Here Comes The Wildcat

Neosho High School

Neosho, Missouri

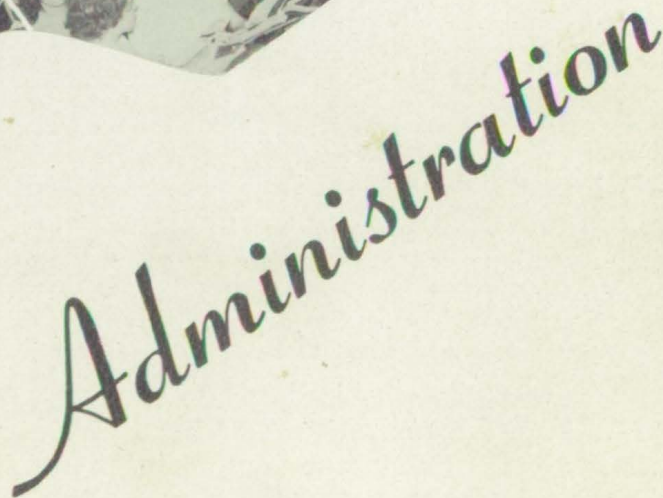

Dedication

To you who are and were students;
to the many friends we've made
during our short stay at N.H.S.;
to the teacher who forgave a late
lesson; to the janitors who are so
much a part of this institution;
to the people who have aided in the
progress of our school; to all
these and more, we dedicate the

1950 WILDCAT

R. W. ANDERSON, Superintendent

DORIS KENNEY, Secretary

A man with the highest ideals of the profession at heart, who unselfishly and untiringly works for one object in mind—the advancement of our schools; a man who is as much a part of the student's life as he is Superintendent of the Neosho schools—such is Mr. Anderson. Completing his thirteenth year of service as head of the schools, he has many times proved himself an efficient Superintendent, a capable leader and true friend to all students.

Qualified leaders have always been rare, and we consider ourselves fortunate in having such a person as our Principal —Carson Barlow. Under the guidance of Mr. Barlow since 1926, this school has been constantly progressing. On his shoulders rest the future of this school and it is readily agreed by all of the faculty and all of the students that no better person than Mr. Barlow could be entrusted with such a task. We know that we speak for the entire student body when we say we are proud of his record of achievement.

Student Council

The Congress of Neosho High School is none other than the Student Council. The "Big Wigs" are President Ernest Dolence, Vice President Bill North, Secretary Ann Tyson, Treasurer Peggy Haley, and Assistant Treasurer Bobby Perry. Mr. M. L. Bell is a very helpful advisor to both members and officers.

Representatives are elected by the students from each home room and their term of office is one year. Requirements are an M average in scholarship and citizenship.

The laws that rule N.H.S. have been established here. This year has been a big year since the open or closed prom is to be decided once and for all.

This group has been successful during their administration by helping to make N.H.S. a better school.

National Honor Society

Meet the Junior Einstein's of Neosho High. These "brains" or rather students make up the organization known as the National Honor Society.

To become a member you must meet certain qualifications. The four main objectives of the Society are service, leadership, citizenship, and scholarship. It really takes effort to apply for membership to this group. If you don't believe it just try it.

The chief of the Society is President Barbara Plaster, assisted by Vice President Dallas Cramer, and Secretary Catherine Trau.

Hats off to these outstanding students.

Latin Club

"Fui, fuisti, fuit." Yes my friend, that's the perfect tense of the irregular verb of sum. In other words, Latin! If you are slightly dismayed by this startling news, (?) don't be. That was merely one simple lesson of one slightly dismayed member of the "Populi Latinae".

This volcanic organization is sponsored by Mrs. Lois Nelson. This is Mrs. Nelson's first year for sponsoring a group of this sort. By that we refer to the club and its officers President Doyle Herrin, Vice-President Marilyn Matthews, and Secretary-Treasurer Geraldine Kulp staring at you on your left.

One bleak, damp morning last October this little village awakened to the sight of white robed "victims" running around the square counting the bricks there, dividing by 2, adding the ones on Spring Street to see if they could pass the next test. An easier way of explaining this is initiation.

This spirited group threw an all school social known as the "Hay Hop". Also this talented group gave an assembly produced, directed and presented by them.

There is nothing like them anywhere, honestly!

Spanish Club

The Spanish Club has certain qualifications that have to be met before you can join; a few of these are: (1) By the end of three weeks you have to know what "Si" means, no exceptions even to Carlos. (2) Know what room Spanish is in. (3) Take private lessons from Stanley Cope, and Ashmore. (5) Spend at least one year in Mexico.

Amiga Shirley Connor presides as president, she was picked up from under a hat wandering down the streets of Old Mexico City. Closely following was Stanley Cope (confident no hat, Oh what I said). Serving as secretary for this mob, I mean club, is Pistol Packin' Lamona Farrar. (We have to keep our eyes on the money)-note the gleam in those eyes on your right. Sponsoring this intellectual(?) group is Mr. Carl Summers.

This club has a formal and informal (oh Brother) initiation at the first of the year. This is a very active club of Neo-sho High School.

Thespian Club

Pictured on this page is the dramatic department of N.H.S.-namely the Thespians.

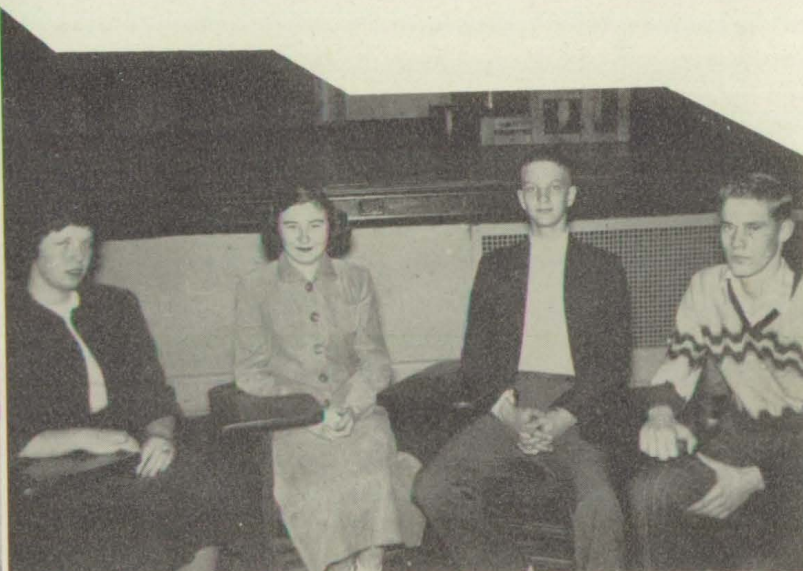

Getting off to a fast start the "scums" endured a painful initiation. Robed as famous men and women of the theater their cry was "As actors are good and as actors are green, I'm the greenest I've ever seen".

The Thespians played hosts to the Big 8 Speech Festival and entered members in all sections.

Sponsoring the group was Doyle McKinney. The Star was President Jerry Caldwell, with Co-Stars Vice President Stanley Cope, and Secretary Nancy Kenney. The supporting cast was naturally the remaining Thespians.

Also sharing the spotlight in the Speech Department were the debators. Wanda Cope and Joan Morehouse were the affirmative team and John Strecker and Pat Hatler were the negative team. They competed successfully in several district tournaments.

In the district American Legion Contest Johnny Strecker placed first.

Biology Club

"Chloroform, forceps, scalpel, scotch tape, and pins". What is this, the surgery room of Sales Memorial? Nope, just Room 16, better known as the Biology Club of N.H.S., sponsored by Mr. Bill Fryback. The surgeon of this club is Jigger Edsell, who serves as President. He was chosen because he dissected two frogs before lunch. The next best is Jim Showalter. The one who keeps notes on these poor helpless animals is Betty Lasiter. Note the joy in handling those "dry bones".

The "musts" of this club are to be able to stand the sight of blood while drinking tomato juice and to have a P.H. D. on frogs. Come and visit us sometime and if you have a pet we'd be glad to divide it for you.

Future Homemakers of America

The Future Homemakers of America have a motto that seems to describe their work and what they are striving for, "Toward New Horizons." The purpose of the organization is learning to live better today in order that their lives and those of their families may be better tomorrow. They have state associations in 46 states and Hawaii. The Future Homemakers have four degrees of achievement symbols, their Junior Homemaker, Chapter Homemaker, State Homemaker, and the American Homemaker Degree.

The Neosho Chapter has attended one sub-district meeting this year at Alba. Barbara Johnson was elected sub-district treasurer. They have had a "Barnwarmin" party this year combined with the F.F.A. The Chapter Mother for this year of the Neosho Chapter is Mrs. Hugh Perry.

Officers for Neosho's Chapter are President Virginia Capps, Vice President Nancy Minto, Secretary Marie Van Dorn, Treasurer Bobby Perry, Historian Barbara Johnson, Reporter Jeanette Souders.

Future Farmers of America

The F. F. A. is composed of about sixty boys who are enrolled in Vocational Agriculture. They have chosen six of these boys to lead them. They are President Wayne Van Buren, Vice President Val Mason, Secretary Rex Hall, Treasurer Jesse Hudson, Sentinel Don West, and Reporter Jackie Reding. Their advisor is Mr. Lampo.

This year the boys sponsored a Farm Safety Program, an Annual Parents Night, a Parent and 'Son Banquet, a Barn Warmin' with the F.H.A. Girls, and an all school party for the March of Dimes. They have entered several contests. Among these are the Reporters' Scrapbook Contest, Secretary's Book Contest, Treasurer's Book Contest, and the annual Chapter Activity Contest. The chapter has sent representatives to the State Conference and the National Convention. Several of the boys attended the F.F.A. camp.

Pep Club

"Beat 'em, Wildcats, beat 'em!! Beat 'em, fair, beat 'em square! Beat 'em Wildcats, beat 'em!!!"

That's been a mighty familiar cry echoed about the halls of N.H.S. this year. Maybe you wonder what the source of this echo is. Just to satisfy your curiosity take a look at the enthusiastic people pictured on this page. They compose the all-important Pep Club of N.H.S.

The excited looking cheerleaders are: Nancy Ashmore, Coralee Thompson, Ava Jean Stipp, Carol Jeffers and Mary Wilson. The sponsor of the club (since 1946) is Miss Doris Gant.

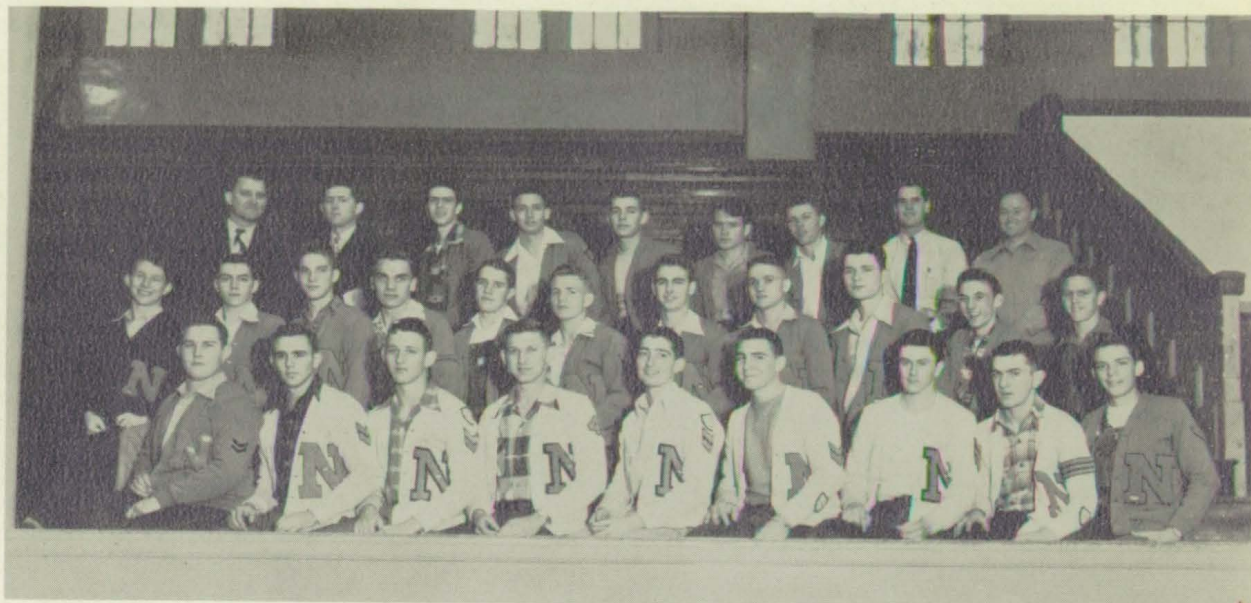

The officers of the club are: President Nancy Kenney, Vice President Dorothea Thomas, and Secretary and Treasurer Jacquie Scott.

Adding additional vim and vigor to this group is the Pep Band. They really have what it takes to stimulate spirit.

At every game during football and basketball season you have never missed seeing the Pep Club out there supporting the home team for all they were worth! For a demonstration of real school spirit just turn your eyes their way.

"N" Club

Do you like the big football type of man? Or do you admire the slim basketball men? Or do you prefer the fleet-footed track man?

To find your way around in this department look toward the famed "N" Club. There you will be sure to find all the "Big Dogs" of N. H. S. Some little ones too.

These men you see pictured on this page have earned an "A" letter in one of the three main sports of N.H.S. Therefore in one sense, they are eligible to become a member. Also you must be a MAN!

The top man on this totem pole is Ted Thomas. The runnerup is Joe Abramovitz. The "Moneybag" of the gang is Frank Severs. Overseers of these men is the "Big Man," Coach Don Kumpy.

The outstanding event of the year is the annual initiation of the new "men". If you survive this, of which we outsiders only know the after-effects, you deserve the "purple heart" for courage.

September 23

Flash! Neosho and Rogers fought to a 19 to 19 tie. Upon coming to Neosho, Rogers was undefeated, having played three games. As this was the first game of the season for the Wildcats the odds were against them, however, the team showed good possibilities and it was an excellent game.

September 30

For the first time Neosho played Altamont, Kansas. The Altamont team had not been defeated in five years and Neosho was not able to break this record. The final score was 26-6.

October 7

Neosho and Carthage fought it out in their annual battle. Both teams were in fine shape, and all through the game the teams gave their best. Both teams had the full backing of their schools. All in all the game was tops. The final score was 13-13.

October 14

Neosho traveled to Baxter Springs, Kansas. There they were again defeated. The score at the end of the game was 19-6. Nevertheless the Neosho team put up a hard fought battle.

October 21

Lamar played host to Neosho. This was a very close game and both teams fought to the last second as the final score showed. It was 7-6.

October 28

Webb City, in order to get revenge for the victory the Wildcats won last year, walked over the Wildcats. In the first half the score went in favor of the Wildcats. However, in the last half the Cardinals showed their strength. The final score was not pleasing to the Wildcats-Webb City had their revenge.

November 4

The Aurora Houn' Dogs upset the Neosho Wildcats at their homecoming. In the first half Neosho led all the way by the score of 12-6. However, in the third period the Houn' Dogs began to roll, and they kept going for the rest of the game. The final score made a very unhappy homecoming for the Wildcats.

November 11

Neosho traveled to Monett to be defeated by the score of 36-0. The Monett Cubs pulled out in front in the first minutes of the game and continued to raise their score.

November 18

Neosho was the scene of a hard fought football game between the Wildcats of Neosho and the Tigers of Nevada. This was without a doubt the best game of the year for the Neosho team, although they did drop the game by the score of 27-19.

November 23

Mt. Vernon rolled over Neosho by the score of 46-0. To the Neosho team it was more than just a defeat, for this was the first time in 16 years that Mt. Vernon had won. This brings to a close the 1949 season. Better luck next year.

Six students lettered in tennis last year. The team made trips to Joplin and Greenwood with Monett and Carthage bringing teams to Neosho. Neosho was host to the Big 8 Tournament where the local netsters played well with Bernice Warren and Bob Gilmore each taking second place. The team was coached by Miss Doris Gant.

Under the direction of Doyle McKinney many awards were brought home after an excellent year.

Orchestra

The Neosho High Orchestra is an organization well worth its name because of the excellent manner in which all programs are presented. Composed of 35 members the orchestra played programs throughout the district, for Junior and Senior plays, and did very well at the annual Music Contest.

It's The Cat's Meow

Well, here I am with this huge column to fill. Here's something new for you to read—Hope you don't find it too boring.

A good way to give your car a lasting finish is to try to beat a train to a crossing.

When a woman driver puts her hand out, you may be sure of one thing—the window's open.

An old, old man once said to me: "I've dug a well at the top of a tree

I've found a nest in the Cas-
 pian Sea

I've caught a fish in a cup of tea.

I've put some sugar in the air I've seen a kite inside a pear

I've ground a worm with twelve false teeth

I eat my meat with a holly wreath

I decorate my home with cheese I catch the mice upon my knees

I do declare the truth you'll see If you punctuate this care-
 fully.

Bob Cantrell decided to weigh himself. He got up on the scale and found he had fallen off, so he immediately got back on again.

If anyone ever needs information about using a sun lamp, just ask Ed Wina McCoy—She's had experience.

In trying to explain his low grades to his dad, Bill Perry said, "You can see she's against me—she has me even dumber than I was last quarter and you know that's impossible."

For reasons known only to a few, we would like to do the following

Let's keep up with other schools and their activities as well as our own.

Lately, at the North Kansas City High School, the girls were advised by a beauty expert, to only "roll your hair once a week." The main subject of her talk concerned good grooming, not only in school, but on the job. That should have been interesting along with a lot of advice.

Boy! N.K.C. is really on the ball. They had a panel discussion on the topic "Boy and Girl Relations." They discuss their ideas of a good date and good grooming. Suppose we should have a similar discussion?

In Emporia, Kansas, we learn their high school boys prefer blondes. Thirteen out of twenty interviewed were for blondes. Other statistics show that six go for brunettes, while only two get dreamy eyed over red heads. I just wonder how the blondes rate here at N.H.S.

After reading another article in Emporia's paper, THE ECHO, entitled "Your Gossiping Words May Hurt Others, I'm convinced we should think before we talk. How it hurts to have someone you thought was your best friend to gossip and desert when needed most!

The Fate of One Magillacutty

One of our classmates, Ethelberg Magillacutty seriously injured yesterday. Ethelberg, being the fi up to heavy exercise, so she takes her time about ge which is the result of her injury.

Lately everyone seems to be in high spirits v close at hand, and we are always rushing about. It see was sauntering to class during second lunch period yes suddenly people came dashing out of the auditorium. Poo neared the steps a little too rapidly and fell over the Besides the concussion she received from the fall, she v trampled by the unsung track stars making the 50-ya lunch.
