"What is the most important part of high school?"

The answer to that question depends largely upon whom you ask. "Sports." "Clubs." "Friends." "Arts." "Faculty." "Students." "Administration." "Academics." "Extra-curricular activities." "Traditions." The possibilities are endless!

The *Warrior* staff pondered over that question in choosing a theme for the 1989-90 yearbook. We decided that no single aspect of Seneca High School is **the** most important. Everything that goes into making SHS different from every other high school is important.

We invite you to **Take a Closer Look** with us at the people, places, things, and events that make up Seneca High School.

The Academic Letter Award program started in the 1984-85 school year. To qualify for this award, a student must have a 3.5 grade point average for the year, based on the four quarters in the school year. A student must be a full-time student at Seneca High School. A certificate and a chenille letter are given the first time a student qualifies for the Academic Award. A "bar" is given for each succeeding qualification.

Guidance Counselor

Mrs. Virginia Higgins, SHS guidance counselor, keeps busy helping students in many different ways. She guides students through the enrollment process, which is one of her biggest tasks each year. She also provides personal counseling and academic counseling. Another big job is providing seniors with information about prospective colleges and helping them to complete applications, including application for financial aid. Mrs. Higgins also supervises the various tests administered to the students at SHS, including the MMAT. Mrs. Higgins has been at SHS for twenty-nine years, and still has a warm smile for everyone who comes to her office!

Mrs. Higgins' assistants help her with her office duties. They run errands when needed, escort new students, compile information, type, and file.

Welcome to SHS!

The change from the middle school to the high school is one that is very sudden. The students find themselves engaged in vigorous activities, a larger number of students, and much more pressure academically. The average freshman is required to take such classes as U. S. history, English, math and science. The class of '93 has seemed to adjust very well and rapidly. When the freshmen were asked, "In one word, how would you summarize your freshman year?" the responses ranged from "excellent," "fun," and "exciting" to "boring" and "semi-horrible."

- Justin Bashor

"Being left at NEO by the band." - Jon Griffith

"The first day of school I pulled out my locker in P. E. and the whole set of lockers started to fall."

- Jason Walker

Freshmen are very unusual. Jon Griffith summarized his freshman year as "supercalifragilisticexpealidocious, or in other words, 'good'." We also hear that Jason Walker has a real talent for breaking classroom windows (this was his second year in a row). Overall, the freshman class was one that was very interesting, to say the least!!

Sophomores Adjust

The sophomores have come a long way since their freshman year! Many have taken on bigger and "better" responsibilities. Some now have part-time jobs. Some have their drivers' licenses. Some have even started to consider certain careers and goals. This is the time when the students of 1992 will begin to decide what they will do with their lives after high school. Good luck!

Juniors Have Class

The juniors of 1989-90 have left their mark on the walls of Seneca High. Being juniors, they ran the Homecoming dance and hosted the Prom. Many people in the class are active in various extracurricular activities. There are six juniors on the varsity cheerleading squad, and many juniors on the basketball, football, and volleyball teams. Another big thing with the junior class is class spirit. They are always ready to yell and scream at the pep rallies and games. SHS can expect many great things from the Class of '91.

Juniors Make Money

The junior class at SHS traditionally sponsors both football Homecoming and Prom. To earn money for this, the juniors work concession stands during football, basketball, and wrestling seasons. Most juniors are willing to lend a helping hand when needed, especially since those juniors with six consession stand credits are excused from classes on the day of Prom to decorate.

VALEDICTORIANS AND SALUTATORIAN

The 1990 graduating class of SHS had four Valedictorians. They were: Britt Burr, son of Fred and Patricia Burr; Angela Garman, daughter of Joe and Linda Garman; Jodi House, daughter of Bob and Johnnie House; and David Rankin, son of Dale and Nancy Rankin. All four graduated with a perfect 4.0 grade point average.

Jennifer Cole, daughter of David and Jan Cole, was Salutatorian of SHS's 1990 graduating class. She graduated with a 3.96 grade point average.

100th Class Graduates

The year 1990 saw the 100th graduating class of Seneca High School. In celebration of this event there were many special activities held during the weeks before graduation. The Senior class buried a time capsule to be opened in twenty-five years. They also planted a tree in front of the school. The graduation ceremony was held inside this year due to bad weather. The valedictorians each had a speech to deliver to their fellow classmates.

They spoke on the past, present, and future.

- 1. Nightmare on Elm Street 1-5
 - 2. Hellraiser | & II
 - 3. Halloween 1-5
 - 4. Friday the 13th 1-8
 - 5. Pet Semetary

Angie Garman - "I find that Reebok is the most comfortable for me."

Fashion in Footwear

The feet at SHS are in style this year, wearing every-thing from KEDS to L. A. GEAR. We asked several students which they prefer. KEDS came in first with 25%, REEBOK was next with 17%, while NIKE, COWBOY BOOTS, and ROPER had 16%, and coming in last was L. A. GEAR with only 10%.

David Caywood - "I like Nike because that is all my mom will buy for me."

Allen Murray - "Air Jordan by Nike are my favorite because they're COOL!"

Shanon Heath - "Ropen are my style, so I can pick up cowboys."

Who's Doing What?

When asked what they would be doing 10 years from now, these students replied:

Jodi House — "I want to have my own house and teach mathematics to high school teenagers."

Candace Boyer — "I want to be married and maybe have kids. I would like to be a lawyer."

Steve Favazzo — "I want to be **rich**, and the President of the United States."

Danny Morris — "I want a 25,000 acre cattle ranch in the northwestern part of Montana, and to be married and have two kids."

Kathy Roark — "I want to teach Special Education to high school students."

Jennifer Long — "I want to be married and have a family. I want to be a commercial designer."

Carole Hoff — "I hope to have a career in teaching business education, and to be married and have a family."

Brad Smith — "I want to be married and have one kid, and own weightlifting gyms."

Ryan Rogers — "I want to be muscular and have a six-foot blonde-haired wife, to own a big house, and play pro football."

Deanie Cook — "I would like to be an artist and travel to Ireland. I would also like to be married after I make it BIG!"

Steve Lant — "I hope to own a good house in a big city, and to make lots of money by winning the lottery and making crooked business deals."

Eddie Snow — "I hope to be married and have a family. I also would like to be a coach at Arkansas."

Many people, including students, teachers, and parents were in-

The main event was a eulogy read by Jason Gilstrap, as SHS "mourned" the defeat of the Diamond Wildcats. The SHS football team completed the week's celebration by defeating the wildcats.

The spring play was *Makin' It*, produced by arrangement with Baker's Plays. *Makin' It* is a realistic look at high school. It is sometimes funny, sometimes crude, but always true-to-life. Although the play does not have a "happily ever after" ending, it does end optimistically.

MASQUERADE

This year's Prom was a great success. Many students had an outstanding time. Some students had some interesting comments as well.

Willie Crismon said, "I thought I looked awesome in my tux along with my date, Christina Burkhart, in her gorgeous dress."

Lisa Wood said she was totally embarrassed when she sat down at Mazzio's in a booth with her dress on. She propped up her feet because she was tired and when she got up to leave, she scooted out and up flies her dress in front of a crowd of people!

Heather Carter said the decorating was a blast! "Even though everyone became stressed by the end of the day, we still had a lot of fun." Jenny Schwalls and Michelle Harp wanted to try something new, so they escorted each other to Prom!

To sum the whole thing up, the 1990 Midnight Masquerade Prom was quite outstanding!

Indians Make Quarter-Finals!!!

The 1989-90 Seneca High football team had a lot of skeptics when they started practice in the middle of August.

Through the heated 2-a-day practices the team worked hard and by the 1st game the Seneca Indians were ready to prove to the skeptics that this was to be their year.

Under Head Coach Tom Hodge, who had returned after a one-year absence, the offense developed into a scoring machine averaging 29 points and more than 330 yards a game in total offense.

The Indians were led by sophomore tailback Cheyenne Cummings who rushed for more than 1200 yards on 181 attempts for an average of more than 6 yards per carry and 15 touchdowns. The other half of the Indian rushing attack was Senior Gary Cummings who had 10 touchdowns and 700 yards on 126 attempts for an average of more than 5 yards per carry.

Senior Britt Burr, the starting quarterback through most of the season, provided the air attack for the Indians by throwing for more than 500 yards on 23 completions and 8 touchdowns while throwing only 1 interception. Burr also rushed for 260 yards on 37 attempts-an average of more than 7 yards per carry.

Senior end Korky Goettel was the receiving threat for the Indians, catching 22 passes for 585 yards and 10 touchdowns with an average of 27 yards per catch.

The Indian Defense proved to be the big plus for Seneca as they posted 6 shutouts and allowed only 7 touchdowns for the year. Allowing an av-

erage of 140 yards per game was enough for Head Defensive Coordinator Kendall Hunt's Indians to be ranked first in the entire 4-State area. The Indian Defense also was also ranked first in scoring by allowing only 48 points all year long for an average of 4 points a game. Gary Cummings and sophomore Jim Hoover led the Indians in tackles with 122 and 110 respectively.

Cheyenne Cummings led the defensive unit in turnover recoveries with 10 (6 interceptions and 4 fumble recoveries). Korky Goettel had 6 interceptions and a fumble recovery. Senior Jason Bard and Junior Rocky Ackerson had 3 interceptions and 3 fumble recoveries each.

Junior Brandon Nesvold provided the kicking services for the Indians by making 18 of 28 attempted extra points and adding a 35-yard field goal.

Nesvold also was the starting quarterback for 3 games while Britt Burr was injured.

He completed 13 of 20 passes for 350 yards and 2 touchdowns.

The post-season went almost as well for the Indians who outscored District opponents 123-6 in the final 3 games of the year.

Seneca started the State Playoffs off by beating the 6th ranked Marionville Comets 29-0. The Indians were unranked at the time.

The Indians' opponent in the Quarter-final game was the 3rd ranked Warsaw Tigers.

It was a tough battle but an early score by the Tigers proved to be the difference as the Indians faced their 2nd loss of the season by a score of 7-0

The Indians finished the year with a 9-2 record, and

were ranked 5th in the final state poll.

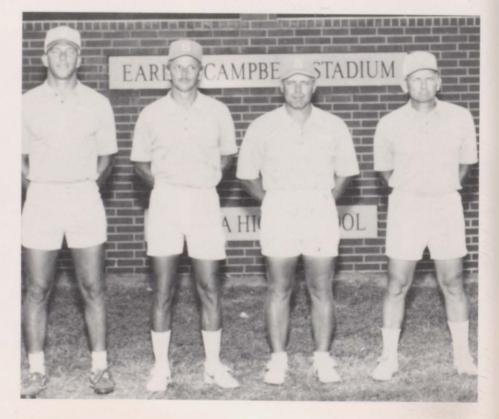

This year's Seniors finished with a 4 year record of 41 wins and 7 losses including 8 wins and 2 losses in the State Play-offs.

The Senior football players would like to extend a special thank you to all of the coaches, fans, and parents for their time, effort, and support. Also for making our teams both fun and successful throughout the years.

We Love You All,

The Seniors

Indians Still Winning — Three Go to State.

Although the SHS wrestling team didn't fare as well as expected, they still had a winning season. Up until midway through the season the Indians had 12 wrestlers to fill the 13 weight categories. Out of these, seven were first-year varsity wrestlers. Toward the end of the season, however, the Indians lost five wrestlers to injuries; the final duals, therefore, were wrestled with only seven wrestlers to the other teams' thirteen. Needless to say, many people were disappointed, but the fans stayed behind the Indians all the way to Districts. Taking only seven wrestlers, SHS still finished 4th overall, with six wrestlers earning medals.

At Sectionals, three SHS wrestlers, Manford Vangunda, Doug Ackerson, and Trenton Stephens qualified for the State Tournament in Columbia. Senior Manford Vangunda won 3 of 5 matches and placed 5th; this was Manford's third trip to State Competition. Senior Doug Ackerson won 2 matches and lost 2, but failed to get into the medal round; it was his second trip to State. Freshman Trenton Stephens wrestled well, but lost both of his matches. Overall, the Indians made an impressive showing.

Seniors Finish 35-5-1

This year's graduating seniors have been wrestling together since their freshman year. Manford Vangunda has been on the varsity squad for 4 years, Jason Boman for 3 years, Doug Ackerson for 3 years, and Gary Pendergraft for 3 years. Manford placed 3rd in Districts in 1987, but didn't make it to State. But he made up for it by becoming District Champ and State Qualifier in 1988, 1989, and 1990. He finished his high school career by placing 5th at State during his senior year. Jason Boman and Gary Pendergraft never made it to State, but Jason did take 3rd in Districts in 1988, 2nd in 1989, and 4th in 1990. Gary Pendergraft placed 2nd in 1988 and 1989, but was unable to compete in 1990 due to an injury. Doug Ackerson won Districts in 1989 and 1990. The seniors' final overall record was 31-5-1.

Senior Jason Boman gets taken down, but still earns an 18-3 victory over this Parsons wrestler.

The SHS Cheerleaders finished the year with many accomplishments. The Varsity members decided to show their stuff at competition. Practices started early in the summer so the team would be ready for camp. Cheerleading camp consisted of four days, with one evaluation each night. Not only did the SHS squad receive three blue ribbons, but they were also picked to compete for the Award of Excellence. This was definitely an honor, as there were only eight squads picked from a field of more than 100. Then, with no time to waste, the girls came home and put together a routine for Regional Competition in Missouri. Teams placing first or second are qualified for State in their division. The SHS Cheerleaders took first place and were headed for Columbia! Having a few months to prepare for State, they spent the time planning Homecomings, pep rallies, and participating in fund raisers. When the State Competition arrived, they were sent off with many warm wishes from Seneca fans. This being their first year, the team took the competition as experience to use for the coming years. While they did not rank in the top three, all of Seneca knows that the SHS Cheerleaders are #1!

Warrior Staffers Learn Teamwork

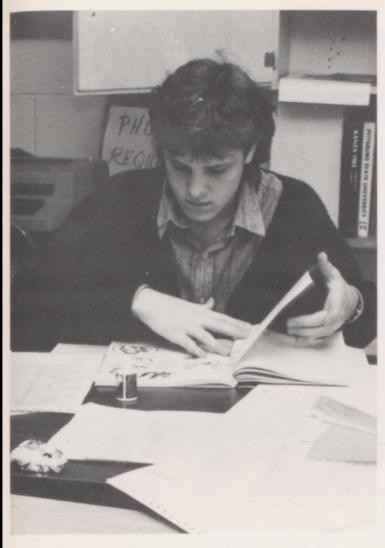

Things looked pretty bleak in August. With a new advisor and only three returning staff members, the job ahead of the Warrior staff seemed impossible. Advertising sales, book sales, pictures to take, layouts to design, copy to type . . . the list was endless. What the staff quickly learned was that the job of putting together a yearbook requires a great deal of teamwork to be successful. It also requires a lot of time. Dedicated staff members spent many after school hours doing layouts and typing copy into the computer, especially right before deadlines. It was hard work, but it was fun, too. "I think this year's staff should be proud of what they have accomplished this year," commented Ms. Conrad, Warrior advisor. "I had as much to learn as the students did. But I was fortunate to have some super staff members for my first year — people who really dug in and worked when I needed them to. We know we have lots of room for improvement, but we're already excited about next year." Some of the staff members will attend yearbook camp in August.

The *Warrior* staff would like to extend a special "Thank you" to the following people for all their help on the yearbook: Mr. McEntire, Mr. Hodge, Mrs. Lankford, Mrs. Morehead, Mr. Higgins, Lorraine and her crew from Jan-Lyn Studio, The Photo Place, and especially Mrs. Dianne Miller.

This year's major project was a food drive held during the Christmas season. A sunrise service was held at the City Park for Easter. Among the guest speakers who addressed the group during the year were Dan Wolenhaus and Joe Garman. FCA organized a charter this year, becoming, for the first time, part of the national organization.

FTA

The Future Teachers of America, advised by Anne Shadwick, had a good year. The year began with a trip to Headstart in Neosho to learn about the program and work with the children. Later in the year, members were given the opportunity to get hands-on experience in teaching by "student teaching" at the elementary or middle school for one hour each day for two weeks. On the last day they were allowed to spend all day there. To finish a successful year they had a pizza party.

For Angie Garman Concert Choir can be a hair-raising experience!

"Sure ya sure ya sure ya sure," are the famous words from Miss Jenny Schwalls.

1989-90 was a very good year for Concert Choir. Under the direction of Mr. Doug Campbell, Concert Choir consisted of more than 55 people. The choir went to NEO and received a 2 rating. Five soloists and seven ensembles also went to NEO. Later on in the year the choir was not able to sing at Districts because of bad weather, although districts were rescheduled the following week for solos and ensembles. The choir was rescheduled for May 2. Congrats to the freshman ensemble who went to districts and came home with a 1. "This is the first time in almost 5 years that I've had a freshman group go to State. I'm really proud of them; they came in every day during their lunch hour and practiced . . . They deserve it," said Mr. Campbell. The freshman group consisted of: Amy Thomas, Jill Triplett, Geoff Hall, Chris Waugh, Micheal Bailey, Justin Erhart, Janet Gilstrap, and Candace Boyer. The other ensembles that received a 1 were the Girls Sextet (Angie Garman, Jennifer Cox, Christina Burkhart, Amy Yaryan, Deidra Craven and Desiree Harbit). The other ensemble that went to State was the Boys Sextet (Danny Morris, Robbie Merriman, Chad Allen, Matt Lee, Eric Platner, and Richard Vanslyke). The soloists who went to State were: Deidra Craven, Angie Garman, and John Gilstrap. The Concert Choir then went to Worlds of Fun on April 7, where they competed in the 2A category. The choir received a 1, a 2+ and another 2+. Mr. Campbell and the underclassmen would like to thank Angie Garman and Deidra Craven for the enthusiasm they have shown over the years in Concert Choir. Best of luck in all you do!

Dedicated to the Class of '90

A Friend's Greeting

I'd like to be the sort of friend that you have been to me; I'd like to be the help that you've been always glad to be; I'd like to mean as much to you each minute of the day As you have meant, old friend of mine, to me along the way.

I'd like to do the big things and the splendid things for you,
To brush the gray from out your skies and leave them only blue;
I'd like to say the kindly things that I so oft have heard,
And feel that I could rouse your soul the way that mine you've stirred.

I'd like to give you back the joy that you have given me, Yet that were wishing you a need I hope will never be; I'd like to make you feel as rich as I, who travel on Undaunted in the darkest hours with you to lean upon.

I'm wishing at this [special] time that I could but repay A portion of the gladness that you've strewn along my way; And could I have one wish this year, this only would it be: I'd like to be the sort of friend that you have been to me.
