The Neosho High School student section kicks the season off to a great start for the first home football game. To the roar of the student section, the Wildcats defeated Branson 42-21.

Kathy Ellison

Kathy Ellison graduated from Memorial High in Joplin, MO in 1983. She started attending college at MSSC in Joplin while taking classes in the evenings and between work shifts at Walmart. In 1991 she transferred to SMSU in Springfield to complete BSed in English, and she also transferred to a Walmart in Springfield to continue working. After graduating in May 1995, she left Walmart after 10 years, moved to Neosho and started her first teaching job. "When I saw the opening for an English teacher at Neosho High School in SMSU's Career Placement office in the spring of 1995, there was no question to my mind that this was where I wanted to begin my teaching career, and hopefully stay." She has also been teaching at Crowder College since the fall of 2004, and she completed her Masters Degree from SMSU in the spring of 2005.

Kathy is the second of four children. Her older sister Laura lives in Elkhorn, WI. Her brothers are Chris, who lives in Tacoma WA, and Darren, who lives in Aurora, MO.

Kathy's favorite things to do are going camping with her family, gardening, fishing, working on their farm, and reading any chance she gets.

Thank you, Miss Ellison, for your many years of dedication not only to NEOHIMO, but also to Neosho High School. You are truly a worthy recipient of this honor, and we are proud to dedicate this year's memory book to you.

Tending to her chickens is one of Kathy's favorite activities.

Miss Ellison earns her Masters Degree in 2005

Kathy's sister Laura's family, her brother Darren and his wife, and their father all gather at Kathy and Dan's home for Christmas in 2016.

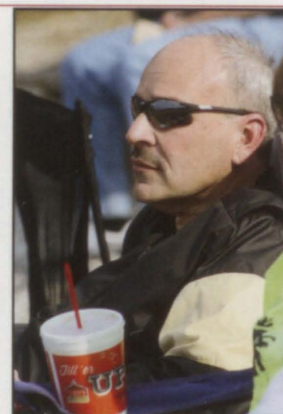

Darren Cook,

Your many years of selfless dedication to the students, staff, and faculty here at NHS are greatly appreciated. We, therefore, dedicate this year's book of memories to you, a most worthy recipient.

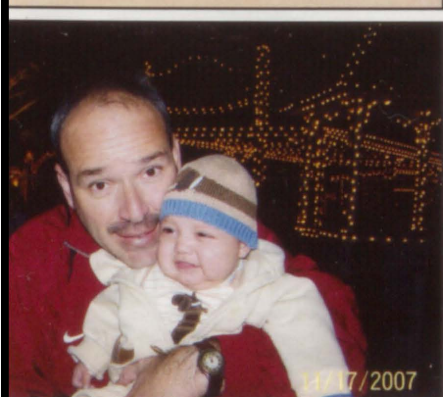

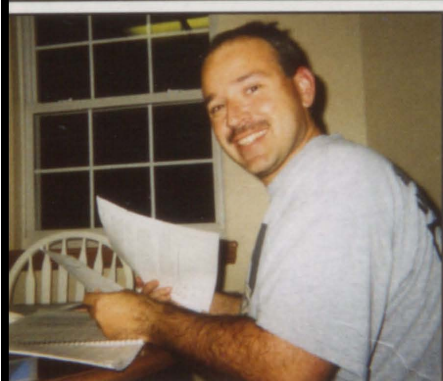

Darren Cook

Darren Cook is the son of Jack and Mary Ann Cook. He is the youngest of four children. Born and raised in Miami, Oklahoma, he graduated from Miami High School in 1986. He received an Associates Degree from Northeastern Oklahoma A and M College and then continued his education at Missouri Southern State University. He graduated from MSSU with two bachelor's degrees, one in Marketing and Management and one in Business Education. Darren obtained a master's degree in Guidance and Counseling in 1996 and a specialist in Educational Administration in 2003 from Missouri State University.

Darren began his teaching career in Neosho in August, 1991, as a classroom teacher. He was also a counselor, activities director, and assistant principal prior to becoming principal. His love of education came from his mother, who was a classroom teacher in Miami for many years. He feels extremely blessed to have had the opportunity to work in Neosho his entire educational career. He has been fortunate enough to work with some of the best students and educators throughout his years here at N.H.S.

He married his wife Missy in 1995, and they have two sons: Brett born in 2000 and Brock born in 2007. Darren loves spending time watching his sons participate in the numerous activities they enjoy. Most of the family's time on week-ends during the summer is spent traveling with Brett as he plays baseball on a team out of Springfield. Darren also loves spending time with his siblings and his extended family and traveling to places other than where Brett plays baseball.

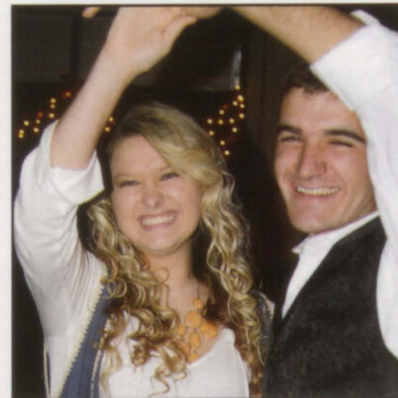

Seated in front are Darren's parents Mary Ann and Jack Cook. Next to Darren in the back row are his sisters Lynda Smith and Sandy Schemahorn and his brother David.

WILDLY Connected Volunteers

When tornadoes visit Goodman and Neosho on April 4, and one heavily damages the elementary school building at Goodman, Neosho School District shows up to help the next morning. Fortunately, only Lucky (Lyndall Ullmer), the custodian, was in the building, and he escaped unscathed.

The building was not so fortunate, but over the next few days volunteers including NHS students, teachers, administrators, and staff began to collect what could be salvaged and clean up what could not, prepare new spaces for classrooms, and encourage those directly affected by the storms.

Freshman Anthony Thompson

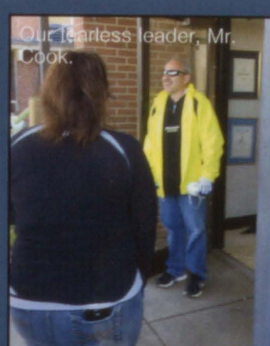

The evening of April 4, 2017, the high school's FEMA shelter is used for the first time as a tornado shelter.
