Director's Report:

- Statistics this month are inaccurate due to the front door closures necessary for construction.
- Carrie attended the MPLD meeting.
- "Ivan the Builder" read to children at story time. We bragged on him to BRANCO, and the children absolutely loved him.
- We received a check from the Schaeffler Group in the amount of \$23,951.42. This was a grant payment made in lieu of taxes related to personal property tax. This came from an agreement made in December of 2009 between the Schaeffler Group (FAG bearing) and the city, to make equipment improvements at its Joplin facility.
- The budget committee needs to meet, to design a new budget format for 2018.
- All programming will stop until the building expansion is complete.
