# The Champions

For the first time ever, the Diamond Lady Cats win the District Tournament!!

Boasting was far from the Lady Cats' minds, focusing on winning District was the most important aspect for them.

The mind-set of every girl was to go out on the field and give it their all. The girls did give it their all and the Wildcats went on windistrict on October 10th, 2008.

- 1. Freshman, Brice Goad, waits to catch a pitch from Senior, Cassie Sharon, during the Neosho game.
- 2. "Strike a pose!" Some of the Lady Cats pose for the camera.
- 3. Sophomore, Taryn Stevens, plays her position at Short-Stop and waits to receive the ball.
- 4. Freshman, Jessica Johnson, prepares to hit, as the softball comes close.
- 5. Senior, Ashley Nickolaisen, sets up to catch a throw to first base.

### Principal of Diamond High School

130 Ms. G

Dear Diamond High School Class of 2009

It has been a great year at Diamond High School in 2008-2009. I have really enjoyed working with your class in my first year in Diamond. You have helped make it an excellent school year for me.

As you look back at your years here at DHS, make sure that you focus on your positive experiences. You have developed friendships and memories that will stay with you for the rest of your life. You also have been able to work with an incredible staff that helped prepare you for whatever your life shall bring. Don't forget to say thank you to the people who dedicated so much of their time and energy on your present and future. They were all there because of you.

I would hope that each of you will see your senior year as a beginning and not just an end. You have the rest of your lives to look forward to and what you do with that time is up to you. Have the "guts" to go for your dreams. The worst type of pain is the pain of regret - make your future as full as possible and don't let anyone derail your plan with negativity. Believe in yourself, have a plan for what you want to achieve, and be willing to work hard, and you will be well on your way toward your lifetime goals.

Sincerely,

Brian Lee DHS Principal

## Ms. Patricia Wilson

### Superintendent of the Diamond R-IV School District

Diamond High School Class of 2009:

Four years ago we walked into the high school, all of you as freshmen and me as the new high school principal. Together we made it! It has been an excellent four years. I have enjoyed watching each of you become young men and women and to see all of your successes.

know you are excited about leaving DHS and looking forward to getting out into the real world. As you do, please take with you what you have learned here at DHS and be thankful for your teachers and friends. Someday you will look back on these memories and cherish each and every one of them. I encourage you to never forget where you come from and to thank those who have helped you along the way.

Remember this is only a step in your life's journey. Do not stop here. "The future belongs to those who believe in the beauty of their dreams" (Eleanor Roosevelt). Dream big and go after whatever it is your dream for your life. There will be bumps in the road but do not let that stop you. They may slow you down, but keep pushing on, keep dreaming, and you will become whatever you wish to be. I watched each of you for four years reach goals, and sometimes you didn't think it possible, but you believed in yourselves and came out on top. Keep that belief and you will be successful in life.

With that said, I leave you with this...work hard, nothing in life is easy. Be willing to put effort into everything you do and you will go far. I wish every one of you the very best life has to offer!

Sincerely,

Trish Wilson, Superintendent Diamond R-IV School District

# The 2007-2008 yearbook dedicated to:

# Mary Ann Murphy

Unfortunately in the hurry scurry at the end of the 2008 school year, the yearbook staff mistakenly omitted the dedication page in the 2007-2008 yearbook. As a consideration of the 2008-2009 yearbook staff we have included Mrs. Mary Ann Murphy's dedication in this yearbook. We apologize for our error.

Mary Ann Murphy has been the heart of Diamond High School for many years. She answers questions, hands out admit slips, answers the phone, pages those who need paged, makes announcements to be handed out to the school, and much much more. The high school would not be complete without her. We appreciate everything that she has done and continues to do - not just for the high school staff, but the students as well.

Mary Ann is not required to attend any extracurricular activities, such as ball games. She has always been very supportive of all of the students and is always seen cheering on her favorite teams.

Without Mary-Ann, the high school would be a hectic frenzy. Thank you to the one who pulls us all together.

## The 2008-2009 yearbook dedicated to:

# Mrs. Price-Allison

Possibly one of the most influential teachers at Diamond High School, Mrs. Price-Allison was, with no argument, a hands down decision for this honor. All of her extra time was spent helping students that had any sort of questions, and some students who just enjoyed to be in her company.

Unfortunately, in October a horrific car accident prevented Mrs. Price-Allison from continuing her true love of life, teaching. It was unclear at the time if Mrs. Price-Allison would make it through her injuries and even more unsure if she would ever be back to teach again. She defied all odds. Fighting her injuries with a true devotion to return to what she loved.

On March 23rd, 2009, students came to school to see one of their most favorite teachers in her normal everyday wardrobe doing her normal everyday things. She has not only taught everyone around her to fight for what they love, she has taught everyone that impossibility is impossible.

Shaela.
