours this year, started off their days with a smile and a song, making a joyful noise unto their teacher, Mr. Robert Goade. They sang many types of music, including pop, country, and spirituals. They participated in three concerts during the school year. Accompanist for the group was Mary Phariss.

Concert Choir at EN was a

highly successful newly formed group. As with the mixed chorus, they attempted many different styles in music. They performed at the annual fall, Christmas, and spring concerts. They also competed at two contests; the Miami Music Festival, where they received a I rating, and district contest, where they got a II. Accompanists for Concert Choir were Leticia Follett & Mary Phariss.

DEVELOPING TALENTS

Drama and speech, two very popular classes at EN, were very busy this year as in years past.

Studying plays, writing speeches and book reports, and just learning to develop acting skills are everyday occurrences.

When entering the doors of drama class . . . expect the most outrageous group of actors and maybe you won't be surprised. These imaginative

people create characters to go along with skits they wrote, and dress up as these characters.

Speech class brings still another aspect of public speaking. Students learn to feel more comfortable when speaking before audiences.

In both speech & drama, students are challenged to develop their skills of speaking.

SCHOLARS AND SCOOPS

The National Honor Society is made up of a few select outstanding students on the basis of their character, scholarship, leadership, and service. New members are selected by the faculty and initiated into the club at an assembly at the end of the year. The members of the National Honor Society are the leaders of tomorrow; our future is in their hands.

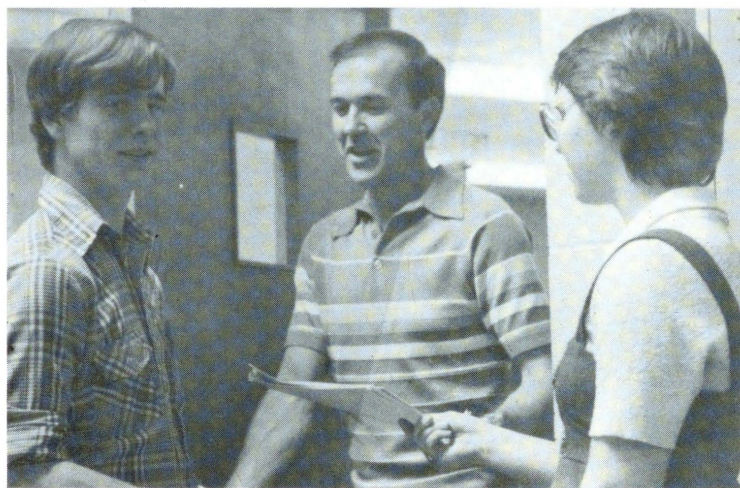

Our school newspaper underwent a slight change this year. The name was changed to the Patriot Pastime. This year for the first time Miss Reynolds and her seventh hour class wrote and printed the newspaper here at school.

Fulfilling Year

The EN chapter of the Future Homemakers of America had a busy funfilled year. The year started off with the group working the concession stand at the home football games. Later in the fall, the regional meeting proved to be an exciting day for all involved. The speaker was Dr. Milton Rubin, a distinguished psychologist from St. Louis.

In the winter, the main activ-

ity was the annual Christmas Ball. The theme was "Ice Castles." As a result of much hard work, the dance was once again a success.

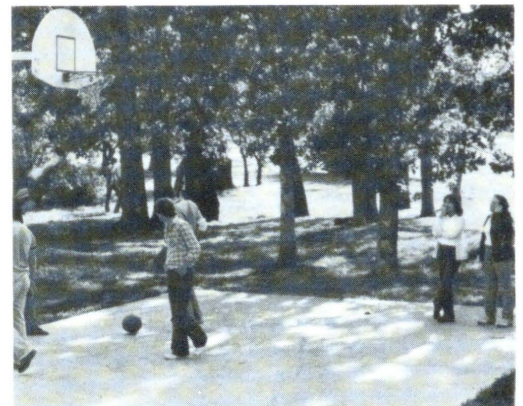

At the end of the year was the FHA-FTA Picnic which was held at the park in Monett. Despite the chilly weather, it was an interesting experience.

Overall, the year was very fulfilling and the FHA accomplished much.

PRACTICAL PREPARATION

The EN FFA Chapter had a very successful year. The members, who worked very hard, got much practical experience in farming. The fruits of their labor were two contest teams that went all the way to state, and four State Farmers. The teams were poultry, which consisted of Sandra Nunnaley, Jim Judd, Gaylon Johnson, and Jimmy Brown; while Julie Greer, Shawn Hines, Jeff Speak, and Jerry Whitehorn comprised the livestock team. The State Farm-

ers were Bruce Embrey, Rob Strickland, Randy Underwood, and Joe Patterson.

But it wasn't all work and no play. The FFA chapter sponsored many fun activities, such as barnwarming, the slave sale, Aggie Day, and FFA camp. They also participated in the state and national conventions, which proved to be quite enjoyable for all involved.

All in all, it was a very eventful and fun-filled year.

Sponsor Several Activities

The East Newton Chapter of the Future Teachers of America is an extra-curricular group for students who are interested in the field of teaching or related occupations. The sponsors for the FTA are Mrs. Ada Clymer and Mrs. Eloise Warren.

The FTA was active in many things this year as in years past. They sponsored the teachers

tea with a Thanksgiving theme this year and co-sponsored the FHA-FTA picnic held May 14 at Monett Park. The juniors and seniors as usual, went to Triway and Granby schools for a day of "experience." Also, this year for a change the FTA sponsored a baby picture contest which all the teachers participated in.

VO-TECH PROVIDES CAREER TRAINING

Vocational Technical School is provided for high school Jr's and Sr's from East Newton, Diamond, Seneca, McDonald County, and Neosho.

It gives those who participate a chance to get away from the regular grind of school and to get a taste of a skill which someday may become their life-long career. It not only gives the students book knowledge but a chance to actually

work in an area provided in their field.

Among the classes available are: autotechnology, compact cars, carpentry, welding, autobody, machine shop, electronics, and health occupations. Classes start at 9:00 and end at 11:45.

ASSEMBLIES PROVIDE ENTERTAINMENT

Once in a while the humdrum of everyday life was interrupted by some special assemblies held during the year. Without fail, before each major holiday a member of the EN Ministerial Alliance came to give a few short words of inspiration for us to reflect upon. At Christmas we had the annual all school "party" in which both the drama and music departments participated. A new addition to this traditional as-

sembly was the faculty singing Christmas carols.

Also, throughout the year there were several music groups. Among those performing were a concert choir from SMSU, and a band from the U. S. Air Force.

These events helped to relieve the monotony of schoolwork and give everyone a chance to have a very welcomed change.

Jennie Stratman stole the show by receiving the "Best of Show" ribbon.

Many Accomplishments

The last assembly in the East Newton school year has always been the Awards Assembly, and the 1980-81 was no exception.

Awards day is the most welcome day of the whole year for everyone. It's not just the giving of awards, it's the signal of the long awaited summer vacation.

Many students received presentations and awards for their

outstanding accomplishments in various fields. Mr. Johnston presented the valedictorian and salutatorian awards at the end of the assembly. The students then attended each class for a few minutes to receive their grade cards and say their goodbyes. The final bell rang at 10:30 on May 22 to end the last day of the '80-'81 school year.

To create and promote school spirit was the main job of this year's squad here at East Newton. The six girls worked hard at achieving their goal, by putting on pep assemblies, attending all sports activities, and by painting and putting up signs.

During the summer, the members of the squad attended the National

Shows Improvement

The Patriot varsity football team showed improvement this season as they ended it with four wins and six losses. The team tied for second in the Big 12 Conference. They recorded wins over McDonald County, Cassville, Seneca, and Mt. Vernon.

The boys worked hard and put out a great effort which showed in their playing.

The Freshman Patriots ended their less than encouraging season with a record of no wins and five losses. Although their record was rather unimpressive, their overall effort was commendable. The team gained a lot of experience and they are looking forward to next season with high hopes.

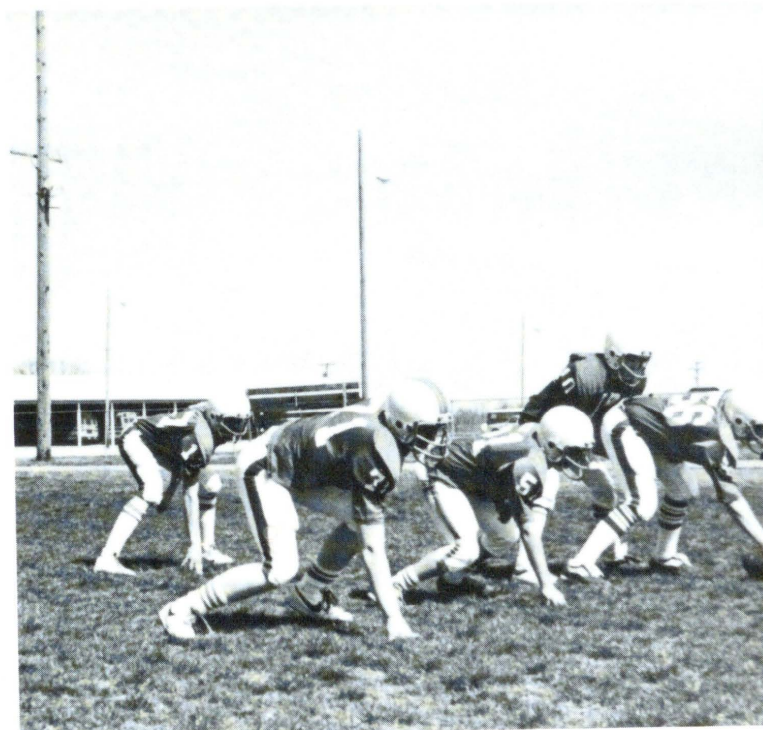

Although the Junior Varsity squad didn't win every game of the season, they did gain valuable experience. There was action and excitement from the team in every game, whether it ended in victory or defeat. The season record was nothing to be ashamed of, two wins and one loss. Patriot fans can probably expect great things from the players next year when they return on the varsity team.

The Patriot varsity volleyball team had a great season. All those 7:30 a.m. practices really paid off, as they made it to the second round of district. The team was very dedicated because of several team members who were very determined to be the

Patriots Run Wild

Cross Country is a very strenuous sport which attracts athletes who are able to run long distances through an area with treacherous terrain.

This year the East Newton team headed by coach Norman "Gabby" Gibbens competed in nine meets around the area.

For the first time since cross

country has been at East Newton, three girls participated in the almost all-boys sport; with one doing a very outstanding job. Leticia Follett earned the honor of representing us at the state finals. In addition to the girls, the team had 10 male members as well.

When the season began for the Patriots, they knew they were going to be in for a rough ride. With only a few returning lettermen and a couple of experienced players, the squad knew they had to mature as the year wore on. It seemed a second victory would never come the Patriots' way until the team defeated Cassville in their fifteenth game. The first victory was over Jasper in the Pierce City Tournament at the beginning of the season.

The team put up a good fight

against the Neosho Wildcats, Neosho only won by two points in the last second of the game. This is considered a victory for the squad in our books, in that they made the Wildcats *work* for their victory.

Naturally after a year with so much learning and losing, it is only fair to look ahead. If there is a good season next year, it will largely depend on the lessons learned during the rough season of 1980-81, and the coaching talents of Coach Gibbons.

Both Coach Lampshire and

Coach Knight agreed that the players improved greatly toward the end of the season and will be a great asset to the next year's basketball teams. Coach Lampshire added, "They not only improved physically but mentally as well, and he truly enjoyed his team."

After a long season filled with ball games and tournaments the girls varsity basketball team put away their uniforms with a 5-14 overall record. Most of the season four sophomores and one junior started the games, but everyone gained valuable experience for the future.

Gina Frencken and Lorie Cantrell were varsity standouts. Gina was selected 2nd team and all district honorable mention. While Lorie was selected

all conference and all district honorable mention.

This was a tough year for the JV girls as they ended their season with only one win. The JV team was made up mostly of freshmen and sophomores. They learned the fundamentals of basketball and most of this learning was done during games since their practice time was short.

Both teams had their ups and downs but all in all it was still a pretty good year.

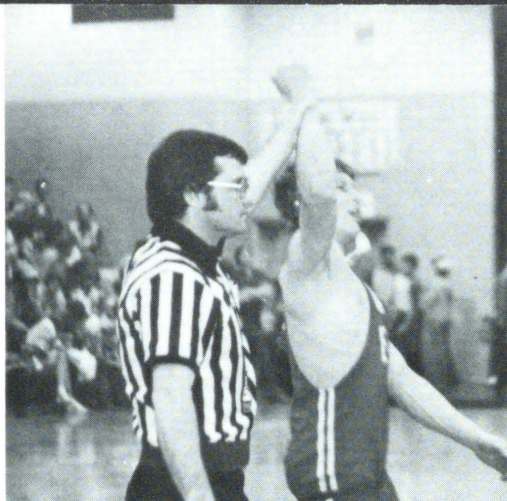

VALUABLE EXPERIENCE GAINED

Wrestlers Make Group Effort

The thrill of victory, the agony of defeat. Luckily this year's wrestling team had a bigger taste of victory than of defeat.

The wrestlers found out that they were a team and they used this knowledge to their advantage. A single person did not carry the team; rather, it was a group effort.

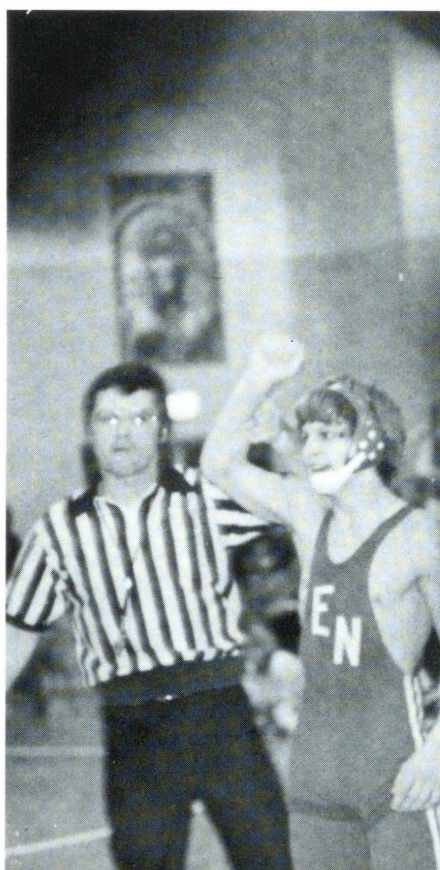

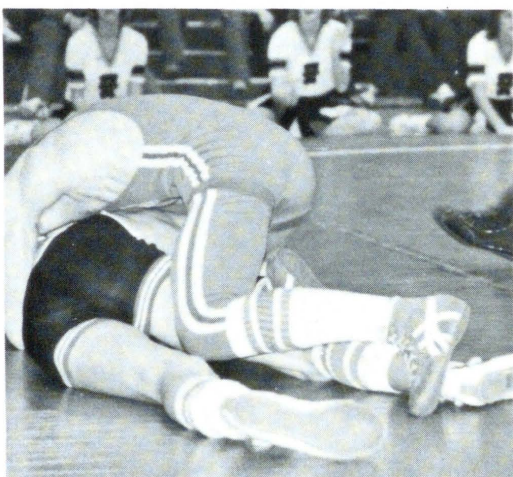

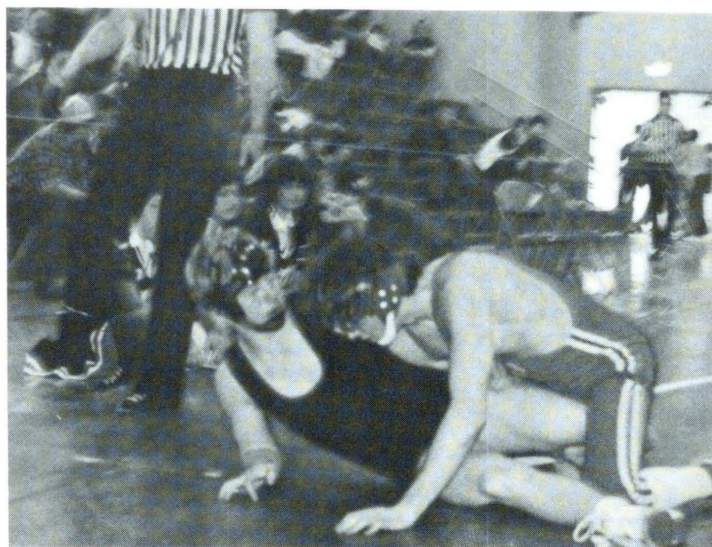

D. Ketcher, EN wrestling coach, said, "There was an overall effort by everyone,

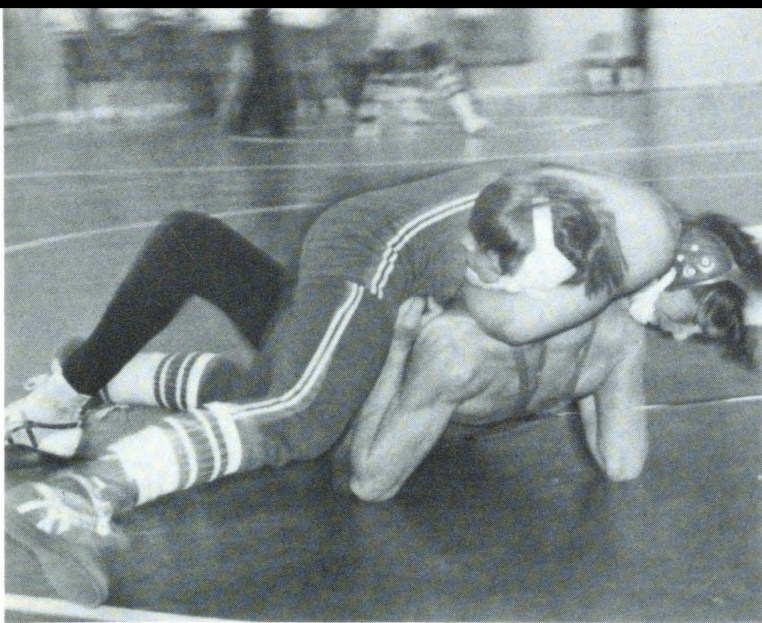

and we plan on being better next year." The main thing Coach Ketcher emphasized was the fact that the boys had pride in their school and in their team.

The squad placed sixth at district, seventh at conference, and fifth at regionals.

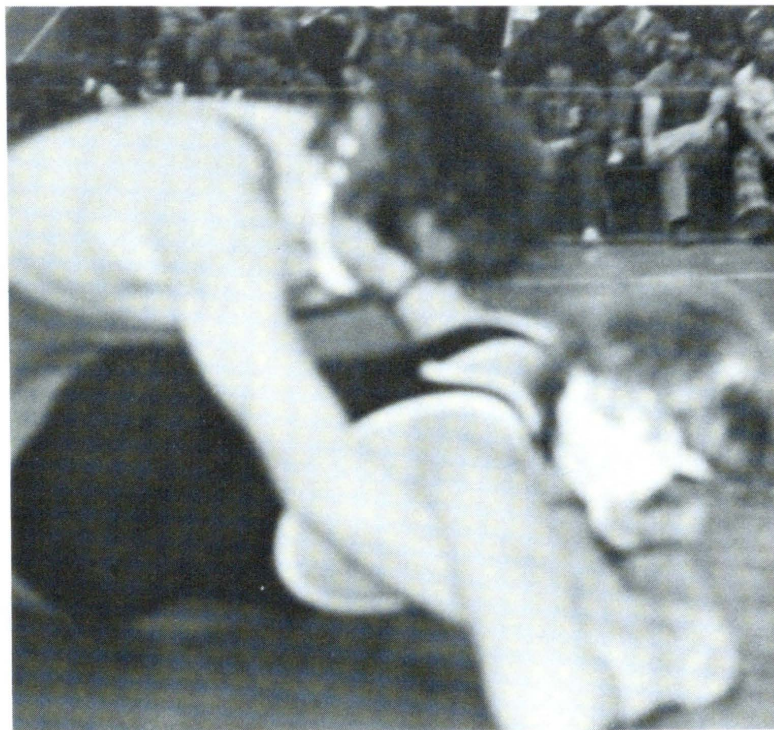

Overall, the EN wrestlers improved a great deal, and they are hoping to improve even more in the future.

Continue Winning Tradition

The East Newton track team continued its winning tradition in 1981. The thin-clads competed against competition from MO, OK, KS, and fared very well losing only to 4A powers Neosho, and Joplin Parkwood.

The Patriots had several outstanding individual performers and most of these

people return for the "82" season. However, they do lose four good seniors. J. Tanner, J. Patterson, D. Johnston, and M. Vanslyke, a special thanks goes out to these young men for their four years of hard work and dedication to track.

The future of Track and Field looks good for old EN.

LADIES HAVE STRONG SEASON

The Varsity Patriot girls track team had great success in all their meets again this year. They placed first in the McDonald County and Riverton Relays. Also, they finished first in the BIG 12 Conference making East Newton champs for the fourth straight year.

The whole season was

highlighted with many outstanding performances in both individual events and team events. Freshmen track members made for a major building block for the future. Their performances provided a glimpse of the strength they hold to bring to the East Newton Girls Track Team next year.

School Publications also known as 7th hour romper room, is the class that is largely responsible for this yearbook. The staff is composed of nine staff members and two dedicated editors, Rhonda Blinzler and Donna Dody. They all worked hard to meet dead lines and make this yearbook something

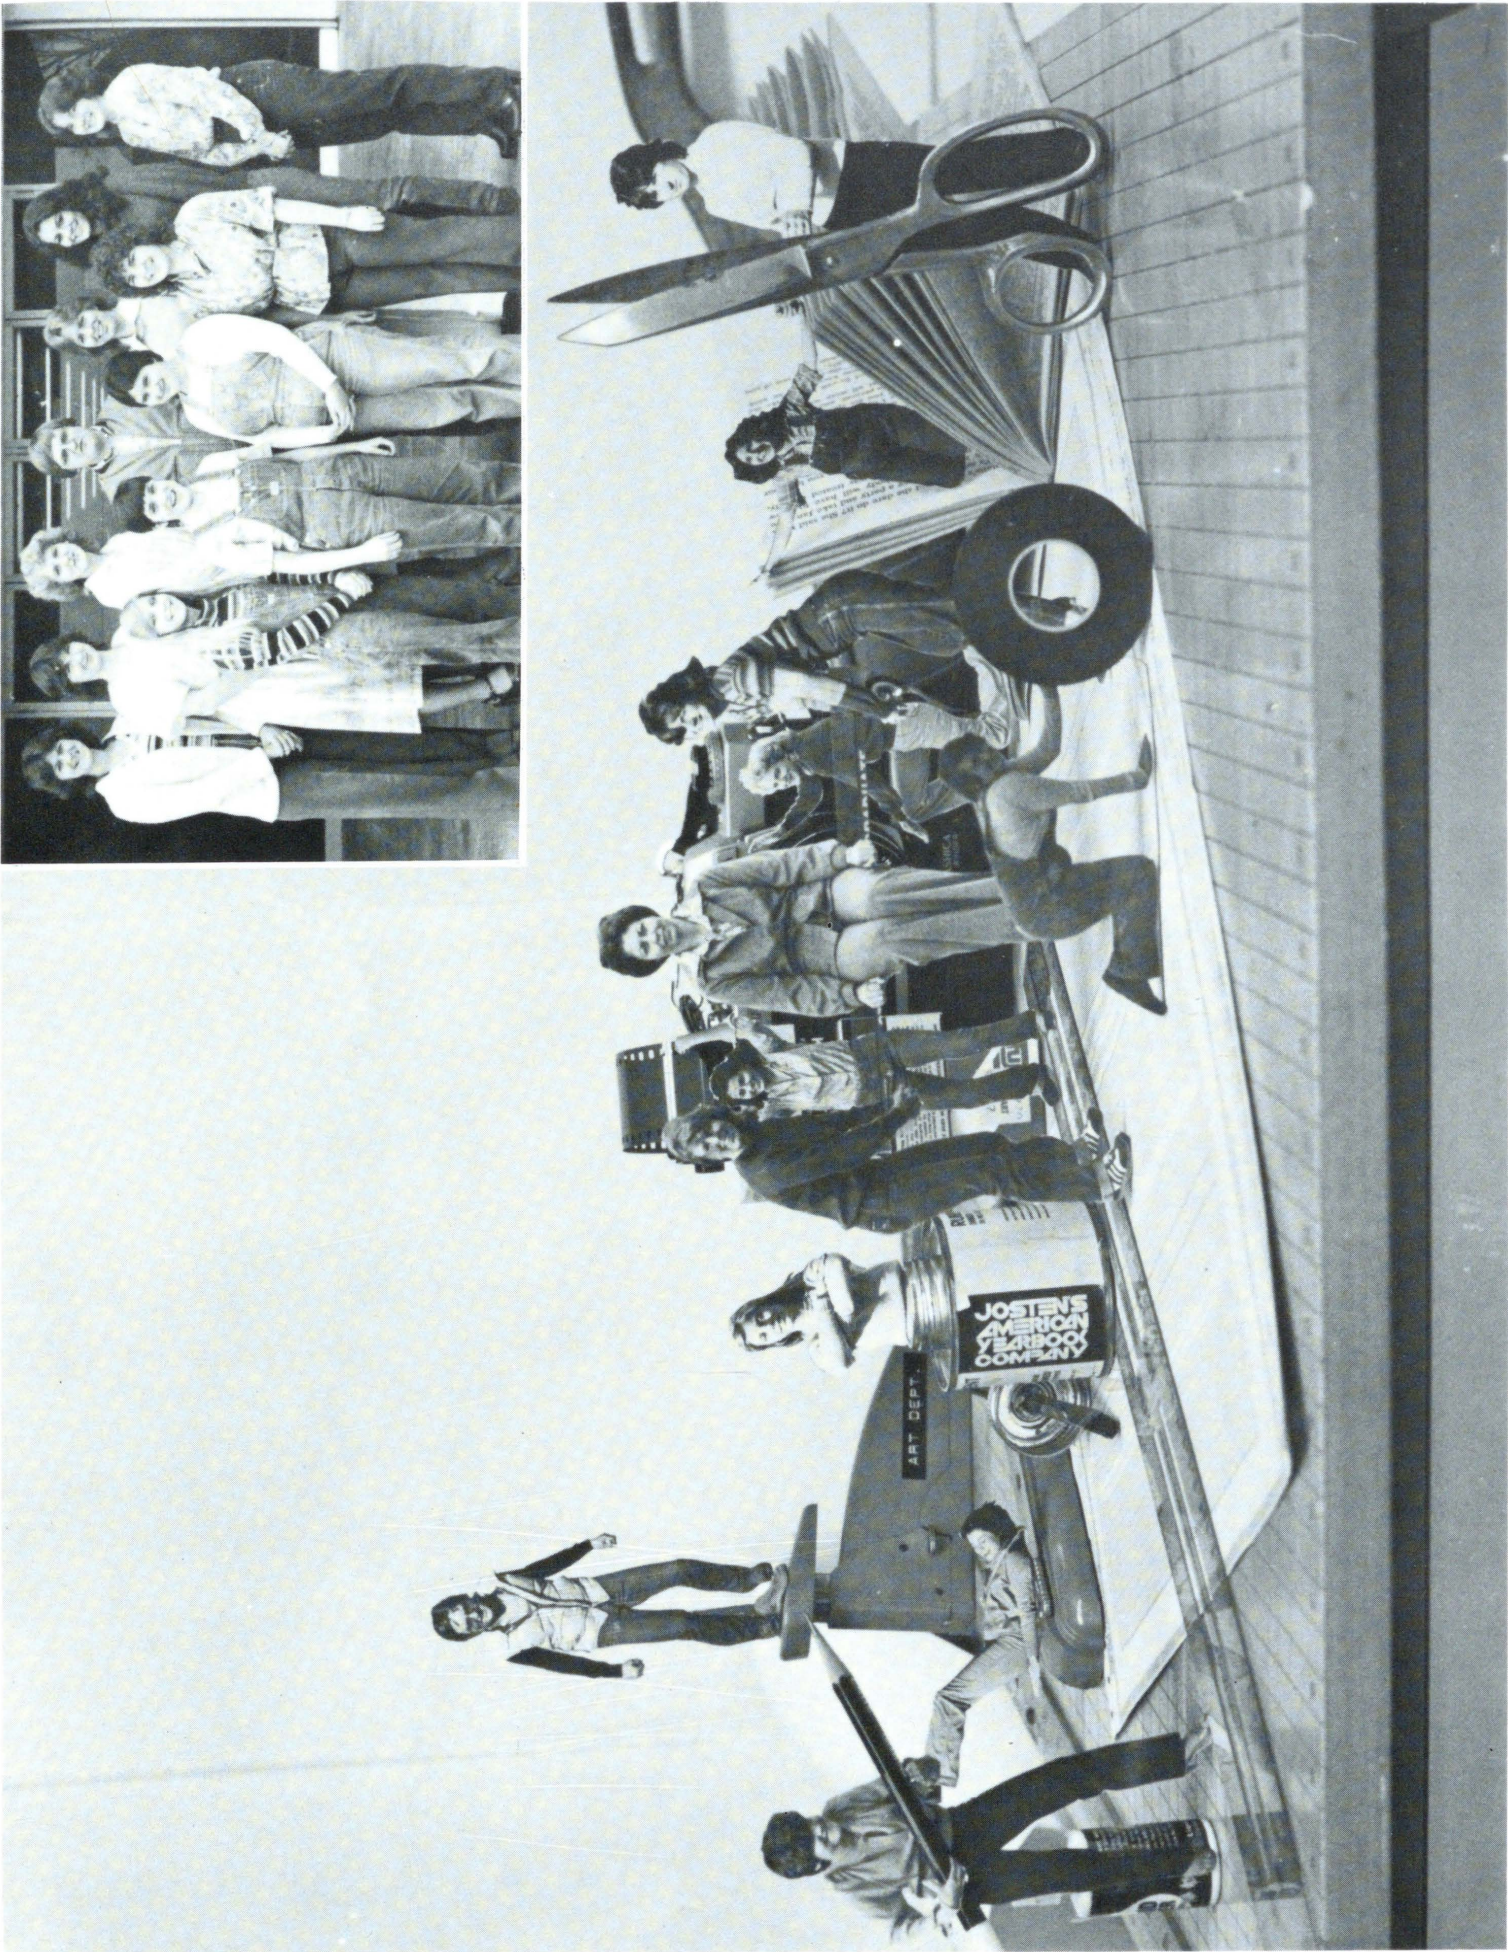

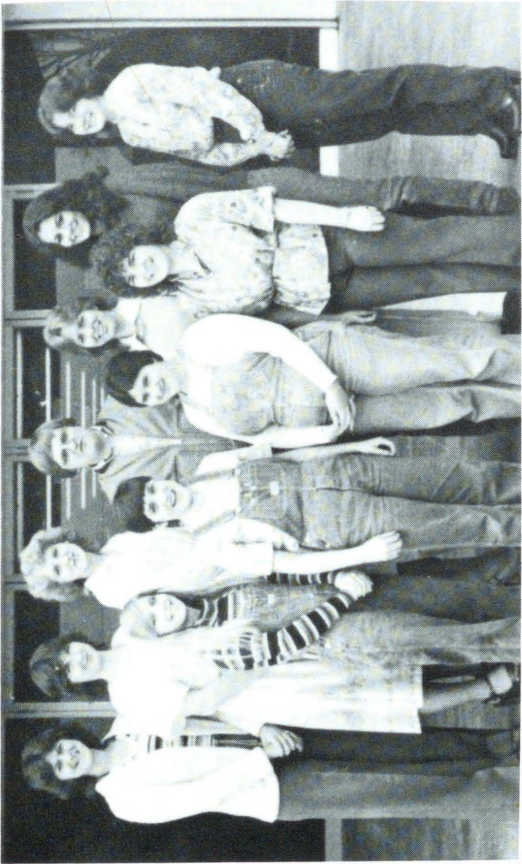

to be proud of.

But, with the help of our advisor, Mrs. Getha Wilkie, none of this would have been possible. She was the one who held everything together. The contributions of time and energy she put into this yearbook are appreciated.

Making Your Memories Last

f

Capturing the Memories

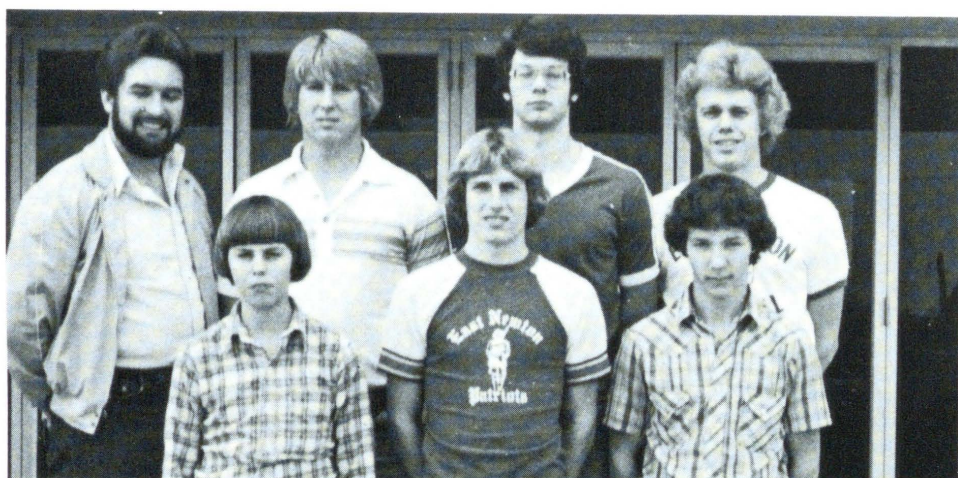

Do you ever wonder who those people are peeking around corners? Well they are probably members of the yearbook photography staff. They put in many hours of their own time each week taking and developing pictures which will be used in the making of the yearbook.

This year's advisor is Mr. Fred

Cox. He has proven himself well in the field of photography, and his many ideas and enthusiasm contributed much to the yearbook's success.

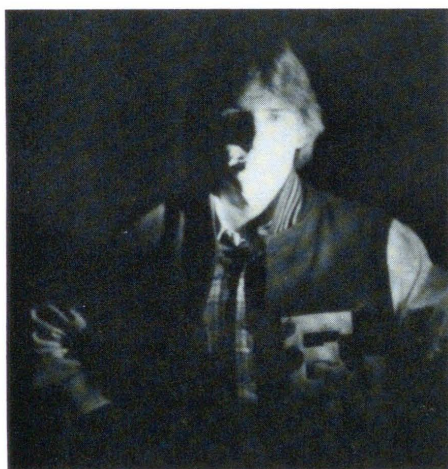

So we, the yearbook staff say thanks to this much needed and greatly appreciated group of people.

CAMERA WARS

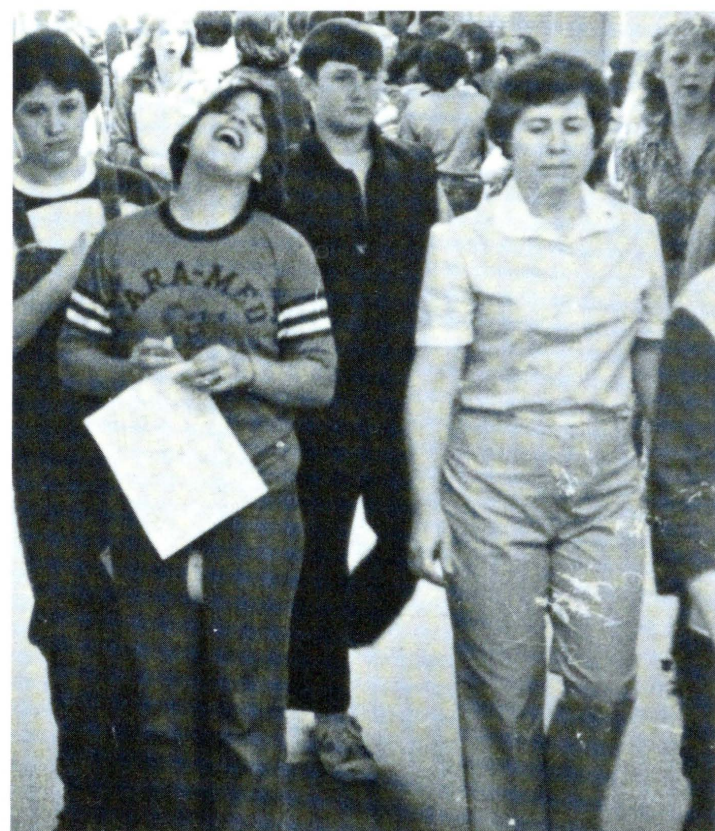

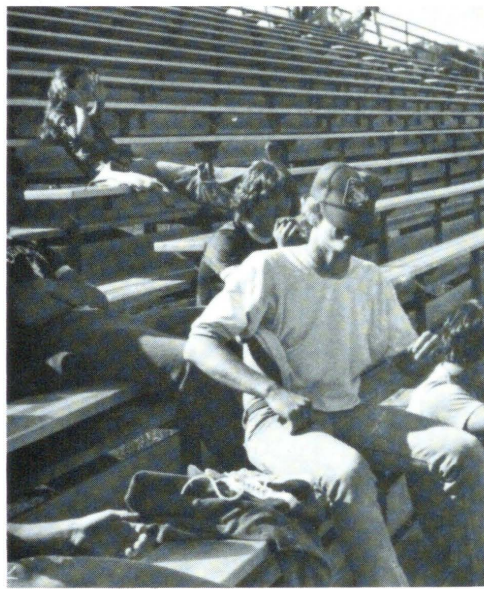

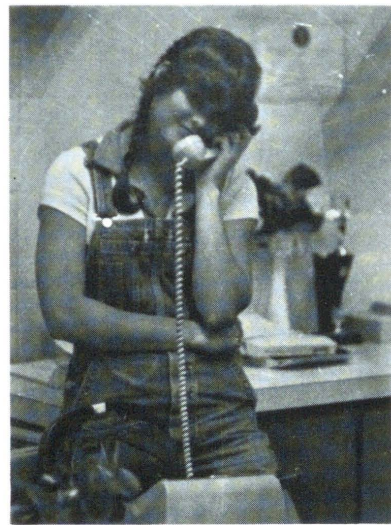

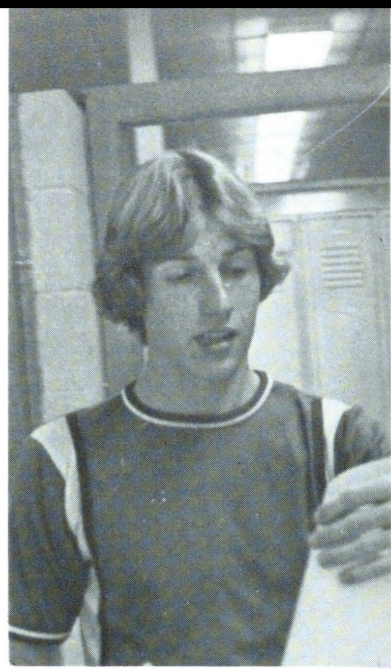

A time long awaited, May 1981, has finally arrived. This past year has gone by so fast it seems as if we just started a few weeks ago. As the editors of this yearbook, there are a lot of people we would like to extend our thanks to that have helped us make it through the year and get this book finished. We would like to thank our own staff for putting up with us and Mr. Cox, we really do appreciate

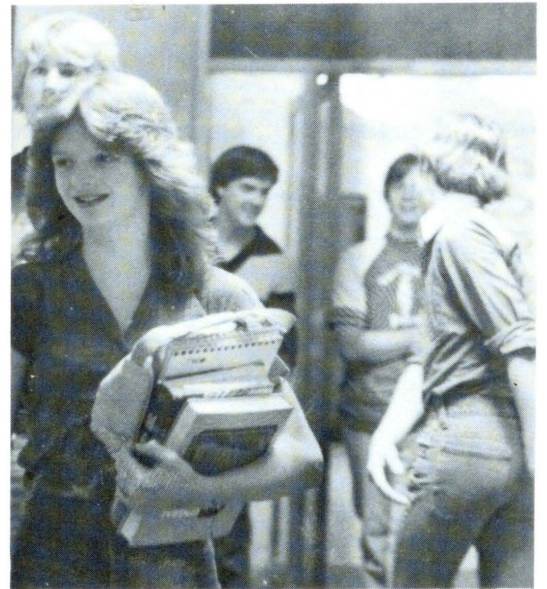

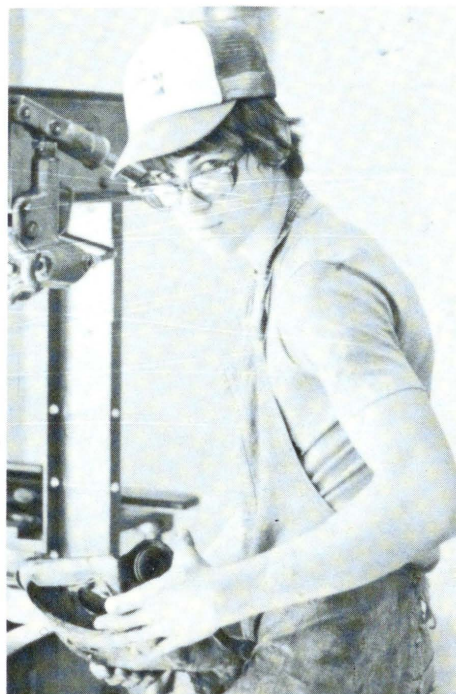

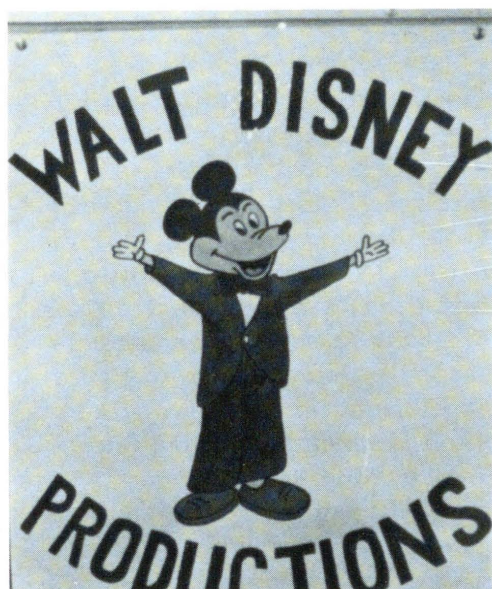

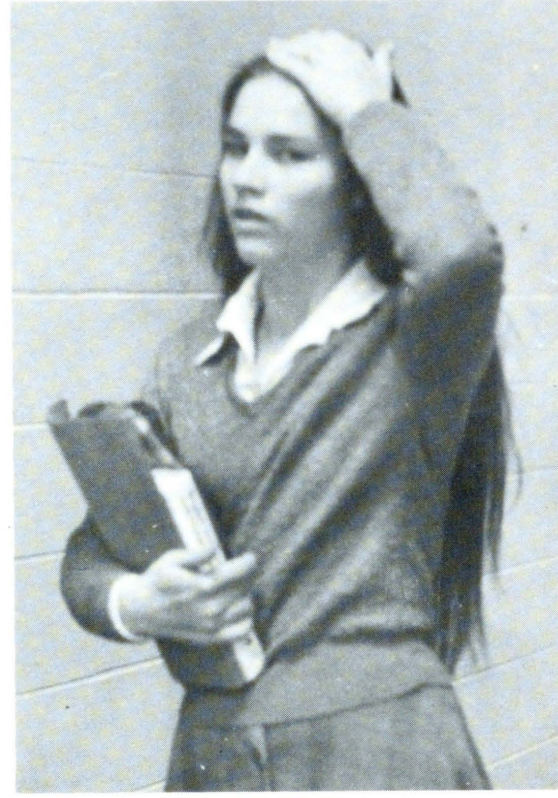

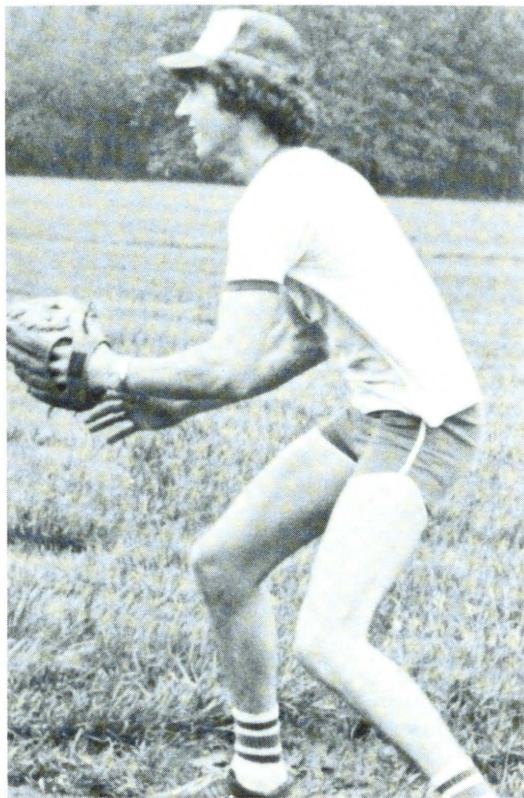

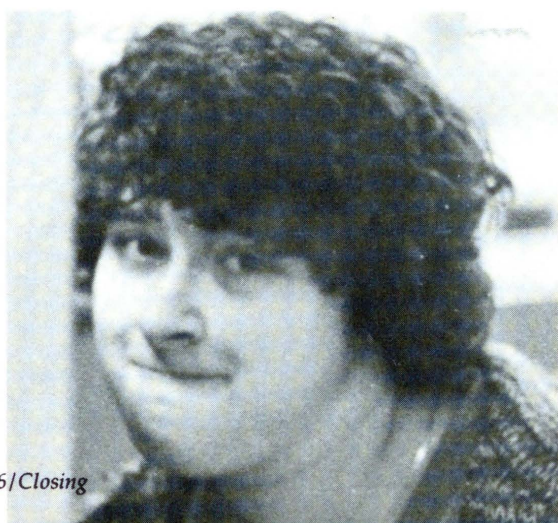

all of your work.

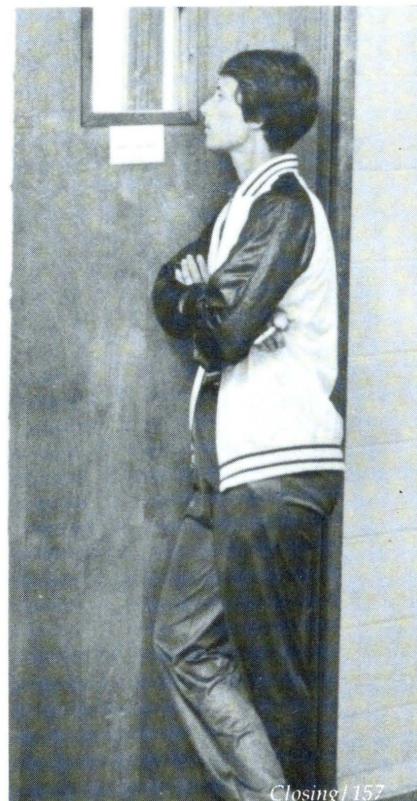

The person who deserves the most thanks is Mrs. Wilkie. There aren't many people that would give up so much of their own time to help us. Mrs. Wilkie we would like to say a special "thank you", especially to you. All and all both of us have enjoyed our last year here at EN and we will never forget the experience of putting together the 1980-81 yearbook.

Graduation Lament

*Today's the day I graduate; to this school I come no more.
This, my goal of the past twelve years,*

*The days were laced with fun and games
Along with my growing up:*

is what I've been waiting for.

I've developed a personality

I've had to measure up;

*I had to make it with my peers.
And now that the struggle is over,*

I'm going to miss my classmates

I'm going to miss the notes and such

With the diploma comes a sad thought:

Now I must face reality.

Not only on tests and with teachers

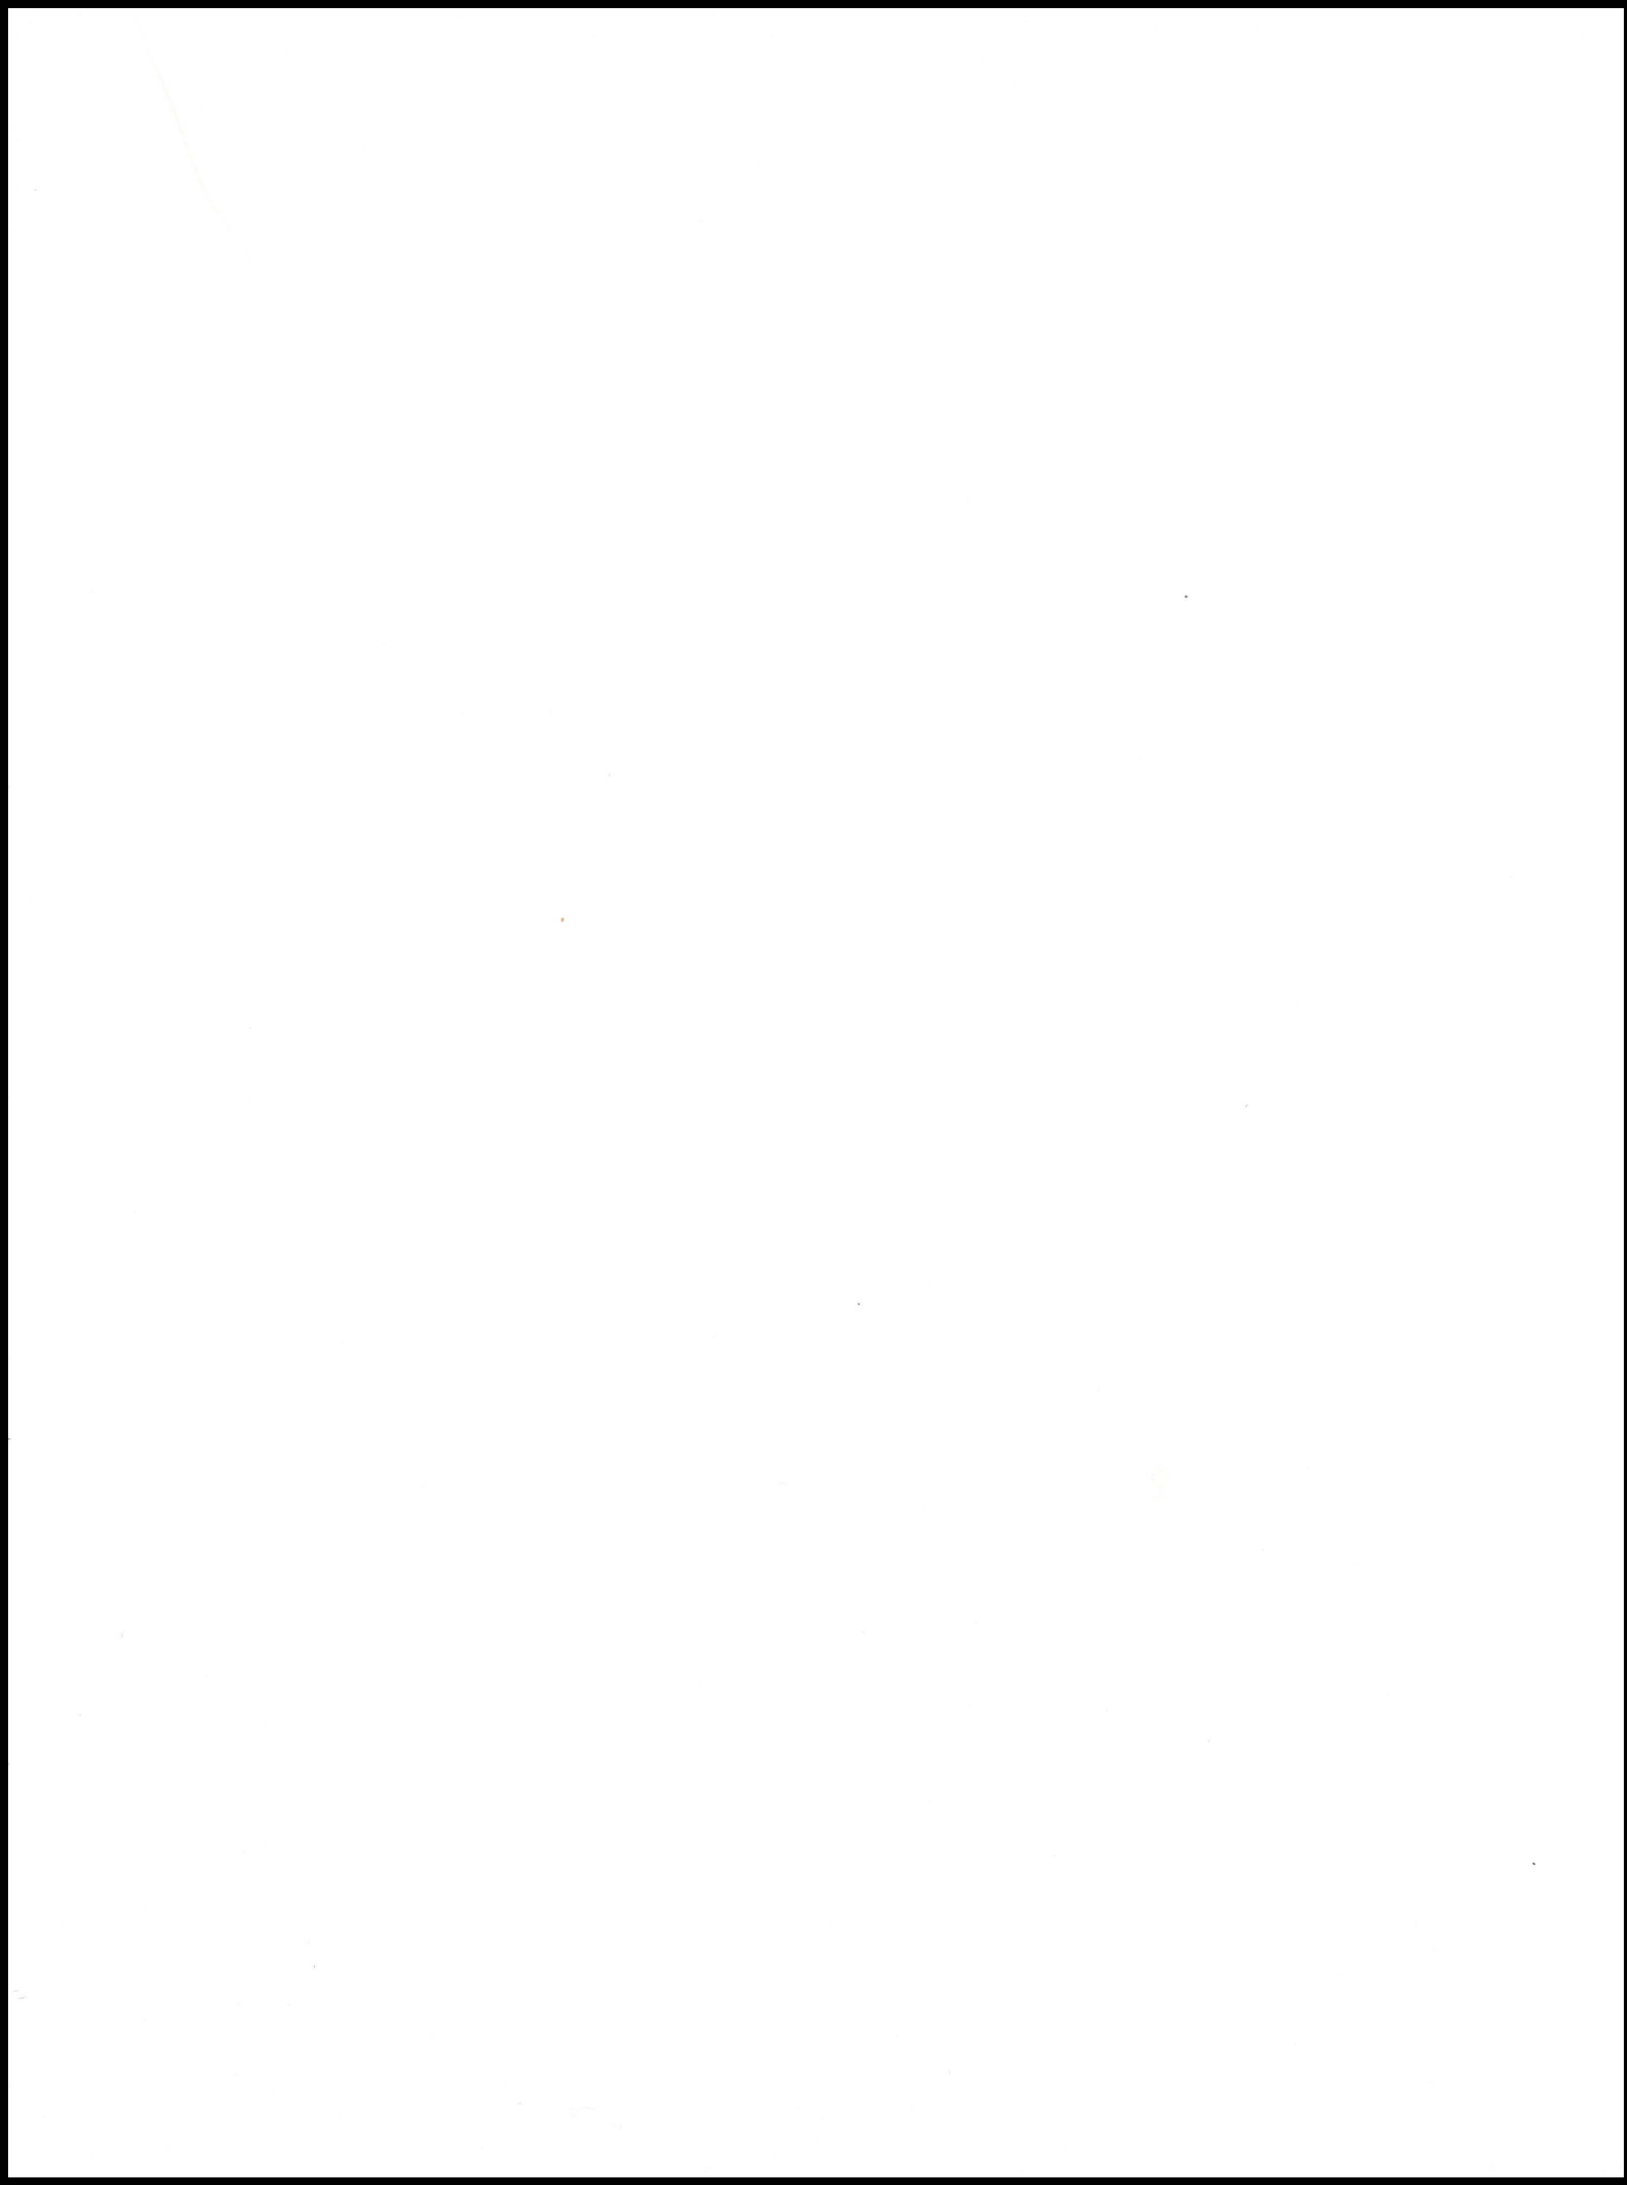

I feel like shedding tears.

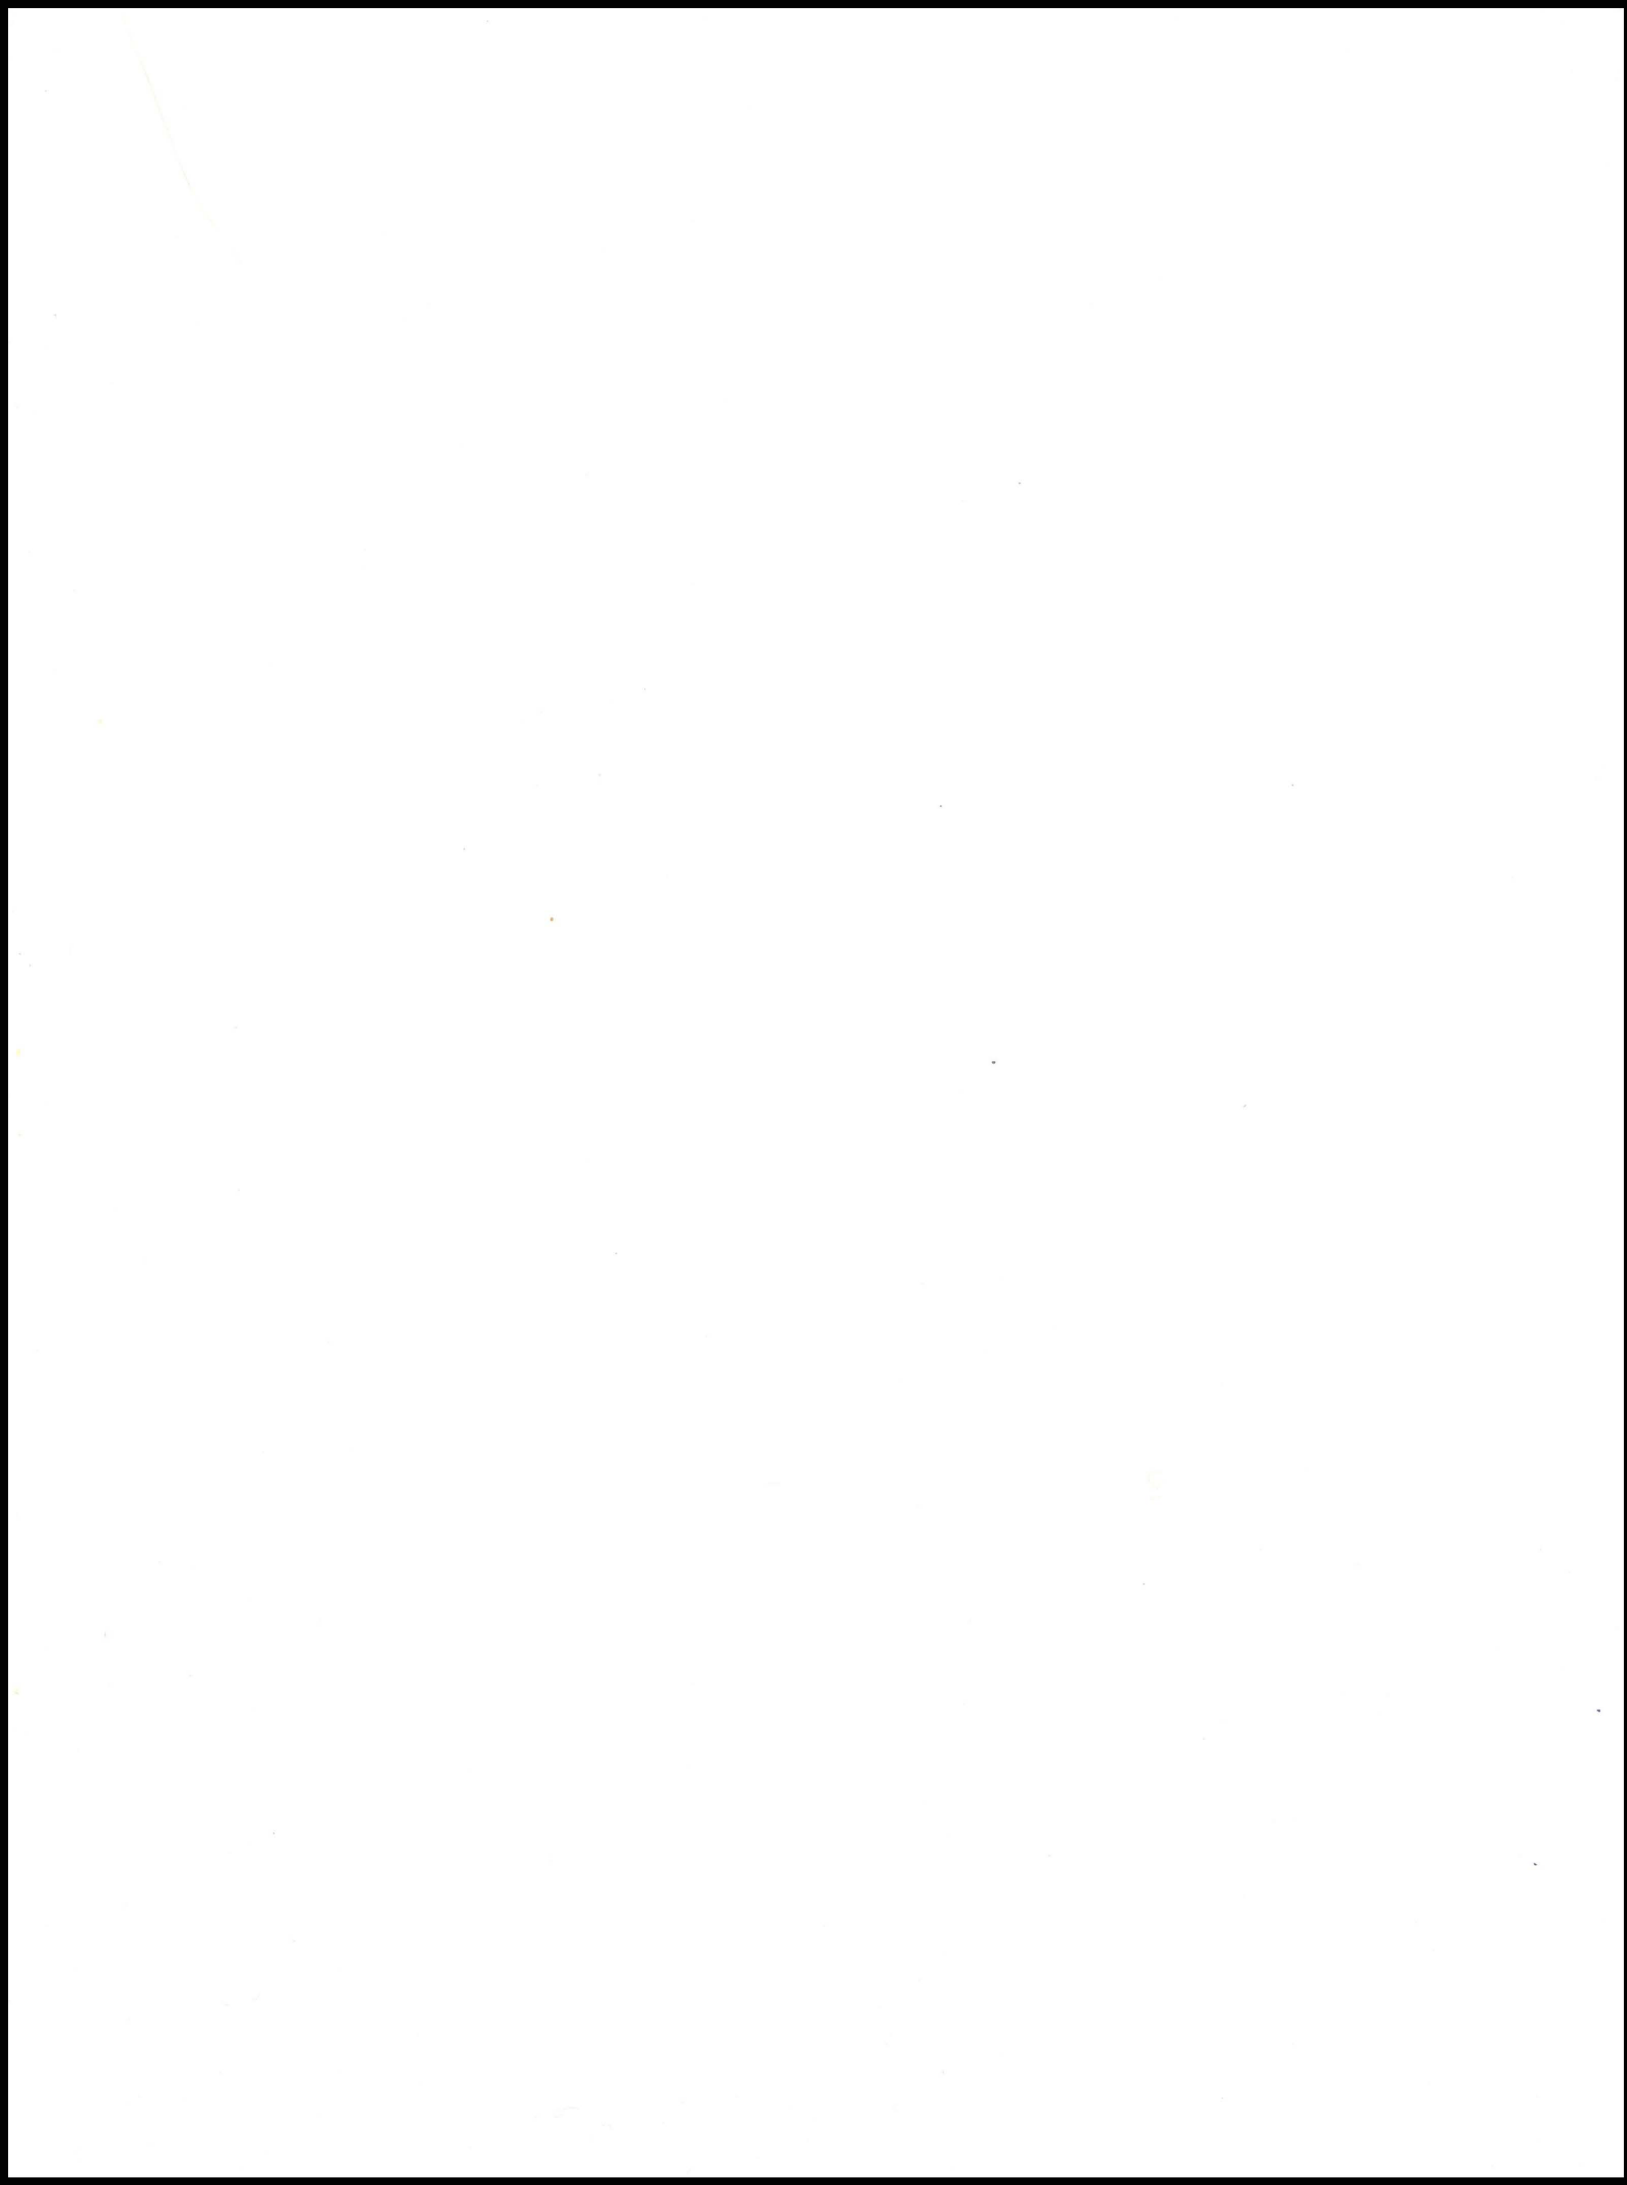

and the teachers' constant calls

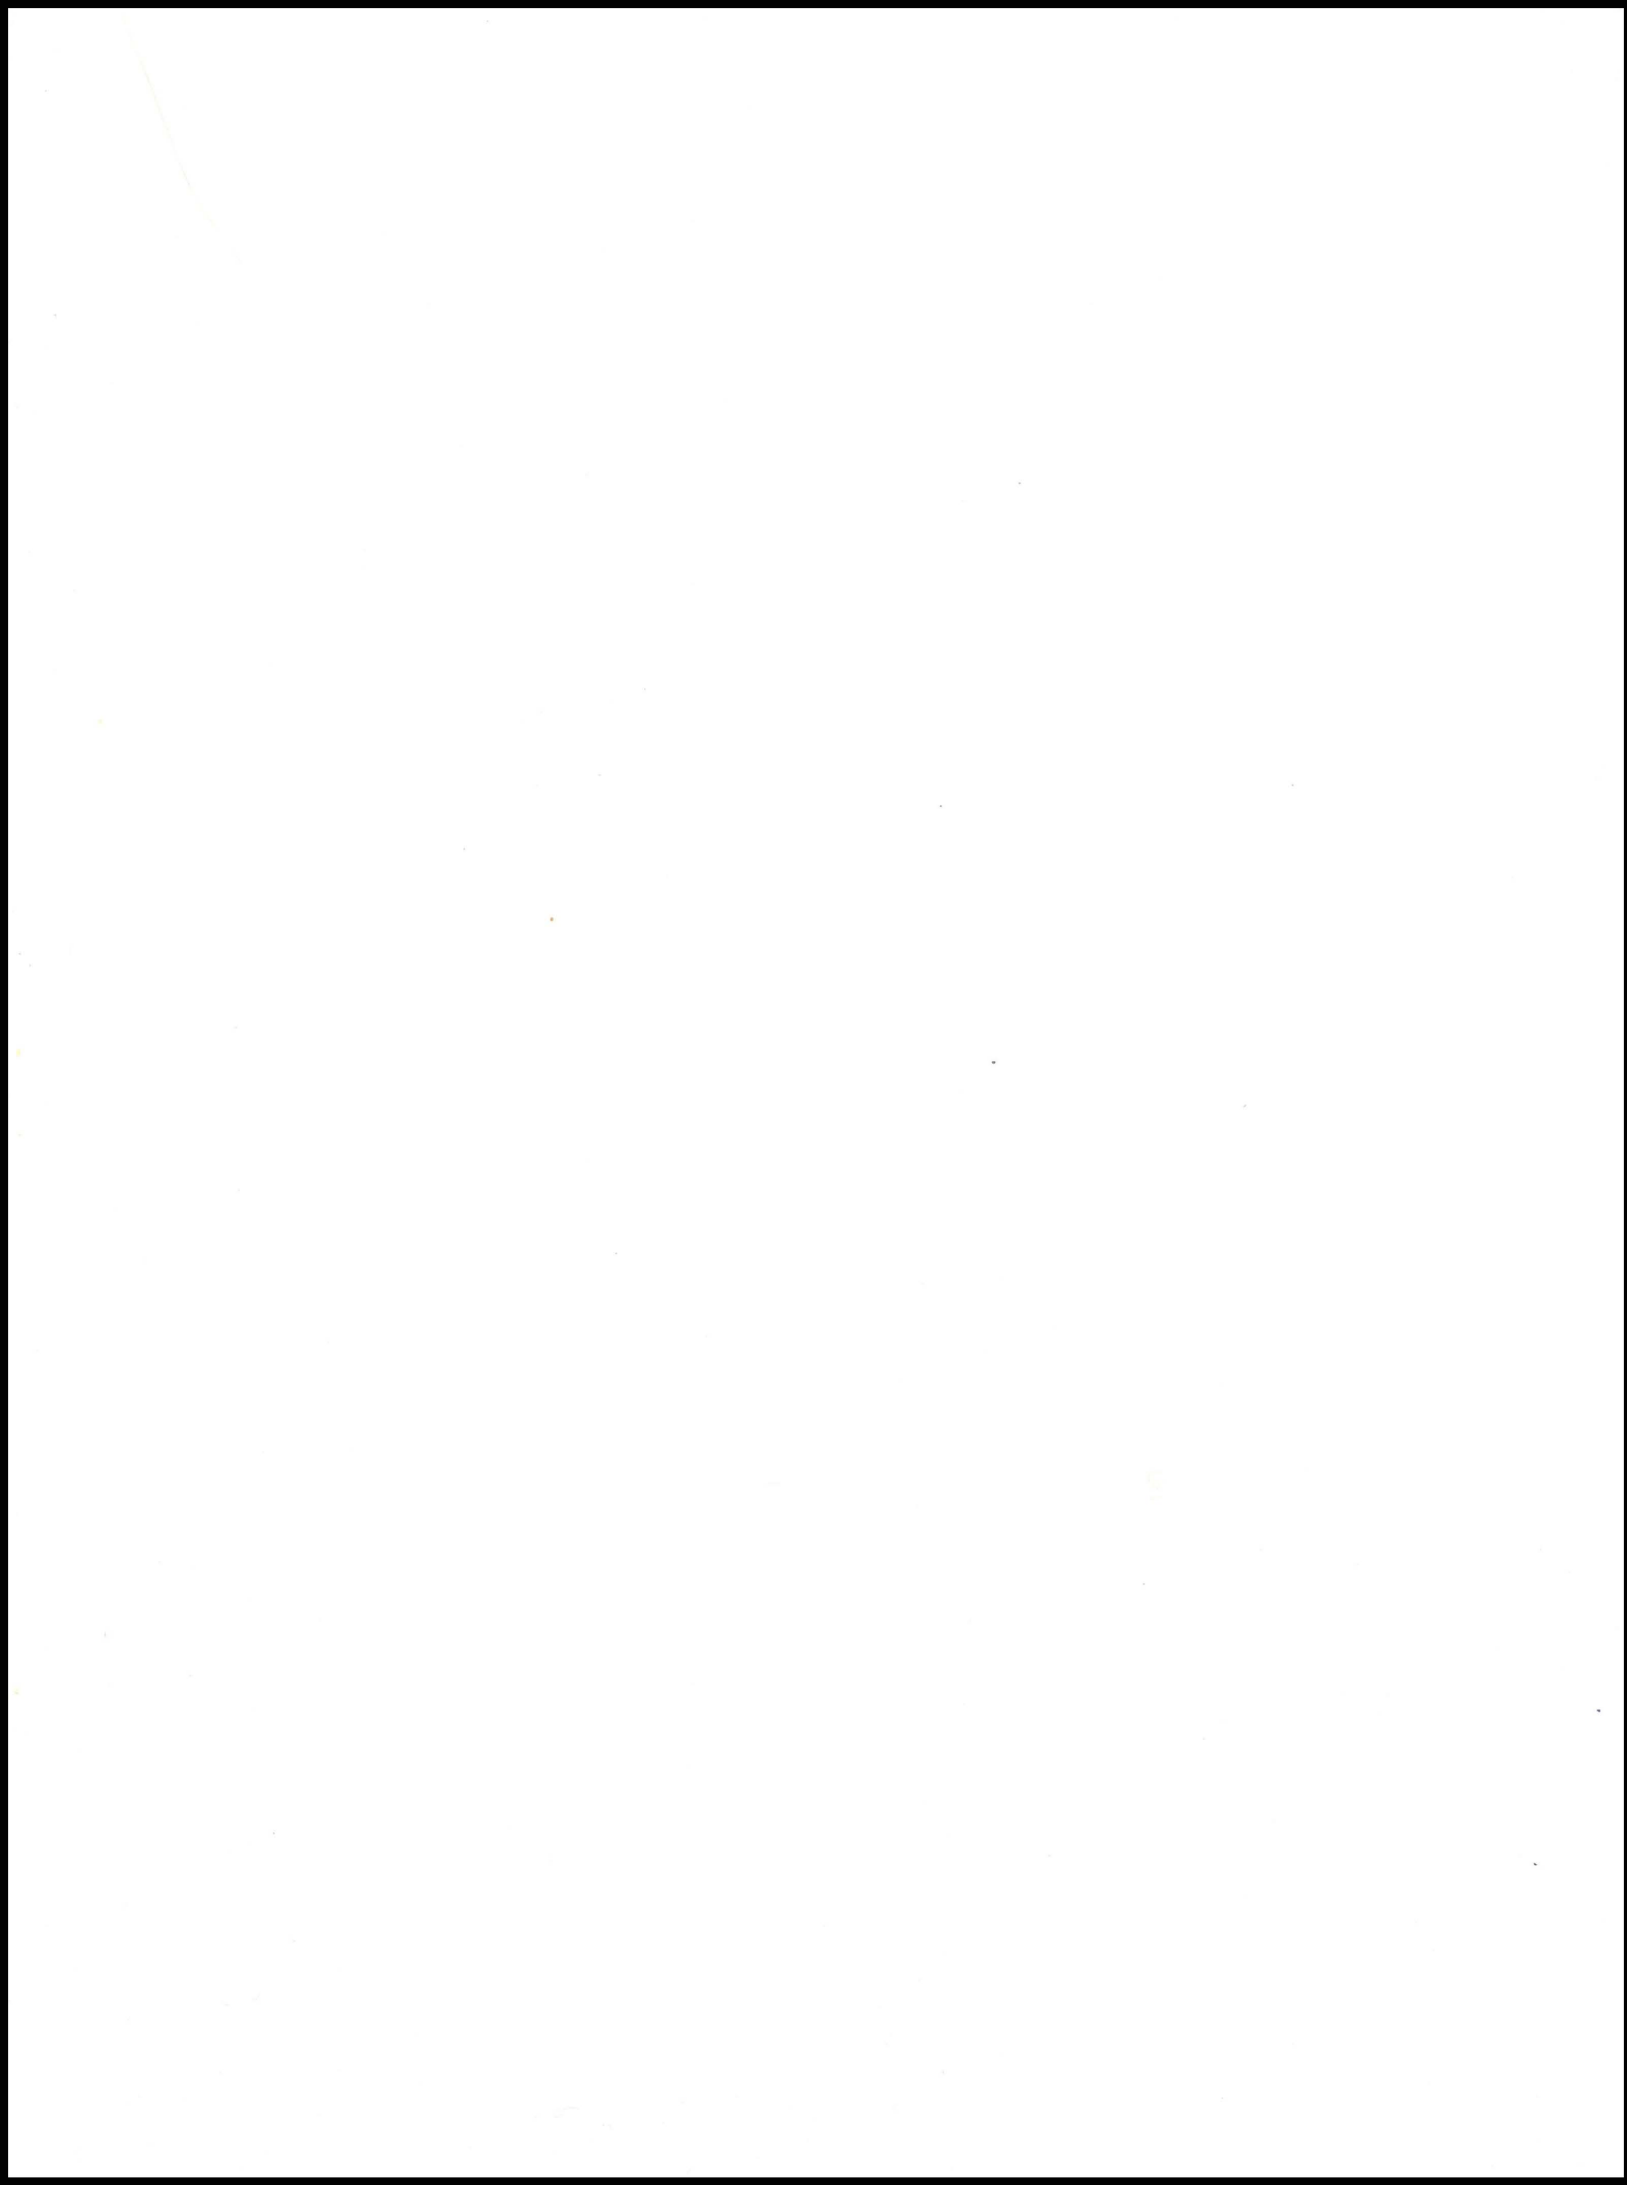

we passed along the halls.

My adolescent years are gone
