## NHS' PRETTY FAIR PAL: PERNILLE FALCK-PETERSEN

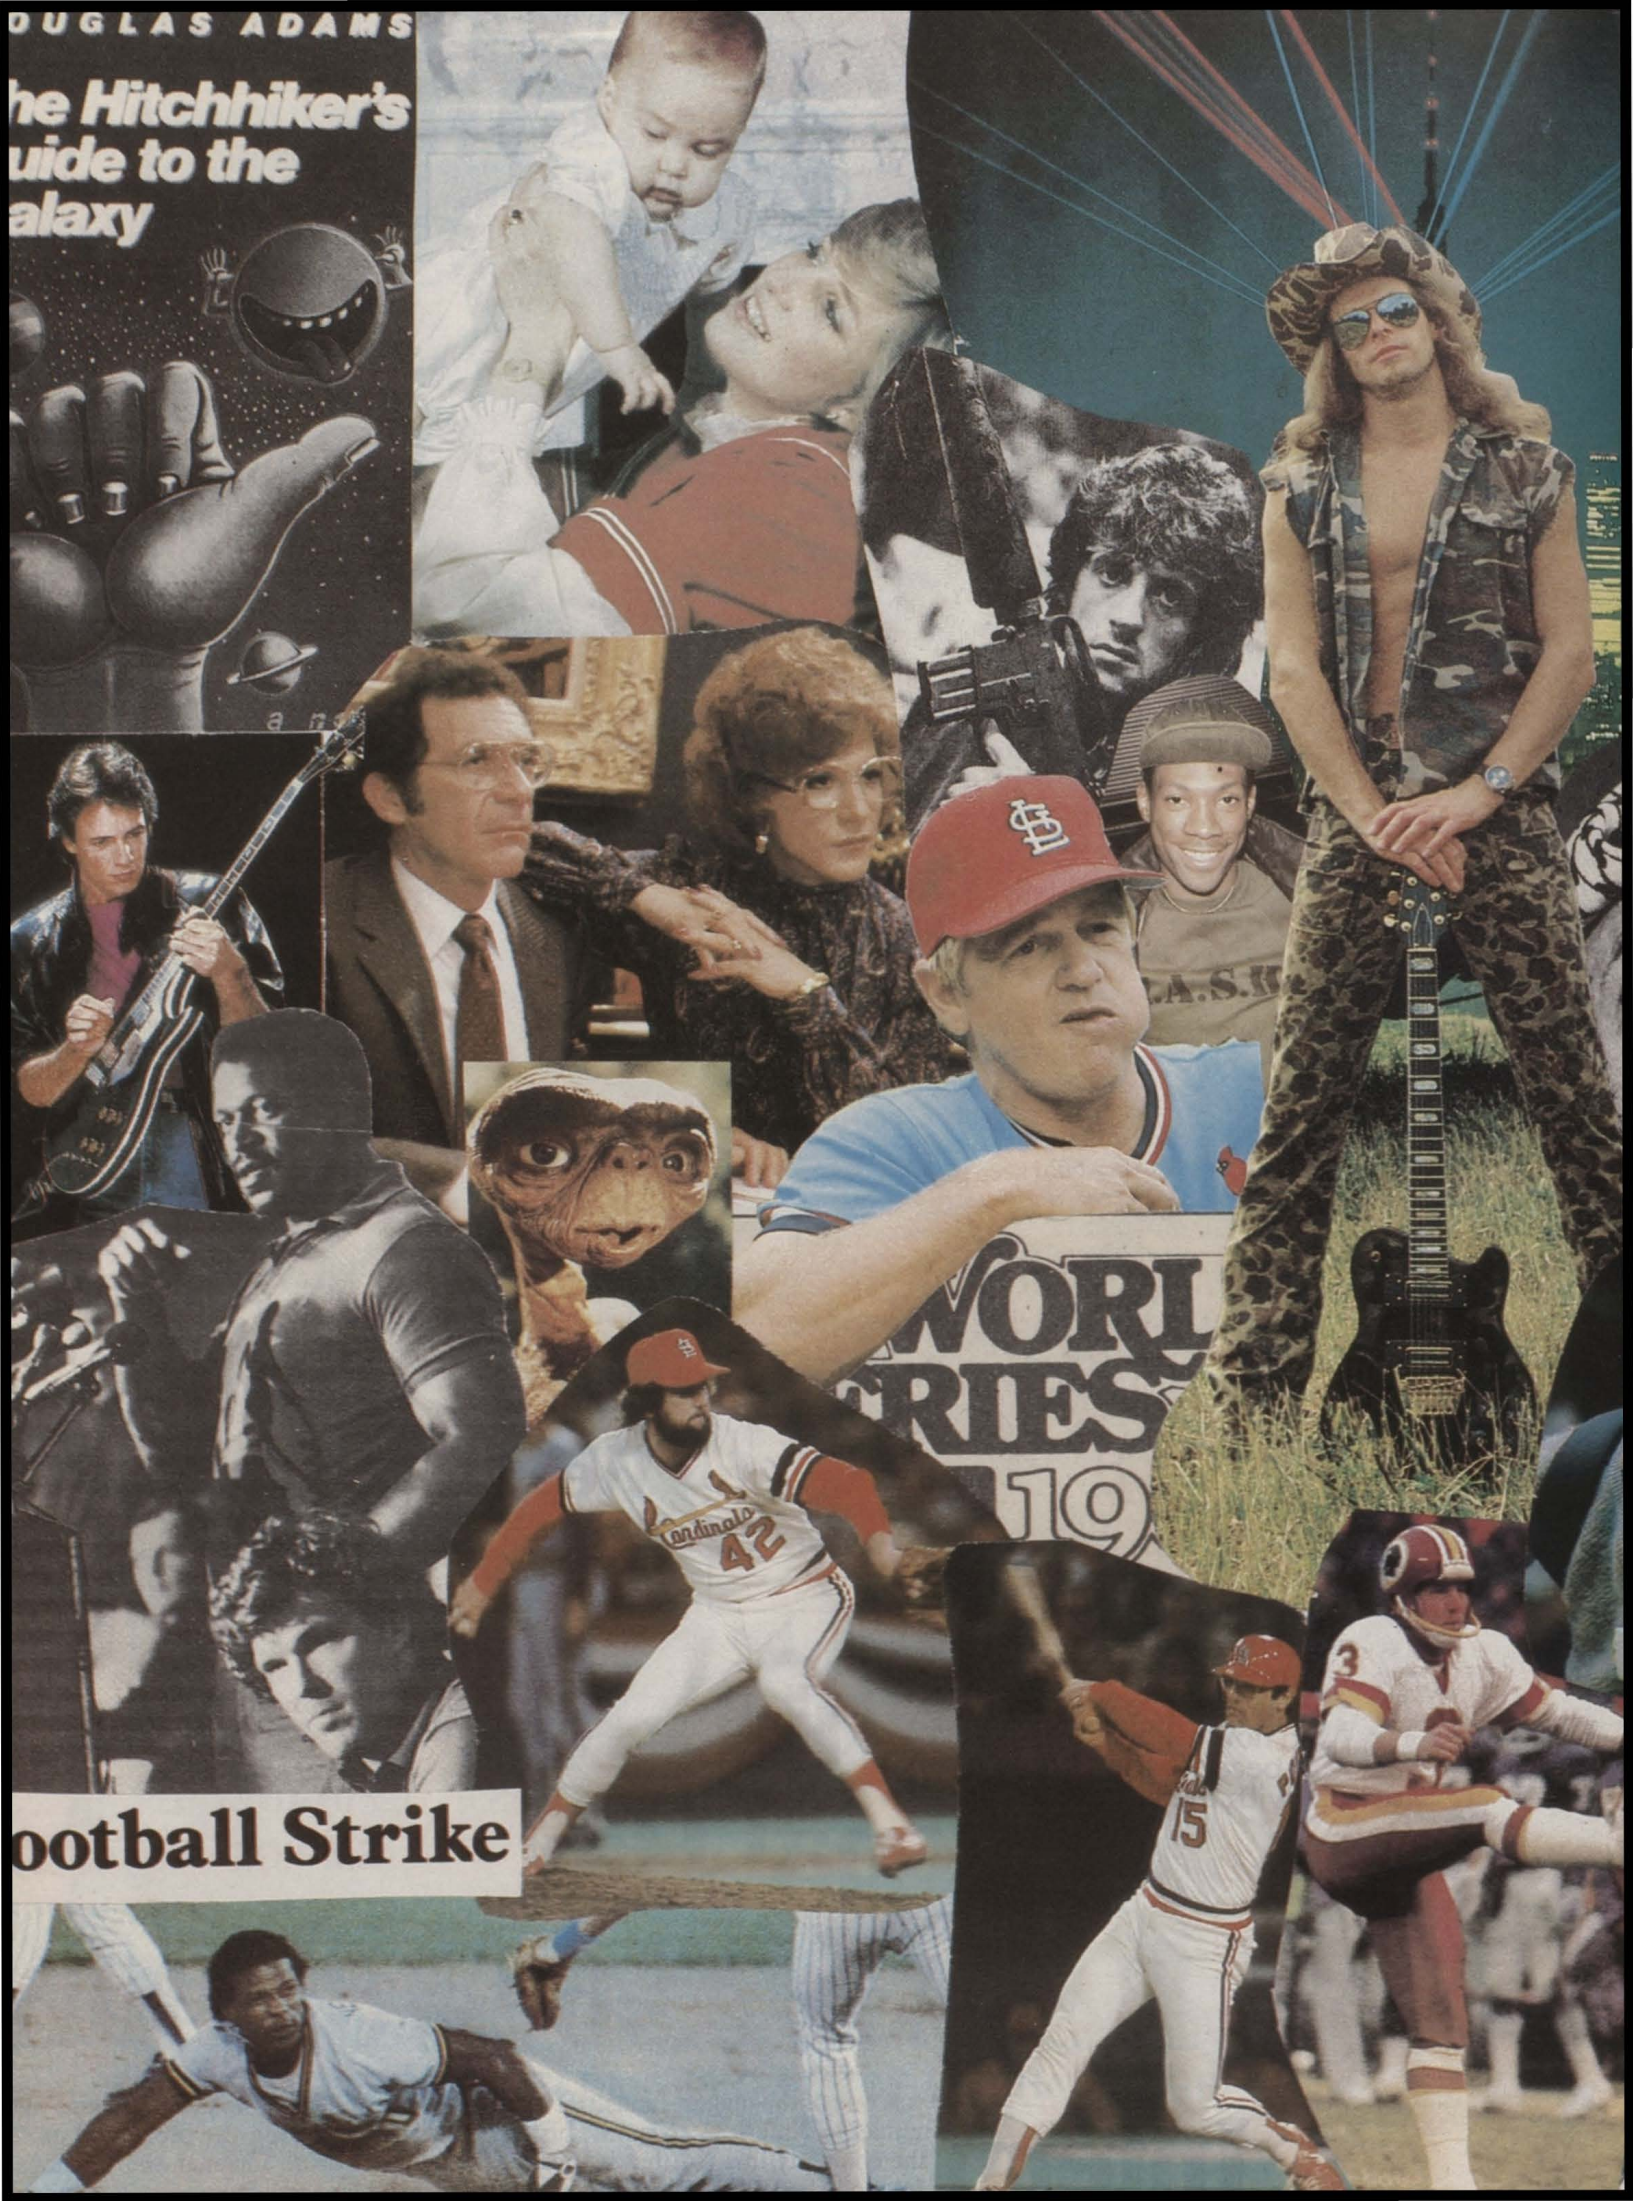

This year at NHS has been an interesting one as far as students go, because we had the unique opportunity to have Pernille

Falck-Petersen as a foreign exchange student from Naersved, Denmark. While she was attending school here she was a member of the graduating class of 1983.

## DR. JAMES T. CASTLEBERRY

After being with the Neosho School District for nineteen years (eighteen as superintendent), Dr. Castleberry is leaving us. But not without many outstanding accomplishments. During his presiding years as superintendent, South Elementary School was built, the patio was added at the Freshmen benches, our two mobile classroom units were added, and

the Vo-Tech building was built. Also, the ROTC program was established, full-time COE was provided, a Student Exchange Program was carried out, and we have been fortunate enough to be provided with a computer class (and computers) next year. We thank you for your years of great service Dr. Castleberry!

The annual ROTC Sweetheart Ball was held at the Municiple Auditorium. Bill Bell and Laura Wood were crowned King and Queen. (bottom of opposite page) The Candidates (shown at bottom from left to right) were Laura Wood, Bill Bell (Queen and King), Julie Hembrough, Sam Hocrer, Rebel Rawlins, Jeff Struddard, Sherry Reed, Shane Rearrick, Cindy Bradley, Jimmy Baber, and Della Coe.

The Neosho AFJROTC had a good year for Drillmeets. They went to several around the state and in Arkansas. In the Razorback Drillmeet at the University of Arkansas at Fayetteville, the Drill Team won second place as well as the Color Guard. The Squadron won third over all.

In the Missouri State Championships the Girls Drill Team placed second in the women's division and the mixed Drill Team took the third in the High School abbreviated division.

# LOST ART 82-83 of the RAIDERS

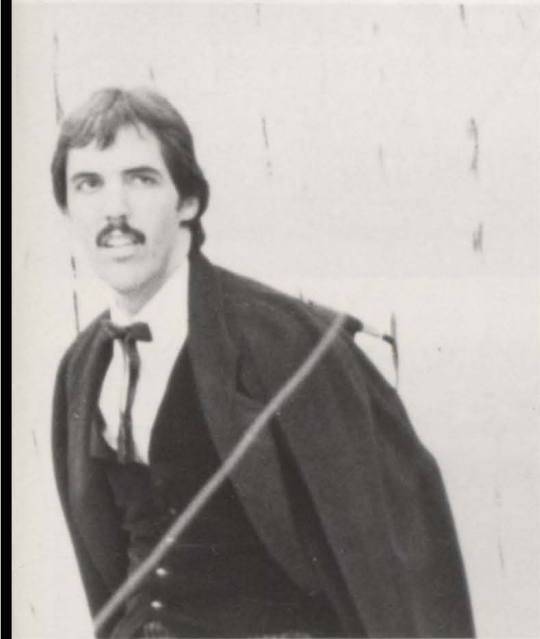

Striving for perfection the Art Club with Sponsor Anitra Keller, president Paul Lindsey, Secretary Carlene Nelson, and treasurer Vince Potter, gave a good shot at it! With the paintings in the hall and the two murals they displayed at the Choir and Art room steps.

They also livened up the cafeteria menu with their Garfield bulletin board and the events calender.

## GIRLS AND BOYS GLEE

The 9th and 10th choirs, better known as the boys Glee and the girls Treble choir had just an excellent year! To go to state you had to qualify, 9 out of 26 boys and 40 out of 60 girls did just that. With the men from Cecilian, along with the women, to fill the gaps both groups came home with a "I" rating from the MSSC district contest. According to Mr. Benz the accompanists did just a fine job holding the groups together all year!

# 82 WILDCAT BAND 83

## PRIDE OF THE OZARKS

Pride, Dedication, Determination, and a lot of practice is what this organization is all about. The Wildcat band was enjoyed by all, they not only take stride in their step but pride goes along too. The Wildcat band started out the year with a new look and uniform. The new design in color guard routine and drill work added to the performances.

The band was asked to do two college performances, one at NEO and the other at M.S.S.C.,

and was asked to come back to performance next year. The band would like to take time out to thank Mr. Kelso for all his hard work and long hours he has put into this band, to make it what it is today. We would also like to thank our band council members: John Johnson, Royce Barnett, Charles Morton, Jeff Bradley, Joyce Mason, John Pettit, Richard Clemons, and our senior Drum major Rick White.

Mr. and Miss Cecilian: C. Enloe and J.A. Morgan.

Cecilian Choir and Choraleers had a busy year! They performed five major concerts. Those were the Fall Festival, Fall Concert, Christmas Concert, Contest Concert, and Spring Concert. Cecilian Choir also performed traditionally at Baccalaureate and Graduation. They performed beautifully at District Contest honoring four straight 1's. Choraleers performed several times throughout the year. For contest, the group divided into two double quarters both making 1's at District.

# COE TAKING CHARGE!

This was a busy year for the C.O.E. Chapter. In the first of the year the officers were honored with an initiation of officers and installation of new members. This year the officers are: President Paul Lindsey, Secretary Joan Taylor, Treasurer Robin Anderson, and Reporter Jennifer Brazill.

The fund raising activities were fun for all and quite successful. The very first activity was to raffle off the treasured "Willie" at the football and basketball homecomings. They also sold cheese and sausage, the popular squeaker-peepers, christmas cards, two year calendars and the class of 83 owls. By having a bowl-a-thon and raffling a back-pack they raised money for Muscular-Dystrophy.

In the spring the district and state contest was held. All members of DECA attended, and Neo-sho brought home 19 trophies with 9 scholarship winners to Crowder College. Out of those 19 district winners we took 14 to state!

### NATIONAL FFA BOAC AWARD WINNERS

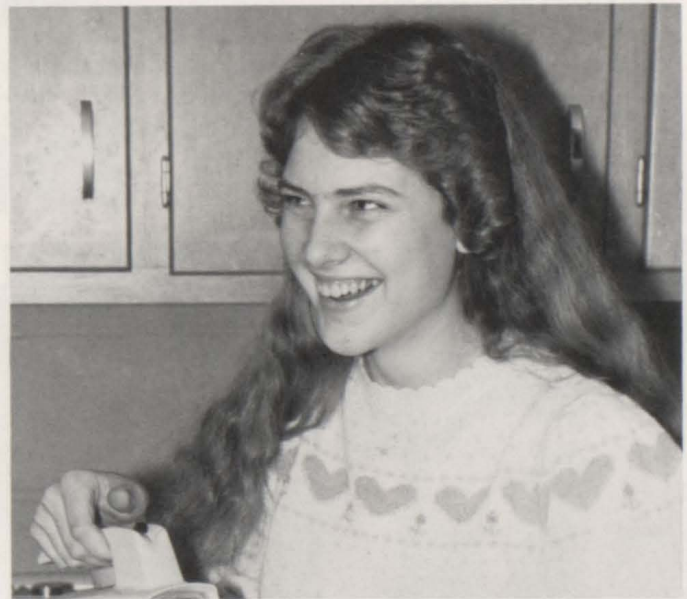

Fellowship of Christian Athletes members enjoyed a fifth year of fun and fellowship. Sponsored by Joe Fowler, FCA meets bi-monthly on Tuesday evening. Held in the high school gym, these meetings consist of informal devotions, prayers, and group huddles.

FHA members participated in many events throughout the year. Twice this year they undertook the responsibility of making and serving refreshments for both blood drives. Among their annual events such as the Fall Chili Supper and visit to the Nursing Home, they also sponsored a Winter baking contest.

# ORCHESTRA NEWS

The members of the NHS Orchestra gave their all this 1982-83 school year. They began with the fall string held in Springfield, which turned out to be a real success! The orchestra had their annual christmas and spring concerts here at NHS but with a surprise, Micheal Cook wrote and composed a violin concerto which the orchestra performed at the spring concert! The night rehearsals really paid off, when they came home from NEO contest in Oklahoma with a "II" + . Small Ensembles also went to the MSSC district contest, among the many the string quater recieved a I which they got a II at state. Micheal Cook also recieved a I at state contest.

## LE JAZZ HOT

The big news this year for the NHS Jazz Ensemble centered around the standing ovation given to these top performers, at the Pittsburgh Jazz Festival. Receiving a "I" rating was terrific but the standing "o" was icing on the cake, and one of the candles was Stan Davidson receiving the outstanding Musicianship award!

The Jazz Ensemble also traveled to the MSSC campus to perform in the famous "M\*A\*S\*H Bash", properly attired in M\*A\*S\*H fatigues.

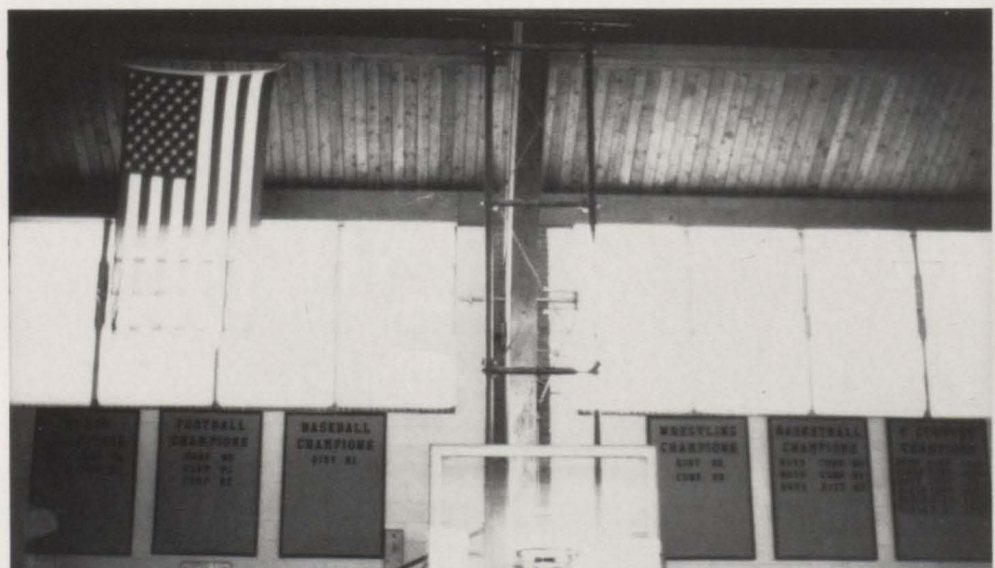

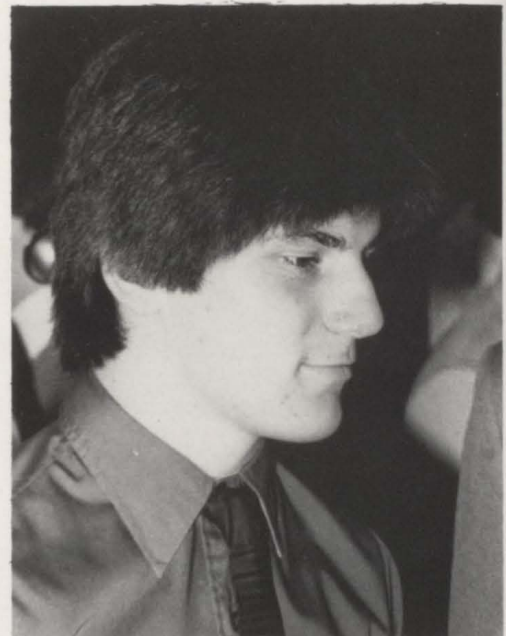

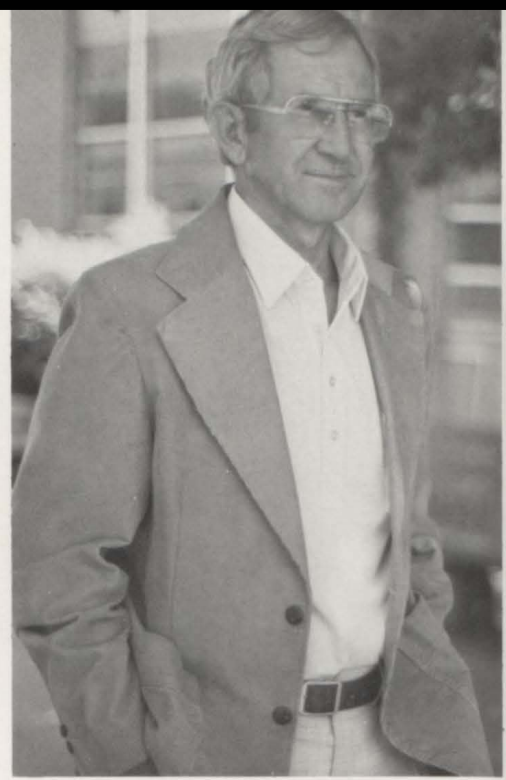

Along with the standard Jazz and Swing tunes normally played at NHS Basketball games the band, on special occasions took requests, like the "Theme from Rocky", for Tony Bussey.

## BUSY YEAR FOR STU-CO

Student Council had one of its busiest years ever in 1982 and 1983. Their many accomplishments were outstanding and commendable. For example the banners in the gymnasium were designed and made by them and also the giant United States flag was added. The new Humanitarian Award was also formed. It was a productive year overall.

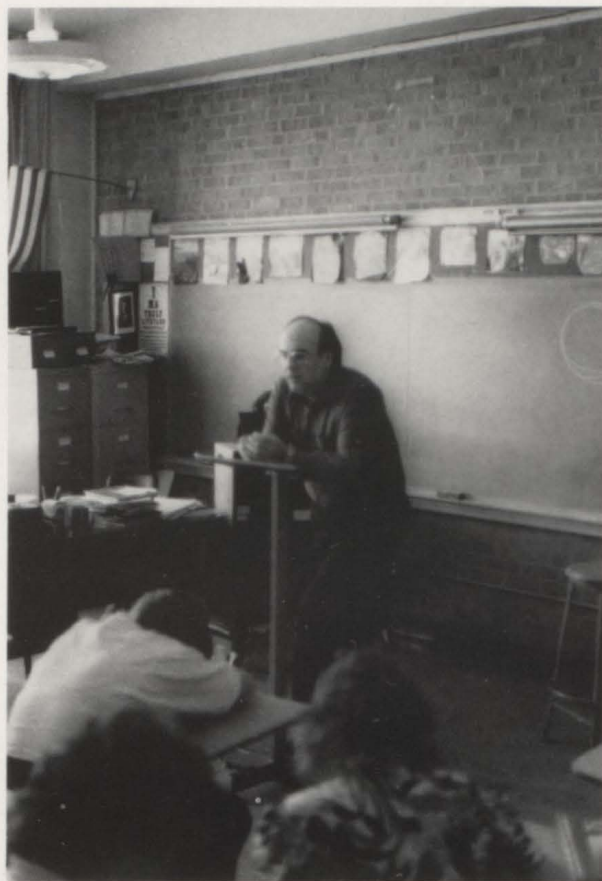

The Student Council Officers (left) are: President Doug Hunt, Vice President Lisa Shaver, Secretary Kelly Thayer.

The 1983 Psychology Club. They had two meetings this year with a total of 40 members this year. At bottom is a group picture, this is only some of the members, the other members were not available at the time. Their sponsor was Mr. Montz.

Everyone paid close attention as Mr. Montz speaks.

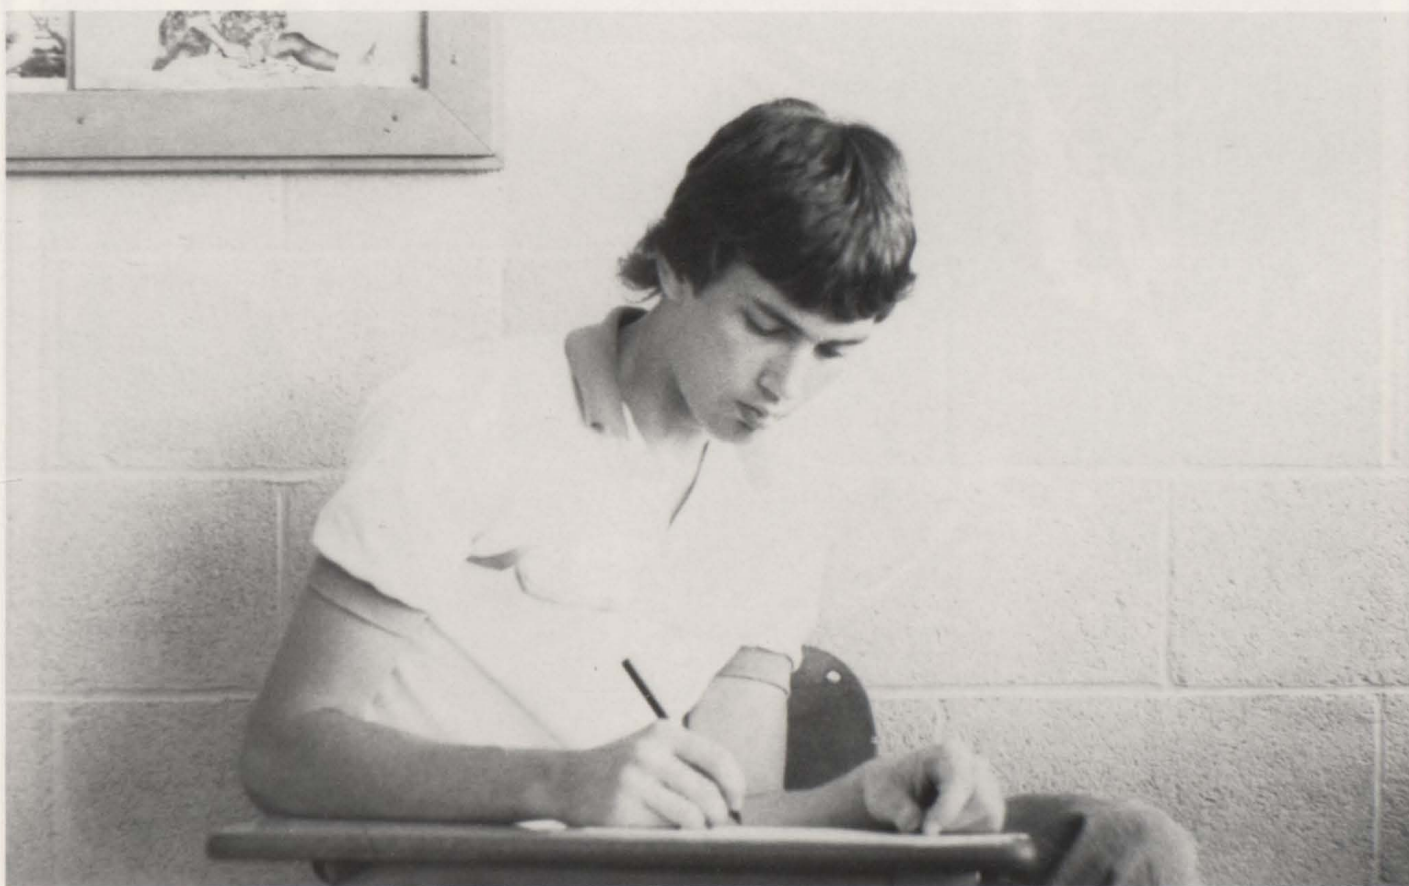

Class it take 101 licks to get to the center.

This years newspaper staff was really rolling the presses. Their was twice as many papers this year as compared to the years past. One reason is because of the new computer, as alot of you might not know the newspaper stores their information on a computer and is printed out by the computers printer. This makes it really easy for them to correct and change a story.

## FOOTBALL "83"

This years football team started the season with a smash, with their first victory against Monett winning with a score of 20 to 0. All in all the Wildcats had a pretty good year as they went to state play-offs against Parkwood Bears though losing to them with a score of 7 to 14. But all is not lost for the Wildcats. They won at homecoming against the McDonald County Mustangs. With the Wildcat spirit we all have the Wildcats will be victors for many years to come!

The 1982-83 varsity cheerleaders, including seniors Kathy Connor, Elaina Simmons, juniors Julie Hall, Mary Jo Gollhofer, Laura Jones, and Dana Trenary along with our "Willies" Laura Butterfield and Donna Pratschler experienced a busy year. Chosen in March of last year, they began practicing soon after to prepare for camp and the upcoming season. In July, they attended the Universal Cheerleaders-Association Camp in Fayetteville Arkansas. They learned new techniques for cheers, sidelines, chants, and routines that proved effective.

## VARSITY CHEERLEADING MEANS WORK AND FUN

# FOOTBALL HOMECOMING 1982

Football Homecoming '82" was one that would have been praised by the *Times* review. All the gala festivities that began with "Sweat 'Em Out" Day and ended with a mighty Wildcat victory over the Mustangs of MacCountry, were highlighted by beauty and spirit. Spirit began flowing on Monday and built to an exciting climax at the assembly on Friday. Doug Hunt, Pernille Falck-Petersen, and Mrs. Ware were the spirit winners. On Thursday the torching of the "Mustang" heated up the bonfire. It, also, "spurred" cheers from the encirclement of fellow classmates.

The beauty finally unveiled itself on Friday afternoon. The assembly was no less than perfect. The Flag Corps from "The Pride of the Ozarks" did a flag routine. The NHS Cheerleaders, also, did a routine. As if this wasn't beauty in itself, at the

west end of the gym sat six heartthrobs. Jo Glover, freshman attendant; Becky Leach, sophomore attendant; Julie Hall, junior attendant; Sally Finch, Renee Bryan, and Anne Higdon, senior

queen candidates; sat perched in royal fashion. The presentation of roses from the senior football players was even unique. Lead by co-captains, Brian Campbell and Doug Paden, the seniors passed

their roses on to their recipients in a classy fashion.

After the parade around the square, the collection of Corvettes were abandoned, for the game due to a muddy track. Thanks to a

steady drizzle. The candidates were in top show fashion, though. Anne Higdon was crowned queen at halftime. The seniors were, also, honored for their hall decorations.

The week came to a close with

a Teen Town dance, which featured a rose dance for the candidates, queen, and their dates.

## TOMORROW'S VARSITY STARTERS

The J.V. and Freshmen teams are organized mainly so that the underclassmen have an opportunity to take part in sports and gain experience. Also, they help improve tomorrow's varsity squad.

# WILDCAT PRIDE

Pep Club is no more. With the beginning of basketball season 1982-83, this traditional organization was retired, with the nearly unanimous approval of the student body. Instead, the school designed a new way of raising spirit and supporting the athletes. The new pep organization, the Wildcat Pride, provides an opportunity for anyone who wishes to express support for NHS athletes to do so.

The Wildcat Pride has no defined constitution; it is purely spontaneous. It is open to students of both sexes, and the demerit system has been abolished. The Wildcat Pride operates most effectively at home games, because few students are able to attend away sports events.

The Ladycars completed a rough fall season, led by Coach Marsha Harlan. They displayed spirit and enthusiasm as they played in numerous matches and tournaments. Members of the team included: Varsity-Jennifer Brazill, Tammy Phelan, Vikki Durham, Jeania Farmer, Mary Sappington, Rachel Macy, Pam Phelps. Junior Varsity-Sheila Estes, Brenda Offenbacher, Connie Slaughter, Rhonda Boman, Susan Paulson, Julie Rasmussen, Kathi Conner, Tina Cummins, Kim Thurman, Janet Wilbur, Traci Williams, Loree Ebbinghouse, manager Ticia Newdigger.

Under the direction of Mr. Ev Corum, the cast members worked long hours to put together a successful play. Music by the orchestra and band added greatly to the overall show. # BACCALAUREATE

Baccalaureate 1983, held Sunday, May 22, marked the beginning of the end for this year's graduation class. Mr. Robin Montz opened the service with the Invocation which was followed by a brief performance by both the choral and band departments. Seniors listened attentively to the sermon given by Reverend Tom Cassidy, as the gymnasium grew hot and humid. Mrs. Mildred Stover then concluded with a few words of best wishes to the graduating class and gave the Benediction. After Baccalaureate, the Seniors, armed with brushes and paint cans, hit The Hill. Undaunted by a threatening downpour, they proceeded to leave illustrations of their artistic talent to posterity. As customary, a general mayhem broke out and everyone had a good time painting the bodies of fellow seniors. The class of 83 regrets the unfortunate behavior exhibited by certain of its members and hopes that said behavior will not ruin this tradition for future seniors.

## SENIOR ASSEMBLY

One of the most anticipated events of the end of the school year is Senior Assembly. Senior Assembly is a milestone in many ways. It is the first time that the seniors wear their gowns, it is the big moment when the Valedictorian and the Salutatorian must impress words of wisdom upon the underclassmen, and, finally, the symbolic passing of the link takes place. As a climax, each class rushes to its new section in the bleachers. This year's Assembly was made particularly special by Mr. Gary Sims' address to the seniors and by the speeches given by Michael Cook (Valedictorian) and Mark Harper (Salutatorian). Senior Assembly was bittersweet for many of the seniors, for others it was merely an end.
