The 1959 Annual Staff has endeavored to present in the pages which follow a record of our friendships, of our play, and of our work which made up this school year, in the hope that the memories of it will never be lost to us who have lived it.

We have preserved these memories in the enduring and fascinating pages of this book. The 1959 "WILDCAT" is ours to enjoy, to remember, and to cherish.

THE STAFF

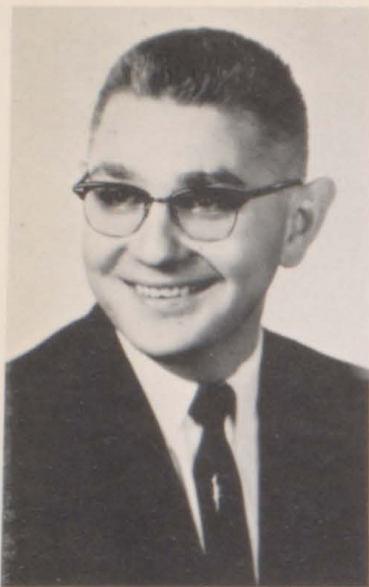

Dedication

It is with pleasure and gratitude that we, the 1959 Student Council, dedicate the "WILDCAT" to our Principal, Mr. Fred Daugherty.

Mr. Daugherty has performed his duties as principal of our high school in a most efficient manner. He has been a member of our instructional staff for three years, serving as principal for two years and basketball coach one year. We wish him the best of luck and success in his future years.
